

If You Liked School You Ll Love Work

Rattlesnakes (Storycuts) - Irvine Welsh

2011-11-17

Madeline, Eugene and Scott are three young, beautiful Americans, engaged in a love triangle and enjoying their free and drug-fuelled youth. When they have a car crash in the desert they are forced to wait for assistance. But events spin out of control when they are found instead by a young Mexican who, charged up on the memory of the violent death of his mother and the numerous indignities he has suffered at the hands of his American employers, is ready to make the world pay. Part of the Storycuts series, this short story was previously published in the collection *If You Liked School, You'll Love Work*.
The DOGS of Lincoln Park (Storycuts) - Irvine

Welsh 2011-11-17

Three young women - competitive, bitchy and moneyed - have lunch together at their favourite Korean restaurant every Friday. When the friendly chef from the restaurant moves into the same building as one of the girls, she strikes up a friendship with him. But the disappearance of her dog sparks suspicion of the Korean chef's motives, and his culinary ambitions. Part of the Storycuts series, this short story was previously published in the collection *If You Liked School, You'll Love Work*.

Never Let Me Go - Kazuo Ishiguro 2009-01-08

****OVER 1 MILLION COPIES SOLD****

SHORTLISTED FOR THE BOOKER PRIZE

'Brilliantly executed.' MARGARET ATWOOD 'A

page-turner and a heartbreaker.' TIME
'Masterly.' SUNDAY TIMES One of the most
acclaimed novels of the 21st Century, from the
Nobel Prize-winning author Kazuo Ishiguro
imagines the lives of a group of students
growing up in a darkly skewed version of
contemporary England. Narrated by Kathy, now
thirty-one, *Never Let Me Go* dramatises her
attempts to come to terms with her childhood at
the seemingly idyllic Hailsham School and with
the fate that has always awaited her and her
closest friends in the wider world. A story of
love, friendship and memory, *Never Let Me Go* is
charged throughout with a sense of the fragility
of life. 'Exquisite.' GUARDIAN 'A feat of
imaginative sympathy.' NEW YORK TIMES What
readers are saying: 'A book I will return to again
and again, and one that keeps me thinking even
after finishing it.' 'I loved it, every single word of
it.' 'It took me wholly by surprise.' 'Utterly
beautiful.' 'Essentially perfect.'
Miss Arizona (Storycuts) - Irvine Welsh

2011-11-17
Raymond Wilson Butler, a director and writer
down on his luck, is struggling to write a
biography of his hero, the late filmmaker
Halliday. He conducts a series of interviews with
his widow Yolanda, an overweight woman living
alone in the desert in Arizona with a penchant
for taxidermy. Raymond knows she is an
eccentric but nothing can prepare him for
Yolanda's revelation of the true story of the life
and death of her late husband. Part of the
Storycuts series, this short story was previously
published in the collection *If You Liked School,
You'll Love Work*.

You'll Be the Death of Me - Karen M. McManus
2021-12-02
From the international bestselling author of *One
of Us Is Lying* comes a brand-new addictive
thriller. Ivy, Mateo and Cal used to be close -
best friends back in middle school. Now all they
have in common is a bad day. So for old time's
sake they skip school together - one last time.

But when the trio spot Brian 'Boney' Mahoney ditching class too, they follow him - right into a murder scene. They all have a connection to the victim. And they're ALL hiding something. When their day of freedom turns deadly, it's only a matter of time before the truth comes out . . . It's Ferris Bueller's Day Off with murder, perfect for fans of One Of Us Is Lying and A Good Girl's Guide To Murder. This explosive new thriller is impossible to put down.

The Acid House - Irvine Welsh 2008-12-26
The characters in this extraordinary book are often - on the surface - depraved, vicious, cowardly and manipulative, but their essential humanity is never undermined. Two professors of philosophy turn pugilists; Leith removal men become the objects of desire for Hollywood goddesses; God turns Boab Coyle into a house-fly; and in the novella, 'A Smart Cunt', the drug-addled young hero spins off on a collision course with his past. The Acid House is a bizarre, disturbing and hilarious collection from one of

the most uncompromising and original writers around.

