The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

I ABSOLUTELY loved this book... addictive.' Bookworm86, [REDACTED] She hasn't left her house in five years. Can love unlock the door? It's been 1,825 days since Fiona Dexter last set foot outside 14 Wellington Drive. Five years ago, something happened that changed Fiona forever. Now she is too afraid to walk beyond her front gate. It's not the life Fiona had dreamed of but she has made it work, finding happiness in the safe routine of her days. On Mondays she treats herself to a glass of Chardonnay. On Tuesdays she has a working lunch at her desk (usually peanut butter on toast). On Wednesdays and Thursdays, she alternates spinning classes in her shed with yoga in the garden. Saturdays are for tidying up and Sundays are for relaxing in her favourite armchair. But today is different. Today, her perfectly planned Monday is suddenly interrupted by a knock at the door and a stranger on the other side. Someone who could change everything. Now Fiona is faced with an impossible choice. "THIS THING CALLED LOVE" is a compilation of 6 stories of love that we experience in life. Written in a combination first-person and third-person narrative, each story is vividly imaginative. The twists and turns in them will catch you off guard, sometimes tugging heavily at your heart or simply putting a smile on your lips. The book opens with the story of a young childless couple who makes an unplanned visit to a remote temple in India and are surprised when the priest predicts that they will have a child in three months!

Although his predictions come through, an unexpected turn of events threatens to shake the foundation of their marriage. Intense with emotions, *A LAMP FOR LORD SHIVA* will tug hard at your heart and keep you glued to it until the end.You can now relax as you move to the humorous narrative about the bond between two pets and their owner. The hero in the story is a kitten who is so rebellious that it's difficult to love him.

SUZY- HE WAS HERS ALONE will get you chuckling, yet reminiscing about your own relationship with a pet.The next story touches upon the supernatural. *A SUN WAS BORN* is about a teenage girl who wakes up one night hearing a whisper of love. Initially puzzled, she forgets about the incident but the voice continues to speak to her, always repeating the same words. One day, when she asks the voice to reveal itself, it gives her subtle clues about its identity. She doesn't recognize it until it takes a form in front of her years later.

We've all experienced puppy love in our teens. The next narrative, *AND THEY CALL IT PUPPY LOVE* is about a young girl who falls in love with a boy. The boy however, is unaware of her feelings and continues to treat her as a casual friend. As time flies by, she attempts to forget him, but realizes that he will always be her first love. The story will leave you with a bittersweet feeling of nostalgia.Through the next story, *MY STRONG AND SILENT BLU* you will experience the unique love between two friends. After enjoying a few years together, the woman decides to move on. Her pain of parting and loss is evident as she bids goodbye to her loved one.The book concludes with a passionate story of a man and the two loves of his life.
