I Am a Girl from Africa - Elizabeth Nyamayaro 2022-02-22

"When severe draught hit her village in Zimbabwe, Elizabeth, then eight, had no idea that this moment of utter devastation would come to define her life purpose. Unable to move from hunger, she encountered a United Nations aid worker who gave her a bowl of warm porridge and saved her life. This transformative moment inspired Elizabeth to become a humanitarian, and she vowed to dedicate her life to giving back to her community, her continent, and the world. Grounded by the African concept of ubuntu--"I am because we are"--I Am a Girl from Africa charts Elizabeth's quest in pursuit of her dream from the small village of Goromonzi to Harare, London, New York, and beyond, where she eventually became a Senior Advisor at the United Nations and launched HeForShe, one of the world's largest global solidarity movements for gender equality. For over two decades, Elizabeth has been instrumental in creating change in communities all around the world; uplifting the lives of others, just as her life was once uplifted. The memoir brings to vivid life one extraordinary woman's story of persevering through incredible odds and finding her true calling--while delivering an important message of hope and empowerment in a time when we need it most"--

The Heart of the Race - Beverley Bryan

2018-08-14

A powerful document of the day-to-day realities of Black women in Britain *The Heart of the Race* is a powerful corrective to a version of Britain's history from which black women have long been excluded. It reclaims and records black women's place in that history, documenting their day-to-day struggles, their experiences of education, work and health care, and the personal and political struggles they have waged to preserve a sense of identity and community. First published in 1985 and winner of the Martin Luther King Memorial Prize that year, *The Heart of the Race* is a testimony to the collective experience of black women in Britain, and their relationship to the British state throughout its long history of slavery, empire and colonialism. This new edition includes a foreword by Lola Okolosie and an interview with the authors, chaired by Heidi Safia Mirza, focusing on the impact of their book since publication and its continuing relevance today

Because I am a Girl - Deborah Moggach

2010-02-23

Because I am a girl I am less likely to go to school Because I am a girl I am more likely to suffer from malnutrition Because I am a girl I am more likely to suffer violence in the home Because I am a girl I am more likely to marry and start a family before I reach my twenties. Eight authors have visited eight different countries and spoken to young women and girls about their lives, struggles and hopes. The result is an extraordinary collection of writings about prejudice, abuse, and neglect, but also about courage, resilience and changing attitudes. Proceeds from sales of this book will go to PLAN, one of the world's largest child-centered community development organisations.

Tapping the Little Girl in Your Woman -

Ryan Hale 2016-10-26

Something has do be done. Too many relationships are ending in divorce and heartache. I blame the men. I blame you. Don't get mad too at me just yet, let me explain my reasoning. Men have misplaced authority over their girl(s). They no longer dominate and take the reigns. They let the girl tell them what to do, feminizing them. Most people reading this know I'm 100% right, but people reading this will still

get their feeling hurt and want to immediately criticize me for this argument. Many of you reading this book intro will be secretly condemning me to hell. Others will be upset with me for telling it like it is. Come up with whatever excuse you want, women are hardwired to submit and do as they're told. They are hardwired to be little girls. Here's my peace on this matter: The cause of a woman's unhappiness is the fact that they have been socially conditioned to believe that they have power, can manage independently, etc. etc. etc. A woman who knows her place, who obeys her man, who accepts him as her dominant - the girl is always happy and contented with being a submissive little girl. On the other hand - a woman who attacks men aggressively, spouts off all this equality crap, and who refuses to submit is ALWAYS unhappy, depressed, and miserable. If you happen to be a girl reading this, I hope this helps you better understand your problems. I am a man. I dominate. It's what I'm hardwired to do. I make no apologies for it. I am who God made me. I am a man. If you want to buy into the lie that men and women are equal, God forgive you. I am here to tell you that the solution or answer to most, probably all, of your relationship issues is your unwillingness to accept this truth. If you are ready to accept this truth, this book will help you with what to do next. You see, you must learn how to train your woman to be a little girl. This isn't hard, once you know what to do. This book will provide you sound practical advice and how-to so you can transform your relationship (and/or future relationships) with girls in the future. It takes a while to regress a girl back to childhood. I tell you this so you do not give up on your quest to change her back to her normal state, the state God intended her to be. Mainly what you are doing is un-doing the harm that social conditioning has brought on her since her interactions with other feminists, educators, television, internet, etc. We call this process re-education. Your girl must be re-educated if she's to find her happy place once more. I wish you luck. You'll need it. It took me awhile, I won't lie. The journey may not seem rewarding now, but reflecting back I can tell you it was some of the happiest moments in my life - training her to obey and be a little girl. The men I have taught this knowledge to have seen the dawning of a

new erra in their relationships and lives. There have been incredible breakthroughs and transformation. Let me walk you down this path. Let me help you. Let's get started. The sooner we do, the sooner you'll fall in love with the little girl that is hidden in your woman. Let's free that little girl and let her know it's okay to emerge and be excepted. Your little girl will love you so much for taking the time to put her in her place and discipline her well. Let's begin. Grab Your Copy Now

Why I Am Not a Feminist - Jessa Crispin 2017-02-21

Outspoken critic Jessa Crispin delivers a searing rejection of contemporary feminism . . . and a bracing manifesto for revolution. Are you a feminist? Do you believe women are human

beings and that they deserve to be treated as such? That women deserve all the same rights and liberties bestowed upon men? If so, then you are a feminist . . . or so the feminists keep insisting. But somewhere along the way, the movement for female liberation sacrificed meaning for acceptance, and left us with a banal, polite, ineffectual pose that barely challenges the status quo. In this bracing, fiercely intelligent manifesto, Jessa Crispin demands more. *Why I Am Not A Feminist* is a radical, fearless call for revolution. It accuses the feminist movement of obliviousness, irrelevance, and cowardice—and demands nothing less than the total dismantling of a system of oppression. Praise for Jessa Crispin, and The Dead Ladies Project "I'd follow Jessa Crispin to the ends of the earth." --Kathryn Davis, author of *Duplex* "Read with caution . . . Crispin is funny, sexy, self-lacerating, and politically attuned, with unique slants on literary criticism, travel writing, and female journeys. No one crosses genres, borders, and proprieties with more panache." --Laura Kipnis, author of *Men: Notes from an Ongoing Investigation* "Very, very funny. . . . The whole book is packed with delightfully offbeat prose . . . as raw as it is sophisticated, as quirky as it is intense." --The Chicago Tribune
