Home Ice - Aven Ellis 2023-11-11

of wrong, right? Organized, rule-loving, and cautious to a fault, Kylie Reed is waiting for the perfect moment to live her dreams—when she has a house, when she meets her husband, when she has been at her visual display job at a chic boutique a little while longer. All of her dreams are saved for later—as that seems to be a safer place than taking a risk to actually live them. Yet Kylie finds all her rules bending when she falls into the lap of gorgeous Harrison Flynn, captain of the Dallas Demons hockey team. Harrison harbors his own fears for the future, ones he keeps close to the vest. He’s intrigued with the brown-eyed beauty who proceeds with caution, while she’s drawn to the sexy man who pushes boundaries and functions in chaos. The phrase opposites attract has never been truer as the chemistry between them is anything but polar from the second they meet... While the attraction is hot, is that enough to make a relationship work? Can they face their fears for a future they both want? Will this relationship end

before puck drop? Or will they find home ice together? If you like swoony heroes, hilarious heroines, and a couple you can cheer for, you’ll want to escape into Home Ice. Can be read as a standalone and a happily ever after is guaranteed.

the following:* Insight into what she is thinking and why this is so hard for her to get over* Practical advice so you know exactly what to do at this important stage* Actual scripts so you know what to say in response to very specific situations* Clear explanations as to why certain words and actions you think will be helpful might be making this worse* Two self-administered quizzes to help you determine why you cheated so that you can get a better understanding of what triggered your affair. Included at the appropriate points are scripts of what to say and why you need to say those words at that time. Do not just memorize these words and parrot them back to your wife. You have already lost her trust; if you start using words you don't normally use, you'll sound like you're faking it. You will want to translate the scripts into your own natural wording, using the meaning of each script as a launching pad for productive, healing dialogue with your wife. Also, other these other questions are answered:* She

doesn't know. I feel guilty. Should I tell her the truth?* We aren't married yet? How does that impact recovering from the affair?* I didn't have a physical relationship with my Affair Partner, why is my wife so upset?* What is an Emotional Affair?

the characteristic that is at the heart of all relationships: Trust. Dr. Gottman has developed a formula that precisely calculates any couple's loyalty level. The results determine a relationship's likely future, including the potential for one or both partners to stray. A Love You Can Trust shows couples how to bolster their trust level and avoid what Dr. Gottman calls the "Roach Motel for Lovers." He describes how the outcome of--"sliding door

moments," small pivotal points between a couple, can lead either to more emotional connection or to discontent. He suggests a new approach to handling adultery and reveals the varied and unexpected non-sexual ways that couples often betray each other. A Love You Can Trust guides couples through an empirically tested, trust-building program that will let them repair and maintain a long-term, intimate, and romantic relationship"--
