Passionate Soccer Love - Tanya H. Keith 2014-05-07

Passionate Soccer Love: A Memoir of 20 Years Supporting US Soccer chronicles the travels of Tanya Keith through seven World Cups and beyond. Her stories are funny, entertaining, and will enthrall readers with her perseverance, passion, and dreams. Experience the history and camaraderie of American Soccer supporter culture as you get to know her soccer family. Through tales of soccer adventure, Ms. Keith shows how her contagious passion has paved the way for her dreams to become reality and how following your passion can bring balance between love and life, business and family. Praise for *Passionate Soccer Love*: Tanya Keith has been traveling to U.S. soccer games since 1993, including seven World Cups, and her highly readable book is a revealing (and fun) window into the adventurous life of a hardcore U.S. fan and her family. The growth of U.S. supporter culture is one of the great stories in American sports, and Keith has been there to see it all. I couldn't put this book down. —Grant Wahl, *Sports Illustrated* - Senior Writer, Fox Sports Television, SiriusXM FC Channel 94 Tanya Keith is someone who lives out and embodies each of the words in the title of her book, *Passionate Soccer Love*—individually and collectively. With humor and grace, she weaves entertaining and heartfelt stories of her two families, the one with her husband and children, and the other her soccer family, which, like her support for the U.S. men's national team, has no bounds. If, like her, you've fallen so hard and so deep for soccer, and appreciate the struggles and joys of family—on the field and off—you'll see yourself in the pages of her book. *Passionate Soccer Love* is a highly worthy and recommended addition to the bookshelf of any soccer fan. —Jimmy LaRoue, *The Daily Advance*

Love Has No Limits - Tanya Hayes 2009

Tania Hayes was only 22 when her fiancé, Warren, was diagnosed with a dangerous brain tumour. Their world crashed down into a morass of uncertainty. Together, they faced an agonising series of medical battles, mishaps and close calls. Yet despite the pessimistic outlook, Warren clung to life, encouraged by Tania's love and devotion. Courageously, she took on the enormous responsibility of becoming his full-time carer, urging him back to recovery. The road was long and arduous, but now, they have rebuilt their lives, and they have a beautiful baby son, Josh. This remarkable story is Tania's account of the 447 days that Warren spent in hospital, their adversities and their triumphs. It's much more than a tale of high medical drama; it's a touching narrative of the value of hope, determination, true love and sheer grit.

Yvonne Finn, *Your Relationship Whisperer* "I sat with my father during his last days on earth, and just picking up your book and reading your inspiring, uplifting writing helped me with the journey we both had to go through." Austin Freedman, *Psychotherapist, Life Coach* From the Publishers: Do you want to make better decisions and improve your life? Do you want to grow closer with your children, gain a stronger and more loving relationship with your spouse or other loved ones? Do you feel there is more for you to explore in this life and you don't know where or how to start? You will find many solutions in this book. This is the SECOND EDITION with even more photographs and additional stories. It is a quick read, and has already helped many people who have read it. This treasure of a book will change your perspective on life, help you gain clarity and bring more joy into it. Tom Herstad shares his deepest feelings about his childhood, adolescence, his family, and his lessons learned. With astute humor Tom humbly and lovingly shares how much his wonderful spiritual mother, Margie, has impacted him and his life. His uplifting, warm and easy-to-read writing style invites you to look deeper inside yourself, and at the world and people around you. From the Back Cover: Despite her childhood hardships, then losing the love of her life and becoming a young widow with four children, the beautiful, vivacious Margie dedicated her life to loving, caring and sharing her wisdom. Margie opened her heart and her home to help those who needed her loving guidance. With unswerving devotion to her family and friends, she transformed lives and inspired joy and hope in everyone through her

generosity, sense of fun, and unfailing faith. The many recollections within this uplifting tribute to a unique, sweet soul, portray Margie's loving legacy. Love, Care and Share will inspire you to find what is most important to you. You will discover your own truth, and how everyone, everywhere, every day has opportunities to make a positive difference. Margie always said, "We are the hands and fingers of God, but we have to use them." Praise for LOVE, CARE AND SHARE I started reading Love, Care and Share just after 7pm and it's now 9:20pm. I was deeply drawn into it and it was like being with Margie again, only through your eyes and words. For these past few hours she "Lived" again. Thank you for that. The raw emotion expressed comes through vividly, about a Son's Love for his Mother bringing her life into meaningful events and wanting her to be remembered as someone many of us Loved. I have often said to others that we go through life never really seeing others and ourselves but for our outer shells/bodies, instead of seeing the real entity that we are; which is the Soul. Margie saw the Soul and therefore was able to love as she did. - Chris Price I can't tell you how much I enjoyed reading about your Mom in Love, Care and Share. It was amazing and the stories just made me sorry I didn't know her myself. She must have had the biggest, kindest heart. Her willingness to give her time and her home and anything else which was needed made her very special indeed. You must miss her terribly. Your writing was lovely and by the end, I felt as though I knew all of you in a way I hadn't before. Thank you for sharing it with me my friend. - Love, Sherry

