Fight Like A Girl - Clementine Ford 2018-08-02

An incendiary debut taking the world by storm, *Fight Like A Girl* is an essential manifesto for feminists new, old and soon-to-be. Online sensation and fearless feminist heroine, Clementine Ford is a beacon of hope and inspiration to thousands of women and girls. In the wake of Harvey Weinstein and the #MeToo campaign, Ford uses a mixture of memoir, opinion and investigative journalism to expose just how unequal the world continues to be for women. Personal, inspiring and courageous, *Fight Like A Girl* is an essential manifesto for feminists new, old and soon-to-be. The book is a call-to-arms for women to rediscover the fury that has been suppressed by a society that, despite best efforts, still considers feminism to be a threat. Urgently needed, *Fight Like a Girl* is a passionate, rallying cry that will awaken readers to the fact they are not alone and there's a brighter future where men and women can flourish equally - and that's something worth fighting for.

Fight Like a Girl...and Win - Lori Hartman Gervasi 2007-08-21

A kick-ass practical guide that packs a major punch ... without even throwing one! Self-defense lecturer and no-nonsense blonde bombshell Lori Gervasi lays out simple actions and important decisions women must make BEFORE they find themselves in physical danger to eliminate surprise and panic. It's an unfortunate reality that women are susceptible to random acts of aggression, from sexual harassment and stalking to physical assaults, domestic violence, date rape and worse. But women can learn how to protect and defend themselves -- with this groundbreaking guidebook. Let martial arts black belt and accomplished journalist Lori Hartman Gervasi walk you through easy-to-follow, everyday steps for taking charge of your personal safety, training your reflexes, and -- if and when the time comes -- using force. Her program consists of 26 potentially life-saving decisions that every woman must make, including: DECIDE TO BELIEVE IN YOUR FIGHT - Battles are waged from the inside out. Your conscience, intelligence, and guts must be committed to the cause. You and those you love are the things worth fighting for. DECIDE TO DEVISE A STRATEGY - Create a one-way ticket out of every imaginable circumstance, from back-door escape routes to getaways in public places. Think "what-if...?", plan for the unexpected, and be ready for anything! DECIDE TO RECOGNIZE THE THREAT OF THE INITIAL ATTACK - When practicing awareness, you can detect danger before it happens. The bad guy will take steps to get close to you. Watch carefully and identify these for what they are—the preludes to an attack. DECIDE TO MOVE - If an attacker strikes, don't freeze—get moving! Break through your fear with instant mobility. You have limitless options and any movement works as long as it leads to your safety. DECIDE TO ACT ON YOUR INSTINCTS - Your intuition is your guide, but you must respond physically in order to be successful. When something isn't right, take action, change plans, redirect yourself, and control your destiny! ...along with Defense Do's And Don'ts, inspiring "Power

Points," and other survival tactics that can help you to be prepared, stay strong, and FIGHT LIKE A GIRL...AND WIN

Fight Like a Girl - Laura Barcella 2019-08-01

Nearly every day there's another news story or pop cultural anecdote related to feminism and women's rights. #YesAllWomen, conversations around consent, equal pay, access to contraception, and a host of other issues are foremost topics of conversation in American (and worldwide) media right now. Today's teens are encountering these issues from a different perspective than any generation has had before, but what's often missing from the current discussion is an understanding of how we've gotten to this place. *Fight Like a Girl* will familiarize readers with the history of feminist activism, in an effort to celebrate those who paved the way and draw attention to those who are working hard to further the cause of women's rights. Profiles of both famous and lesser-known feminists will be featured alongside descriptions of how their actions affected the overall feminist cause, and unique portraits (artist's renderings) of the feminists themselves. This artistic addition will take the book beyond simply an informational text, and make it a treasure of a book.

Fight Like a Girl, Second Edition - Megan Seely 2019-08-06

A blueprint for the next generation of feminist activists *Fight Like a Girl* offers a vision of the past, present, and future of feminism. With an eye toward what it takes to create actual change and a deep understanding of women's history and the key issues facing girls and young women today, Megan Seely offers a pragmatic introduction to feminism. Written in an upbeat and personal style, *Fight Like a Girl* offers an overview of feminism, including historical roots, myths and meanings, triumphs and shortcomings. Sharing personal stories from her own experience as a young activist, as a mother, and as a teacher, Seely offers a practical guide to getting involved, taking action, and waging successful events and campaigns. The second edition addresses more themes and topics than before, including gender and sexuality, self-esteem, reproductive health, sexual violence, body image and acceptance, motherhood and family, and intersections of identities, such as race, gender, class, and sexualities. *Fight Like a Girl* is an invaluable introduction to both feminism and activism, defining the core tenets of feminism, the key challenges both within and outside the feminist movement, and the steps we can take to create a more socially just world.

