*Married Roommates* - Talia Wagner 2019-04-19  
Are You Married but Living Like Roommates? Do you sleep back-to-back or even separately? Do you feel lonely, bored, and sexually frustrated in your marriage? Have you, in fact, become just roommates? This book helps you reclaim your marriage by learning how to: - Communicate effectively without assumptions and misinterpretations - Resolve conflict by avoiding fighting or escalation - Maintain attraction, intimacy, and sex - Prioritize one another and work as a team - Gain the tools to stop the fighting, disrespect, jabs, and low blows - Create new routines and reinvigorate the stale parts of your relationship

Madly & Deeply - Deepthi Ayyagari 2019-06-04  
How does it feel like to fall desperately in love? To fall head over heels, and realize, that this, is love... finally! But what if that love is betrothed to someone else, just as you were thinking you two were getting close? What if he loves you, by all appearances, but goes after another woman? Betty finds that she finally, really, madly and deeply, is in love. With Josh. But just as

things between them seem to be warming up, just as they start to be feeling close, things change. He is a dashing handsome man, filthy rich, and an entrepreneur. And who in the world would lose a chance to wed him? Certainly not Angela. Even if it means she has to lose her love, Stephen. But then, Betty has the best of friends in God's creation. And they go with her through thick and thin, to fight for her love, more than she herself could. And win her battles for her. Walk through with Betty in this romantic comedy, and feel madly and deeply in love in this first book of the series 'Desperately in Love'. Just an excerpt: Why do my feet feel like rubber? I feel grounded to the spot. They look so damn perfect together. And, what's the word? Radiant? Yes. They also look very radiant together. "Betty? Why have you stopped in your tracks? Betty?" My mind zapped back to Maggie. "Maggie, she is so... she is so..." "Plastic!" Maggie completed. "No! I mean, she is so hot! And they look so radiant together." "Did you notice they are standing under the chandelier? Now come on." "Damn, she is right! She is my savior! I feel like she is Mary and I am her little lamb. I went along with her.

(Reimagined and Expanded with 10,000+ more words than the original) The torture was meant to break her, but it was the truth that made her heart bleed. She left this world believing she wasn't my everything. It's the thought that replays in my head as I stare at the image of the life gone from her body, her tangled brown hair fanning around her face as it hangs, listless. I didn't get to tell her that I didn't knowingly betray her before she was killed. That I still loved her. Now she'll never know, and the whispered words on her last breath will never belong to me, but the man she grew to love in my place. He teeters on his knees next to me. Inconsolable. Both of us are in pieces on the floor. And the only thing that keeps us from completely crumbling is the promise of finding her killer and making him pay. \_\_\_\_\_

**The She-Wolves of Machecoul** - Alexandre Dumas 2022-10-03

Set against the backdrop of the Paris Uprising of 1832, 'The She-Wolves of Machecoul' is dripping with political intrigue, sinister plots, and knuckle-cracking villains. However, at its heart, the story is a romantic one, focusing on the fortunes of the eponymous she-wolves, Mary and Bertha. While the plot to establish a new monarch unfolds, Mary and Bertha are both smitten with Baron Michel Logerie. But is the Baron all that he seems, or does he have ulterior motives? Filled with thrills, secrets, and historical detail, 'The She-Wolves of Machecoul' is a superb adventure story, which will surely delight fans of Dumas' other works. Alexandre Dumas (1802 - 1870) was one of the most popular French authors and playwrights of the 19th Century. After the death of his father, Dumas travelled to Paris where he eventually decided to work in the theatre. He first came to public attention at the age of 27 with his first play, 'King Henry III and his Courts.' After a succession of successful stage plays, Dumas turned his hand to writing novels. Many of these were serialised in newspapers, such as 'La Comtesse de Salisbury; Édouard III,' and 'Le Capitaine Paul.' Many of Dumas' later works have been hailed as timeless classics and adapted for television and the silver screen, such as 'The Three Musketeers', starring 'Lord of the Rings' Orlando Bloom, and 'The Count of Monte Cristo', starring 'Superman' star, Henry Cavill.

[Una Storia Amore](#) - Mark Toro 2010-07

Toro's debut novel offers a divine love story that takes one man back and forth between the Northeast and Midwest. When Michael leaves New York City and returns to Ohio, where he grew up, his life is a shambles. His ex-wife allows him to stay with her as he gets back on his feet, but their relationship remains broken. However, God intervenes in Michael's life,

starting with a miracle that cures his chronic anxiety. Michael then has a vision and falls in love with a girl he's never met and feels prompted by God to woo her. A series of small miracles occurs to assist him; for example, he sends her a photograph of an angel statue that unintentionally includes the digits of his phone number. The path to love is not without trials, and Michael, his ex-wife and his new love interest must go through a healing process before they can find happy endings. Toro tells the story using a rhythmic, poetic style, giving the novel a dreamlike quality that compliments its romantic elements. This style does have its limitations, however; although the book's prayers and dialogue have a pleasant ring, they don't necessarily resemble natural speech. One prayer reads, in part, "I'd like for this ride to end...to put an end to this terrible spin, and start me anew on who you're willing to send...a normal but blessed love about to begin." Some plot details are so finely woven into the prose that casual readers may miss key information. Overall, Michael does a great deal of praying and reflecting--a narrative choice that benefits from the work's rhythmic style--creating a story that focuses more on emotion than action. A marriage of poetry and prose for fans of inspirational and romantic fiction. -- Kirkus Reviews
