People and Things from the Cullman, Alabama Tribune 1877 - 1898 Robin Sterling 2013-07-12 The Tribune began publication in 1875 in what was then Blount County. It was one of the earliest papers published in the area after the end of the Civil War. Cullman was founded by German immigrants after the establishment of the old South and North railroad in 1872. Cullman grew quickly and became a county of its own in 1877. The earliest surviving issues of the Tribune were microfilmed by the State Archives in Montgomery and the film was studied for all announcements of births, marriages, deaths, obituaries, and news important to the history and development of Cullman County. The result is a fascinating book which details the early lives of Cullman County settlers recorded in the pages of its very first newspaper.

**People and Things from the Blount County, Alabama Southern Democrat 1908 - 1914** Robin Sterling 2013-07-22 The Southern Democrat was established by Forney G. Stephens at Blountsville in 1894. After fellow newspaperman Lawrence H. Mathews of the Blount County News-Dispatch died in 1896, Stephens moved the Democrat to Oneonta. When the News-Dispatch folded in 1903, the Democrat was the preeminent Blount County newspaper. Stephens died in 1939, but the Democrat continued to publish in Oneonta for almost 100 years. In 1989 the old Southern Democrat was renamed the Blount Countain. Microfilm for the old Southern Democrat was acquired from the State Archives in Montgomery and studied page by page. Every mention of births, marriages, deaths, obituaries and news important to the history and development of Blount County was reproduced here. This book is vital for any serious student of Blount County, Alabama genealogy and history.

*Just Us Girls* Wendy Rountree 2008 *Just Us Girls: The Contemporary African American Young Adult Novel* is a welcome addition to the literary criticism in a field that deserves more critical study - African American children's and young adult literature. This book is a close-reading textual study of major issues and themes in contemporary (i.e., post-Civil Rights era) young adult novels written by both well-known and lesser-known African American women writers, written primarily from an African American perspective and primarily, but not exclusively, for an African American female audience. Representative works by Candy Dawson Boyd, Rita Williams-Garcia, Deborah Gregory, Rosa Guy, Virginia Hamilton, Mildred Pitts Walter, and Jacqueline Woodson are analyzed. Each chapter investigates cultural, social, and/or psychological issues examined by the writers that are prevalent in the actual lives of African American girls.

**Stormy Monday** Helen Oakley Dance 1999-03-01 The most significant factor in the career of Aaron "T-Bone" Walker was his ability to bridge the worlds of blues and jazz. The guitar artistry of this early exponent of urban blues was not only admired by blues musicians like B.B. King, Gatemouth Brown, Albert King, and Albert Collins, and rock guitarists such as Eric Clapton, Jimi Hendrix, Duane Allman, and Stevie Ray Vaughan, but by such jazz greats as Billie Holiday, Dizzy Gillespie, Lester Young, and many others with whom he recorded. Stormy Monday is the first biography of T-Bone Walker to be published. Using dozens of interviews with Walker, as well as with members of his family, close friends, fellow musicians, and business associates, the book offers a remarkable frank insider's account of the life of a blues musician and compulsive gambler, from the wild living and hard drinking on the road to a solid and contented family life at home. "In a very real sense the modern blues is largely his creation." blues authority Pete Welding has written about T-Bone Walker. "The blues was different before he came on the scene, and it hasn't been the same since, and few men can lay claim to that kind of distinction. No one has contributed as much, as long, or as variously to the blues."

**Cry, Baby** Benjamin Perry 2023-05-16 What happens when we cry--and when we don't? One of our most private acts, weeping can forge connection. Tears may obscure our vision, but they can also bring great clarity. And in both literature and life, weeping often opens a door to transformation or even resurrection. But many of us have been taught to suppress our emotions and hide our tears. When writer Benjamin Perry realized he hadn't cried in more than ten years, he undertook an experiment: to cry every day. But he didn't anticipate how tears would bring him into deeper relationship with a world that's breaking. *Cry, Baby* explores humans' rich legacy of weeping--and why some of us stopped. With the keen gaze of a journalist and the vulnerability of a good friend, Perry explores the great paradoxes of our tears. Why do we cry? In societies marked by racism, sexism, and homophobia, who is allowed to cry--and who isn't? And if weeping tells us something fundamental about who we are, what do our tears say? Exploring the vast history, literature, physiology, psychology, and spirituality of crying, we can recognize our deepest hopes and longings, how we connect to others, and the social forces bent on keeping us from mourning. When faced with the private and sometimes unspeakable sorrows of daily life, not to mention existential threats like climate change and systemic racism, we cry for the world in which we long to live. As we reclaim our crying as a central part of being human, we not only care for ourselves and relearn how to express our vulnerable emotions; we also prophetically reimagine the future. Ultimately, weeping can bring us closer to each other and to the world we desire and deserve.

*Blues Lyric Poetry* Michael Taft 1984 This computer-generated anthology serves as a companion to Taft's *Blues Lyric Poetry*: a Concordance and gives the user the complete poetic context for every word, phrase or line in which he is interested. He also provides a selection of blues lyrics which have never appeared in print before or are scattered. Taft has transcribed over 2,000 blues lyrics from recordings made between 1920 and 1942 and includes over 350 singers such as Josh White, Sonny Boy Williamson, Robert Johnson and Ma Rainey. The anthology includes both country and urban, male and female, "downhome" and vaudeville singers. The songs are arranged according to singer and under each singer, according to dates of recording and sequences in the recording sessions. Information given includes singer, title, place, date and record numbers. The final section is a line-concordance index to the titles of the songs. Newspaper Clippings from the Cullman, Alabama, Democrat 1901 - 1913 Robin Sterling 2017-11-11 "The Cullman Democrat was established about 25 years after the first newspaper to publish in the town named for the famous German settler, John G. Cullman. While it came relatively late on the scene, its circulation soon grew to match that of the most successful Alabama weekly newspapers. The Democrat was first published by Major W.F. Palmer in June of 1901. Palmer sold the paper to R.L. and J.E. Griffin in 1902, but by the end of January of 1903, the paper was purchased by Joseph Robert Rosson. The Democrat remained in control of the Rosson family for many years after."--Publisher's description

**Sibling Grief** P. Gill White 2006-05-01 "P. Gill White, PhD has done an outstanding job of writing on a much-needed subject within the bereavement community, sibling grief. As siblings sadly are often the "forgotten" grievers when the death of their brother or sister occurs, a book such as this is greatly needed. Dr. White's insights and experiences as both a bereaved sibling herself and as a sibling grief counselor are sure to be a great help to all who read her book. Bereaved Parents of the USA will definitely be recommending her book as a resource to both our siblings and their parents. - Patricia L. Moser, "President Bereaved Parents of the USA "www.bereavedparentsusa.org Author P. Gill White, PhD, was only fifteen when her sister Linda made her swear not to tell anyone about the pain Linda had in her side, because she thought it would spoil an upcoming family vacation. Linda died four months later from a rare form of cancer called rhabdomyosarcoma. White and her family never talked about the loss until decades later when memories began to haunt her. *Sibling Grief* is White's validation of the emotional significance of sibling loss. She draws on clinical experience, research, and wisdom from hundreds of bereaved siblings to explain the five healing tasks specific to sibling grief. White identifies the effects of this profound loss on daily actions and emotions and describes the dream patterns of bereaved siblings, showing how healing is reflected in the dream state. Throughout, she illustrates the long-lasting connection between siblings--a connection that death itself cannot sever. "*Sibling Grief*" is a powerful mix of information, personal reflections, and poetry--just what you need to begin your own healing journey.
