Counterfeit Gods Timothy Keller 2010-09-16 The issue of idolatry has been with the human race for thousands of years; the subtle temptation is always to take what is good and turn it into the ultimate good, elevating it above all other things in the search for security and meaning. In this timely and challenging book, New York pastor Timothy Keller looks at the issue of idolatry throughout the Bible -- from the worship of actual idols in the Old Testament, to the idolatry of money by the rich young ruler when he was challenged by Jesus to give up all his wealth. Using classic stories from the Bible Keller cuts through our dependence on the glittering false idols of money, sex and power to uncover the path towards trust in the real ultimate - God. Today's idols may look different from those of the Old Testament, but Keller argues that they are no less damaging. Culturally transforming as well as biblically based, COUNTERFEIT GODS is a powerful look at the temptation to worship what can only disappoint, and is a vital message in today's current climate of financial and social difficulty.

The Dragon Master Creatrix Alison J. Kay 2021-01-21 This book takes you on a fun journey of a woman's path to power. In this story a woman travels internationally to a retreat to be trained in energy medicine. While embarked on her journey she is taken to sacred sites and stone circles and learns how to work with them all, as well as dragons, to help the earth and humanity. Particularly unique is that it is a female spiritual teacher transmitting the secrets of the ancient power mysteries. Specifically geared towards women looking to attain their fullest potential, learning to live in the possibilities rather than problem solving and being restricted to task lists. Topics such as: love, money, sex, body image, collaborating instead of competing, relationship harmony, protection, dealing with bullies, fashion, intuition, anxiety, and so much more are heartily explored within. Humor also occurs unexpectedly amidst these more serious issues. Within the covers you will also discover teachings for men. They are often in attendance at these retreats. This is a handbook for anyone looking to not only navigate living in today's changing world, but to develop a new perspective on the changes, and learn how best to embrace the new opportunities.

The Works of the Enemy(satan and His Demonic Forces) Robert Antwi 2015-03-12 Satan and his forces are waging a war against humanity, but the sad thing is, many Christians are not aware of the extent of this warfare. This a spiritual warfare, and the Bible teaches a lot about the works of the enemy and the spiritual warfare, so I decided to write on this topic to bring light to what Satan and his forces are doing in this world. The works of the enemy, what Satan and his demonic forces are doing, are well outlined in this book, and I have backed every work of the enemy with the Word of God. Satan and his forces are working twenty-four hours a day, seven days a week, four weeks a month, and twelve months a year. They work all the year, without any vacation. The major work of the enemy is to get Christians to sin against God and to diminish their faith in God. In the world, Satan is using money, sex, and power to keep many people from knowing God through his Son, Jesus Christ. Money is the root of all evil, so many evil and untold hardship come to fruitful in the name of money. Satan and his forces are working in all the four corners around the world to keep people away from knowing God. One may be praying on a topic for a long time without any answer, then, the enemy will tell you that your God cannot

answer your prayers, and if you listen to the enemy, then your faith in God will diminish. Whatever God hates is what Satan loves; for example, God says, "I hate divorce," and Satan will say, "I love divorce." Satan may keep you not only in poverty but in debt. Satan may take away your health, which may come along with sadness and depression. Satan is crafty and cunning, so we may only attack him in the name, which is above any other name in heaven or on earth or under the earth, which is Jesus Christ. As you read on, you are going to see how the enemy is fighting the spiritual warfare with his demonic forces. The Bible tells us how Christians will be able to wage this spiritual warfare against Satan and his forces. Looking at Ephesians 6:12-17, "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; And your feet shod with the preparation of the gospel of peace; And above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked. And take the helmet of salvation, and the sword of the Spirit, which is the word of God." Christians are to put on the armor of truth, righteousness, the gospel of peace, faith, helmet of salvation, and the Word of God in order to wage the spiritual warfare against Satan and his forces. This will be more explained as you read on. It is my prayer that you will be able to know more about the works of the enemy and be able to pray effectively to destroy the works of the enemy in your life and the world around you.

