Why She Has Not Fallen for You and How to Quickly Change That Abel Cruise 2021-06-08 When I was much younger and inexperienced, there was this beautiful girl I did all I could to impress. I would buy her flowers, expensive jewelry, and other gift items just to convince her to be my girlfriend. I did all that because I was desperate to prove that I would make a good boyfriend if only she would say 'yes' to me. Well, it all turned out to be a huge mistake because she ended up falling in love with another guy. The saddest part was that I chased this girl with all my flowers, money, and expensive gift items for good four months before she met this other guy. Yes, I got there first. Even though I did everything to impress her girl for four months without success, the new guy started banging her in just two weeks after meeting her. This was the first time it dawned on me that the dating world is not a fair place for a 'nice guy.' Now, here is the point! The new guy got my 'supposed girlfriend' not because he was more handsome than me, not because he gave her more money or gift items than I did; In fact, I later learned she was the one giving him gifts and money. What then did he do that I didn't do? Here is the answer to that; HE PLAYED HIS GAME ACCORDING TO THE RULES... One thing you must know is that the psychology of ladies is quite different from that of guys. Even though we think we show commitment when we shower gifts on the girl we intend to date, she sees all that as being desperate. When you shower gifts and money on a girl you intend to date, you make her feel like a precious treasure you are willing to do anything to get, and she would likely not feel any attraction for you because she starts seeing herself as a girl that's too good for you. And if this has been your experience, worry no more; because it's about to come to an end. It's time to stop being a 'nice guy' and start playing according to the rules. I have carefully outlined in this book powerful attraction techniques that work like a love spell that will guarantee rapid success for you in making any lady fall helplessly in love with you without you spending your hard-earned money. This book will lead you by the hand through the rules of attraction that you need to command the affection and respect of any girl you wish to date. Get this book now and become a winner and not a loser in the dating world. Cheers...

How to Fall in Love with Anyone Mandy Len Catron 2018-02-01 In 2014, 33-year- old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In *How to Fall in Love with Anyone*, this experiment is Catron's starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can love ever work the way it seems to in films, books and social media? Is there a "right" way to fall in love? In these candid, charming and wise essays, Catron blends memoir with cultural and social commentary on the psychology, biology, history and literature of love. *How to Fall in Love with Anyone* is a deeply personal, yet universal investigation into the one thing we all want—or think we want—more than anything. Includes "To Fall in Love with Anyone, Do This", one of the most popular essays to appear in the New York Times' "Modern Love" column "In our age of total romantic confusion, Mandy Len Catron is a voice of good sense, warm humor, and consoling wisdom. Through the lens of her own relationships, she teaches us—with a deft, convincing intelligence—some of the vital moves in the art of love." —Alain de Botton, internationally bestselling author of *How Proust Can Change Your Life* and *The Course of Love* MANDY LEN CATRON lives in Vancouver, British Columbia. Her writing has appeared in the New York Times and the Washington Post. She writes about love and love stories at The Love Story Project, and teaches English and creative writing at the University of British Columbia.

Loving Him..... Written by Her Lady K 2016-11-23 When women love, they love from the depths. Of their heart and with the intention of loving forever. But are you frustrated with giving all you have in a relationship only for it to seem as if he is not taking your relationship seriously? Or maybe it's your father, and you haven't been able to reach him now that his little girl is grown. He still sees you as his baby. He will always be your daddy, but you need to understand him from a woman's point of view now that you are a woman. Or, maybe it's your son. Seems as if since he has hit that age he now all of a sudden knows everything about being a man, making money and having a relationship. And the more you try and tell him what he doesn't know, the more he seems to ignore you.
