**Buzz** - Hallie Lieberman 2019-03-12

In the vein of Mary Roach's *Bonk*, a brilliant microhistory of the sex toy that ultimately tells the story of our changing sexual mores and evolving cultural values. Once only whispered about in clandestine corners, vibrators have become just another accessory for the suburban soccer mom. But how did these once-taboo toys become so socially acceptable? The journey of the devices to the cultural mainstream is a surprisingly stimulating one. In *Buzz*, Hallie Lieberman traces the tale from lubricant in Ancient Greece to the very first condom in 1560 to advertisements touting devices as medical equipment in 19th-century magazines. She looks in particular from the period of major change from the 1950s through the present, when sex toys evolved from symbols of female emancipation to tools in the fight against HIV/AIDS to consumerist marital aids to today's mainstays of pop culture. The story is populated with a cast of vivid and fascinating characters including Dell Williams,

founder of the first feminist sex toy store; Betty Dodson, whose workshops helped 1960s women discover vibrators; and Gosnell Duncan, a paraplegic engineer who invented the silicone dildo. And these personal dramas are all set against a backdrop of changing American attitudes toward sexuality, feminism, LGBTQ issues, and more. Both educational and titillating, Buzz will make readers think quite differently about those secret items hiding in bedside drawers across the nation.

**When Tasha Caught Me Masturbating (And Decided to Make My Fantasies Real!)** - Melody Anson 2020-05-04

I'd been best friends with Tasha for about as long as I could remember but I'd never thought about her in a sexual way. That all changed with a single comment while we were on a getaway vacation. I ended up in bed the whole night thinking about her but I couldn't do a damned thing to blow off the steam because she was in the room with me. That morning, though, I was free and that meant a date with my vibrator. It was crazy to masturbate while thinking of Tasha but no other thoughts were in my head at all. Then she caught me! Before I knew it, I was with her, and it was the most intense and beautiful sexual experience I've ever had.

Warning: This ebook contains very explicit descriptions of sexual activity and includes lesbian seduction, masturbation, sex toys, first lesbian sex, and more. Only mature adults who won't find that offensive should read this story.

**Instruments of Pleasure** - Rachel Kramer Bussel 2012-11-15

I can't think of a better way to add more fun to sex than sex toys—after all, the word "toy" is right there, and today's sex toys come in all sorts of

playful designs, from Hello Kitty vibrators to sparkly harnesses, light smackers to heavy paddles. Whatever you can dream of, you can probably find—or make your own! The very special stories in *Instruments of Pleasure* highlight the many ways we use sex toys to make our fantasies come true. Sometimes, there's a lesson involved, such as "Like This," where a woman uses what many consider the "Cadillac of vibrators," the ultra-powerful plug-in vibe Hitachi Magic Wand (or "electric miracle," in the story), to show her lover exactly what she does when she's alone. For others, toys are part of BDSM play, especially spanking, and you can read about the intense strokes of a cane in "Getting It Right" and the power of "The Spanking Machine." The dildo in "A Girl, Two Guys, and a Sex Toy" almost makes it a foursome, while in "The London O," using a pair of remote controlled panties with a built-in vibrator in public brings new heights to the thrill of sightseeing. In "Strapped" and "The Inner Vixen," women take charge, using a strap-on dildo and harness and a whip, respectively, exulting in the power they hold, and the delight their partner gets in being on the receiving end. Other times, rather than adding sensation, we take away a sense, such as the use of a blindfold in "Princess." Without being able to see, the heroine can simply feel. In "The Apiary," there are multiple toys, including a collar and chains, but the main "toy" is a chair, a piece of furniture that can be surprisingly erotic, if you use your imagination. I hope these stories serve as their own kind of sex toy for you, and inspire you to break out your favorite toy, or perhaps discover a new one. You can never have too many sex toys, or have too much fun with them!

[Sex Positions, Sex Toys, Public Sex, BDSM. Why They Do Not Improve Your Sex Life for A Long Time?](#) - Amanda Brown 2019-08-23

Break the chain of failures in your relationship. Don't be like 99.9% of people. Make a decision and change your life. Let yourself be happy. Save hundreds and even thousands of dollars spent on books, courses, manuals, visits to specialists, lawyers. Avoid making your relationship worse and even divorce. Learn how to improve your relationship and your sex life. In my book, you will find answers to the following questions: Why new sexual positions, sex toys, BDSM, public sex, will not improve your sex life for a long time. Why triangles and group sex can forever destroy your relationship. How to deal with boredom in the bedroom. How to make your sex life more interesting and exciting. How to improve your relationship and be happy all your life. Anyone can implement my solution without any problems. It only takes a decision and a little bit of goodwill. For how much would you sell the knowledge that can change people's lives? Hundreds of dollars? Thousands of dollars? But then who would be able to afford to change their lives and become happier? Unfortunately, only a few people. Then maybe you could share your knowledge for free? But then would people respect your words? I doubt it. People don't respect the things they get for free. My name is Amanda. When I was a teenager, my parents divorced. I decided then to devote my life to finding a solution to a problem that troubles many couples. Most divorces start with sex life. After the first period of excitement and meeting a partner, boredom slowly starts to creep in. This is a serious problem, which usually ends in betrayal and then

divorce. For many years I have tried to find the main cause of boredom in the bedroom and discover why new sexual positions, sex toys, BDSM, or public sex do not improve sex life for a long time. I spent hundreds of dollars on books, courses, training, and further education. As a relationship expert, I studied many couples' relationships. I have analyzed the behavior and causes of relationship problems. I've spent countless hours doing this. All this time and my dedication were not in vain. I was able to discover the cause of the problem that troubles so many couples. Use my knowledge today. I have written a guide for people, it's short, it's concise and it's for everyone. All of that so you could improve your life as soon as possible. Have sex that you haven't even dreamed of and make your relationship satisfying forever. I'm not giving you a book to read before sleep. I'm giving you a working solution to a problem that has destroyed many relationships. Words that change lives aren't for free. Can you afford to finally be happy? Do you want to improve your relationship? Do you want to avoid relationship problems before they occur? Or maybe you want to finally have a sex life that you didn't even dream of? The decision is yours. Don't wait...