Fight Like a Girl - Megan Seely 2007-01-15

Fight Like A Girl offers a fearless vision for the future of feminism. By boldly detailing what is at stake for women and girls today, Megan Seely outlines the necessary steps to achieve true political, social and economic equity for all. Reclaiming feminism for a new generation, *Fight Like A Girl* speaks to young women who embrace feminism in substance but not necessarily in name. Seely is herself a long-time activist and details her own activism from a young teenager going on hunger strikes to protest the rights of agricultural workers to a Third Waver in college to the youngest elected President of the California chapter of the National Organization for Women--the largest statewide feminist organization in the country. With an eye toward what it takes to create actual change, Seely offers a practical and useful guide for how to get involved, take action, and wage successful campaigns. The book is full of valuable resources for novice and committed activists alike, including such features as "How to Write a Press Release," "Guidelines to a Good Media Interview," "A Feminist Shopping Guide," and a list of over 100 Fabulous Feminist Resources, including organizations, websites, and events to attend. Each chapter is full of ideas, both big and small, for ways to get involved, as well as providing countless examples of successful actions already achieved. Exploring such issues as body image and self-acceptance, education and empowerment, health and sexuality, political representation, economic justice and violence against women, *Fight Like A Girl* looks at the challenges that women and girls face while emphasizing the strength that they independently, and collectively, embody. Seely delves into the politics of the feminist movement--exploring both history and current day realities. A Third Wave manifesto as well as an introduction to

Fly Like a Girl - Mary Jennings Hegar 2020-03-03

A Young Readers Edition of a compelling story of courage and triumph, this is the inspiring true story of Major Mary Jennings Hegar--a brave and determined woman who gave her all for her country, her sense of justice, and for women everywhere. On July 29, 2009, Air National Guard Major Mary Jennings Hegar was shot down while on a Medevac mission in Afghanistan. Despite being wounded, her courageous actions

saved the lives of her crew and their patients, earning her the Purple Heart as well as the Distinguished Flying Cross with Valor Device. That day also marked the beginning of a new mission: convincing the U.S. Government to allow women to serve openly on the front line of battle for the first time in American history. With exclusive photographs throughout, *Fly Like a Girl* tells the inspiring true story of Mary Jennings Hegar--a brave and determined woman who gave her all for her country, her sense of justice, and for women everywhere. Includes exclusive photographs throughout, a discussion guide, and a Q&A with the author written specifically for teen readers. Praise for *Fly Like a Girl*: "An honest portrayal of one woman's battles in and out of combat zones."--Kirkus Reviews

Fight Like a Girl - Lesley Krummel 2020-04-14

Fight Like a Girl: My Battle with ALS is a very moving collection of stories written during the author's trials and battles to find out what exactly was going on with her body. Things were changing, and no one could quite figure out why. During this frightening time in her life, one thing did change for the better""her relationship with God. It has become so much stronger. As a form of support for herself, she started a closed Facebook group of close friends and family. Lesley knew right away that she needed an army""a group of prayer warriors by her side. She began writing down her daily experiences during this time. Lesley, a healthy fifty-six-year-old woman, was now losing her strength and balance. She shares her good days and bad; her triumphs and losses. But to her surprise, her faith and strength have blessed those who read her stories. Friends would tell her that they looked forward to reading her frequent posts. Some are funny and silly, and others are very serious and downright frightening. But her faith is stronger than ever. God is working through her, reaching others with her writing. Lesley takes her daily experiences and turns them into glimpses of God. Simple things like a song on the radio, helping someone out that looks lost, and even going to a football game are all opportunities to hear God speak. We just need to listen. So join her on this life-changing journey. You will be moved and inspired.

Now is the time to be free and find out what it really means to *Fight Like a Girl*!

[Fight Like a Girl](#) - Kate Germano 2018-04-03

One woman's professional battle against systemic gender bias in the Marines and the lessons it holds for all of us. The Marine Corps continues to be the only service where men and women train separately in boot camp or basic training. This segregation negatively affects interaction with male marines later on, and, lower expectations of female recruits are actively maintained and encouraged. But Lieutenant Colonel Kate Germano arrived at the Fourth Recruit Training Battalion at Parris Island--which exclusively trains female recruits--convinced that if she expected more of the women just coming into Corps, she could raise historically low standards for female performance and make women better Marines. And, after one year, shooting qualifications of the women under her command equaled those of men, injuries had decreased, and unit morale had noticeably improved. Then the Marines fired her. This is the story of Germano's struggle to achieve equality of performance and opportunity for female Marines against an entrenched male-dominated status quo. It is also a universal tale of the effects of systemic gender bias. Germano charges that the men above her in the chain of command were too invested in perpetuating the subordinate role of women in the Corps to allow her to prove that the female Marine can be equal to her male counterpart. She notes that the Marine Corps' \$35-million gender-integration study, which shows that all-male squads perform at a higher level than mixed male-female squads, flies in the face of the results she demonstrated with the all-female Fourth Battalion and raises questions about the Marine Corps' willingness to let women succeed. At a time when women are fighting sexism and systemic bias in many sectors of society, Germano's experience has wide-ranging implications and lessons--not just for the military but also for corporate America, the labor force, education, and government.

[Fight Like a Girl](#) - Lisa Bevere 2008-05-05

Today's twisted pictures of gender roles create confusion over how a woman should define herself. Women and men are encouraged to move closer to center and away from the traits that distinguish male from female. How can women feel good about themselves when society is constantly dictating what they can and should be? In FIGHT LIKE A GIRL, Lisa Bevere exhorts us to embrace the differences between sexes. Her goal is to encourage women to celebrate the unique aspects of femininity. Instead of trying to adopt ill-fitting character traits, women should see themselves as designed and valued by God and savor their femininity as their strength, not a flaw.