'This is not a love story I ever wanted to tell, because I hoped it would just go on and on, and never end. I thought that we'd grow old together. I never wanted it to be a tale. But here I am, a middle-aged man sitting at the kitchen table as the California light fades, thinking about the coming night and how to get through it. Trying to explain to someone - to anyone - what it was like to live through something extraordinary: an amazing three decades that happened to me. Three decades that are now over.' From the darkest hours to the happiest moments, and everything in between, it is tender and heart-breaking, deeply honest but also full of humour and hope. Written to honour Tanya's life, *Lost Without You* is a beautiful and brave story of love and loss. Nothing will take away the pain of Tanya's death, but if in sharing his experiences Vinnie can inspire others in the depths of the unspeakable to find the help they need, then he will have succeeded in the keeping her kind, caring and selfless spirit alive.

A Real Emotional Girl - Tanya Chernov 2012-09-01

A Real Emotional Girl tells the true story of young Tanya, growing up in the wonderland of her family's summer camp. At sixteen, this idyllic life is interrupted when she must face her father's sudden illness. Tanya, her mother, and two brothers find themselves cramped in a tiny cabin in a tiny town in northern Wisconsin in the dead of winter. There they wait for her father to die of cancer. Separated from friends and civilization, Tanya has only her fears and uncertainty for company. At the age of twenty, Tanya loses a man who was not only her father but a surrogate father to thousands. Richard Chernov was a man who shared himself, humor and all, with just about everyone who would let him. And with this same unflinching commitment and passion, Tanya shares her struggles and the blessings she finds in them. Her memoir is a complex amalgam of human strength and fragility, which creates an inimitable coming-of-age story. This is a story of family and pain, of survival and growing up, and ultimately of love. For anyone who has ever experienced loss, *A Real Emotional Girl* offers a glimpse, provocative in its raw honesty, into the nature of grief and the positive transformation that can follow.

Jacques - Tanya Ravenswater 2015-12-15

For fans of *Boyhood*, *Jacques* is Tanya Ravenswater's beautiful and touching coming-of-age novel of what makes an ordinary life extraordinary. This is the story of Jacques Lafitte, a young French boy who is orphaned and torn away from everything he knows. Forced to move to England to live with his guardian - the pompous and distant Oliver - Jacques finds himself in a strange country, and a strange world. As years pass Jacques becomes part of the Clark family. But then his feelings for Oliver's daughter Rebecca begin to surpass mere sibling affection. A development that has the power to bring them together, or tear the family apart . . . A story of loss, longing, falling in love and finding a place to call home. And, most importantly, of the power of the relationships that help us along the way.

Crimwife - Tanya Levin 2012-09-26

"It's so sad," she told me, "because you could have been something. You could have gotten to the top. You're smart enough. But now you're going to end up as just another dirty, scummy, rotten crimwife." How far would you go for love? Some women commit crimes to help their lovers, while others spend years on the run. Tanya Levin gave up her career as a prison social worker to pursue romance with an inmate. From her first day over on the visitors' side of the fence, she became a crimwife. Some women make the leap in the chaos of their loved one's arrest; others, like

Levin, choose a relationship knowing the stakes. *Crimwife* is a glimpse inside a secret and brutal world, where convicted men live by unwritten codes and expect their women to do the same. In her five years as a crimwife, Levin met women of all ages and backgrounds who lived behind invisible bars, stuck in the house awaiting daily six-minute phone calls. She became curious about their different paths. How did they fall for a bad boy? How did they cope with their partner locked up? What made them stay - or finally walk away? In *Crimwife*, she tells their stories, and her own, with the honesty, black humour and insight that can only come from experience. Longlisted, 2013 Davitt Awards.

'*Crimwife* by Tanya Levin is an intelligently candid, hair-raising personal account of loving a jailed criminal. The feminine abjectness Levin analyses, in her own experience and that of women she interviews, is more recognisable than one can comfortably admit.' —Helen Garner 'In this rueful, edgy and clear-eyed tale, being a crimwife is not a matter of choice. It's a twist of fate.' —The Age 'Riveting' —Noosa Today