Skagboys - Irvine Welsh 2012-04-19
*Number #1 Bestseller** BEFORE TRAINSPOTTING CAME SKAGBOYS Mark Renton has it all: he's good-looking, young, with a pretty girlfriend and a bright future. But there's no room for him in the 1980s and when his family starts to fracture, Mark's life swings out of control. The way out is heroin. It's no better for his friends - Spud Murphy is laid off from his job, Tommy Lawrence finds himself sucked into a life of petty crime, violence and the world of the psychotic Franco Begbie. Only Sick Boy seems to ride the current, scamming and hustling his way through it all. Exhilarating and moving, Skagboys charts their journey from likely lads to young addicts in a decade which changed Britain forever. 'Masterful... its banter, outrage and razor wit sing off the page' Independent 'Funny...visceral and true... Welsh's finest work to date' The Times

**If You Liked School, You'll Love Work...
(Storycuts)** - Irvine Welsh 2011-11-17

Mickey Baker, an ex-pat English bar owner living in Spain, returns to England to see his daughter and mother but must face the wrath of his ex-wife, a woman who pulls no punches. Part of the Storycuts series, this short story was previously published in the collection *If You Liked School, You'll Love Work*.

Kingdom of Fife (Storycuts) - Irvine Welsh 2011-11-17

Will Jason King ever charm the young rider Jenni Cahill and gain long-anticipated access to her jodhpurs? Part of the Storycuts series, this story was previously published in the collection *If You Liked School, You'll Love Work*.

Catherine House - Elisabeth Thomas 2020-05-12

'A delicious, diverse, genre-bending gothic, as smart as it is spooky' Chloe Benjamin During your three years at Catherine House you will have no contact with those in the outside world.

Each of our students has been selected as someone who belongs here. You will give to Catherine and Catherine will give to you. We will not let each other down. Catherine House is a university like no other. Into its celebrated world steps Ines, a young woman who welcomes the school's isolation rather than its illustrious past. As the gates close and Ines finds herself start to be inevitably seduced by its magnetic power, she begins to realise the question isn't why she chose to come to Catherine House; but why Catherine House chose her. 'A brilliantly observed tale brimming with subtle malevolence' Irenosen Okojie 'Echoes of The Secret History and Never Let Me Go' Daily Mail 'Moody and evocative as a fever dream, CATHERINE HOUSE is the sort of book that wraps itself around your brain, drawing you closer with each hypnotic step' Washington Post

master of the shorter form, a brilliant storyteller and, unarguably, one of the funniest and filthiest writers alive. In Rattlesnakes, when three young Americans find themselves lost in the desert, how is it that one find himself performing fallatio on another while being watched by the bare-breasted Madeline and two armed Mexicans?

Who is the mysterious Korean chef who has moved in with Chicago socialite Kendra Cross, in The D.O.G.S. of Lincoln Park, and what does he have to do with the disappearance of her faithful pooch, Toto? In the title story, can Mickey Baker, an English bar-owner on the Costa Brava, manage to keep all his balls in the air:

maintaining his barmaid Teresa's body weight at the sexual maximum while attending to the youthful Persephone, and dodging his persistent ex-wife and a pair of Spanish gangsters? In Miss Arizona, Raymond Wilson Butler is writing a biography of a legendary U.S. movie director. By what train of events does he end up as a piece of movie memorabilia? And how, in The Kingdom of

Fife, will Jason King -- diminutive ex-trainee jockey and Subbuteo star of Cowdenbeath -- fare in the world of middle-class female equestrians? [Translating authenticity in Irvine Welsh's "If you liked school, you'll love work"](#) - Marion Guillemant 2009

Marabou Stork Nightmares - Irvine Welsh
2009-01-01

Roy Strang is engaged in a strange quest in a surrealist South Africa. His mission is to eradicate an evil predator-scavenger bird, the marabou stork, before it drives away the peace-loving flamingo from the picturesque Lake Torto. But behind this world lies another: the world of Roy's bizarre family, the Scottish housing scheme in which he grew up, his mundane job, a disastrous emigration to Africa, and his youthful life of brutality with a gang of soccer casuals. As one world crashes into the other, this potentially charming story of ornithological goodwill mutates into a filthy tale of violence, abuse and

