**The Rock Star's Daughter** Caitlyn Duffy 2011-09-12 At the age of 15, Taylor Beauforte has only met her father twice in person. After all, he is the lead singer of a world-famous rock band, constantly on the cover of music magazines and giving interviews on MTV. He pays for Taylor to attend the Treadwell Academy, a prestigious boarding school in Massachusetts, and provides her mother with monthly checks to cover her basic needs, but has never made much of an effort to play an active part in Taylor's life. Taylor's mom Dawn is the only family she has ever really known, and because of Dawn's hard-partying Hollywood lifestyle, studious Taylor is happiest on the other side of the country in Massachusetts with her nose buried in a book. When Taylor 's mom unexpectedly dies the summer before Taylor starts her junior year, she receives a crash course in fame. She has no choice but to join her father and his new family on their summer concert tour before she has even had a chance to mourn the loss of her mother. Life as the daughter of a rock star seems like it would be enviable, but Taylor can't figure her dad out. He seems like a supportive authority figure (even if he's kind of a fashion tragedy) , but she is collecting a growing pile of evidence that he's a liar and a cheat. Her stepmother, Jill, can't seem to decide if she wants to treat Taylor like a girlfriend or a nuisance. Having had no time to grieve and say goodbye to her childhood before being thrust into the limelight, Taylor is suddenly finding herself in situations she could have never imagined before this summer. With no one else to turn to, Taylor falls head over heels in love with Jake, the teenage son of one of the band's touring groupies. Taylor has growing concerns about Jake's background and the suspicious relationship between his mom and her own father, but is desperate for something real in her life onto which she can build a future. When Jake offers Taylor an opportunity to join him on a whirlwind adventure and leave her problems with her father far behind, Taylor has to decide - should she carve out her own way in the world, or try to repair the relationship she has with her only

After 9/11 Helaina Hovitz 2017-09-05 “You are a herald for your generation....Thank you for using your voice to help us make sense of that dark day, and forge a new beginning.”—Hillary Rodham Clinton, in a letter to Helaina Hovitz Helaina Hovitz was twelve years old and in middle school just blocks away when the World Trade Center was attacked. Her memoir encapsulates the journey of a girl growing up with PTSD after living through the events firsthand. After 9/11 chronicles its effects on a young girl at the outset of adolescence, following her as she spirals into addiction and rebellion, through loss, chaos, and confusion. The events of 9/11 were a very real part of Helaina’s life and are still vivid in her memory today. Hundreds were stranded in the neighborhood, including Helaina, without phones or electricity or anyone to help. Fear and despair took over her life. It would take Helaina more than a decade to overcome the PTSD — and subsequent alcohol addiction — that went

In many ways, *After 9/11* is the story of a generation growing up in the aftermath of America's darkest day —and for one young woman, it is the story of a survivor who, after witnessing the end, got to make a new beginning. This new trade paperback edition includes tips on how to cope with trauma, an FAQ section, and a guide to discussing 9/11 with children. "Inspirational, courageous and beautifully told. *After 9/11* is a testament to the resiliency of the human spirit." — Cathy Free, correspondent, PEOPLE magazine "Helaina Hovitz's engrossing narrative begins in the shadow of the twin towers with her as a backpack-toting twelve-year-old and plays out over the next fifteen years in dramatic - and sometimes distressing - detail. This impressive debut is both deeply evocative and intensely personal." — Peter Canby, Senior Editor, The New Yorker "A moving and remarkable testament to a time that changed our country, told beautifully by a young woman who never gave up hope that she could reclaim her life, no matter how grim things looked." — Sean Elder, contributor, Newsweek

Metzenthien comes a powerful new novel. Better in here, they think. Safe and sound. No shocks and no surprises. Twenty-one degrees Celsius all year round. But outside Sky Point Mall, no one is safe. Ryan Lanyon lives in a tough suburb. His brother's a bouncer. His best mate owns weapons. Ariel works in a surf shop and has never seen the sea. And the year that lies ahead is a minefield for them all. A novel of confrontation, loyalty and love from David Metzenthien, the award-winning and bestselling author of *Jarvis 24*, *Boys of Blood and Bone* and *Black Water*.

**Bound To Burn: A grumpy/sunshine, age gap, rockstar romance** Paula Dombrowiak A steamy, age gap, rockstar romance with a bit of a slow burn, a strong sassy heroine, a grumpy alpha hero, low angst, and a happily ever after. Love has a way of blazing through you like poison, leaving you breathless but still wanting more. On the way down it burns like whiskey, coats your throat like a love song, and enters your belly with the force of a hurricane. I told myself never again. I thought I had put those ghosts behind me, but some secrets don't stay buried forever. Fate has a way of forcing you to face them, and Sasha was the curveball I never saw coming. I didn't want to fall for her. In fact, I was determined not to, but she danced her way into my heart with her pink glittered Converse, and the sweet taste of peppermint. She's way too young, and chasing something I can't give her, but that doesn't stop me from wanting her. If I give into how I feel, will we last the summer, or are we bound to burn? *Bound To Burn* is the 4th book in the *Blood & Bone* series but can be read as a standalone, although the books should be read in order, for the best reader experience. Cash and Sasha's story is perfect for readers who love a sexy, age gap, emotional, rock star romance, second chance, strong sassy heroine, a grumpy ex-musician/record store owner, a touch of humor, low angst, and a whole lot of steam. If you love Ava Hunter, Carian Cole, Cassandra Robbins, Gabrielle Sands, L.M. Dalgleish, Julia Wolf, and Sian Ceinwen, you will love this series.. Content