Glue - Irvine Welsh 2008-12-16

'Welsh is at the top of his game' The Face 'His most readable and memorable novel since Trainspotting' Independent on Sunday Glue is the story of four boys growing up in the Edinburgh schemes, and about the loyalties, the experiences and the secrets that hold them together into their thirties. As we follow their lives from the 70s into the new century - from punk to techno, from speed to Es - we can see each of them trying to struggle out from under the weight of the conditioning of class and culture, peer pressure and their parents' hopes that maybe their sons will do better than they did. What binds the four of them is the friendship formed by the scheme, their school, and their ambition to escape from both; their loyalty fused in street morality: back up your

mates, don't hit women and, most importantly, never grass - on anyone. 'His most complete and engaging work to date... arguably, his best book' TLS 'A coming-of-age story carved out with a broken bottle' Elle

Ecstasy - Irvine Welsh 2012

A best-selling authoress of Regency romances suffers a paralyzing stroke and plots revenge on her unfaithful husband; a soccer thug and his love go in search of the man who marketed the drug that crippled her in order to cripple him; Lloyd and Heather explore the true nature of house music and chemical romance in the grim backstreets of Edinburgh."

Corruption Sexism Racism Law Enforcement

And a tapeworm

What I Like About You - Marisa Kanter

2020-04-07

Can a love triangle have only two people in it?

*Downloaded from
legacy.opendemocracy.net on 2019-10-27
by guest*

Online, it can...but in the real world, its more complicated. In this debut novel that's perfect for fans of Jenny Han and Morgan Matson, Marisa Kanter hilariously and poignantly explores what happens when internet friends turn into IRL crushes. Is it still a love triangle if there are only two people in it? There are a million things that Halle Levitt likes about her online best friend, Nash. He's an incredibly talented graphic novelist. He loves books almost as much as she does. And she never has to deal with the awkwardness of seeing him in real life. They can talk about anything... Except who she really is. Because online, Halle isn't Halle—she's Kels, the enigmatically cool creator of One True Pastry, a YA book blog that pairs epic custom cupcakes with covers and reviews. Kels has everything Halle doesn't: friends, a growing platform, tons of confidence, and Nash. That is, until Halle arrives to spend senior year in Gramps's small town and finds herself face-to-face with real, human, not-behind-a-screen

Nash. Nash, who is somehow everywhere she goes—in her classes, at the bakery, even at synagogue. Nash who has no idea she's actually Kels. If Halle tells him who she is, it will ruin the non-awkward magic of their digital friendship. Not telling him though, means it can never be anything more. Because while she starts to fall for Nash as Halle...he's in love with Kels.

As Far as You'll Take Me - Phil Stamper
2021-03-04

_____ 'A beautiful tribute to every queer kid who's ever had to leave their home in order to find one' - Leah Johnson, bestselling author of 'You Should See Me in a Crown'

_____ From the author of *The Gravity of Us* comes a heartfelt coming-of-age story about finding your chosen people. Perfect for fans of Becky Albertalli Marty arrives in London with nothing but his oboe and some savings from his summer job, but he's excited to start his new life--where he's no longer the closeted, shy kid who slips under the radar and is free to explore

Downloaded from
legacy.opendemocracy.net on 2019-10-27

his sexuality without his parents' disapproval. From the outside, Marty's life looks like a perfect fantasy: in the span of a few weeks, he's made new friends, he's getting closer with his first ever boyfriend, and he's even traveling around Europe. But Marty knows he can't keep up the facade. He hasn't spoken to his parents since he arrived, he's tearing through his meager savings, his homesickness and anxiety are getting worse and worse, and he hasn't even come close to landing the job of his dreams. Will Marty be able to find a place that feels like home?

Trainspotting - Irvine Welsh 2011

Irvine Welsh's controversial first novel, set on

the heroin-addicted fringe of working-class youth in Edinburgh, is yet another exploration of the dark side of Scottishness. The main character, Mark Renton, is at the center of a clique of nihilistic slacker junkies with no hopes and no possibilities, and only "mind-numbing and spirit-crushing" alternatives in the straight world they despise. This particular slice of humanity has nothing left but the blackest of humor and a sharpness of wit. American readers can use the glossary in the back to translate the slang and dialect--essential, since the dialogue makes the book. This is a bleak vision sung as musical comedy. Amazon.