Spiritual Theory of Everything Thomas Vazhakunnathu 2020-11-17 Yes, an abundant and blissful life is possible!!! Most people are continuously struggling to attain peace and happiness by doing so many things, believing that more money, possessions, sex, indulgence, or recognition can take them there. Alas, they fail and they realize that deeply, sooner or later. External pursuits, success, and attainments can bring in temporary pleasure which is essentially transient in nature and fades away soon, giving way to more craving, more unfulfillment, and more hunger. A great master once said, 'you shall know the truth and the truth shall set you free'. 'Spiritual Theory of Everything' is the crystallization of my decades of ongoing conscious journey to find answers to the fundamental questions of life from a spiritual and scientific perspective in a non-dualistic and holistic way. If you have the quest for answers to the fundamental questions that every seeking, evolving person has, then this book is for you. This book explains the nature and mechanism of life that include the fundamental truths about the Creator, the processes of creation and evolution, the spirit-mind-body connection, the constitution of our inner being, the present evolutionary stage of human beings in a Cosmic reference frame, and also how to live in harmony with Nature. It also contains topics like the fundamental particle, soul, mind, spirit, chakras, cosmic laws, densities or dimensions, spiritual development, reincarnation, karma, natural living, planetary changes etc. It further explains how much conscious evolution you can achieve by understanding your true inner mechanism of life that include the fundamental truths about the Creator, the processes of creation and evolution, the spirit-mind-body connection, the constitution of our inner being, the present evolutionary stage of human beings in a Cosmic reference frame, and also how to live in harmony with Nature. It also contains topics like the fundamental particle, soul, mind, spirit, chakras, cosmic laws, densities or dimensions, spiritual development, reincarnation, karma, natural living, planetary changes etc. It further explains how much conscious evolution you can achieve by understanding your true inner nature and aligning yourself with the nature and purpose of life. It also shows that we live in an orderly and purposeful Universe which is multidimensional and when we learn to live in harmony with it we can live an abundant life. We are the cause and the conditions of our life are only the effects. When we change inwardly, the external world (our circumstances) has to change so as to be in alignment with our inner vibrations. Can we explain everything by science alone? This book takes a position wherein both science and spirituality need to be in synthesis and harmony, mutually supporting each other, in the quest for Truth. It will help you realize who you truly are and your place

and purpose in the universe. This realization will challenge, inspire and expand your consciousness and help you consciously connect with the universal power and presence within and without. In fact, life is no more a puzzle once we unravel its true nature and mechanism. By the time you reach the last chapter, your perspective about life will shift drastically and you will experience a newfound freedom, as if some burden has been lifted off your shoulders, as if some unknown darkness has been dispelled. It will leave you much more equipped to handle life without losing traction and experience a sense of wholesomeness and new found purpose. This book is intended for all seekers of truth, whether scientific, spiritual or holistic and a must-read for all who want to help themselves and others to live a healthy, happy, peaceful and purposeful life, now and forever. Perils of Power Richard Exley 1988 In Perils of Power, Richard Exley takes an in-depth look at immorality in the ministry. It's a complex issue involving the minister's relationship with money, sex and power. There are many factors at work including the minister's self-image and sexual identity, his life-style, his marital relationship, the way he views power and even how he conducts his ministry. Immorality is seldom just a "sexual sin" and while it is definitely a spiritual problem, it is more than just a "spiritual problem." Perils of Power looks beneath the obvious sins of highly visible ministers in an attempt to understand interpersonal dynamics of moral failure among those who recognize it is a deadly sin. Dr. Exley offers scriptural insights and practical strategies for overcoming the temptations we all face. Can immorality in the ministry be prevented? The most honest answer is no; that is, not completely. But rethinking the way we train people for ministry can significantly reduce the casualties.

Secrets to Sexual Energy Transmutation Arun Mathews 2020-02-06 TAKE A POSITIVE STEP! MAKE YOUR LIFE COUNT! IT STARTS HERE! It's been 15 years since the 'Spiritual Bug' bit me! The symptoms was noticed only a couple of years back. I know firsthand from my personal experience that if we can control our sexual energy using nothing but will-power, we can become masters of our faith. But it's not for the faint hearted! With determination, persistence and vision, you can do it! May the chapters and contents mentioned in this ebook guide and motivate each one of you to reach your highest potential during this gifted life-time. Desire for physical sexual contact is creative potency seeking expression or outlet. That same creative energy projecting as intense sexual desire can become Money energy, Intellectual, Political, Professional, Business, Sports or Spiritual energy or whatever type of energy you need at any point in time. Unfortunately, many men being unaware of this fact continue to dissipate their essence, and thus fail to avail themselves of that subtle but exceptional creative stimuli generated by their abundant sex drive; and this is one primary cause of mediocrity. Today I am writing this book because, all of us (most of all young aged people) are distracted with the misconception of strength of sex energy. Most of us feel shy to disclose this topic publicly. But for creating awareness in the young minds and bringing clarity about what is Sex Energy? What is true meaning of Sexual Transmutation? How can we stimulate our brains through sex energy? How can we switch sex energy into required positive energy? This book will surely help all those questions in simple terms! Young people with strong desires unexpressed, will have strong wars of emotions in their minds. Emotion is nothing but the "state of mind". Changing or switching the state of mind into high vibration of thoughts results in boosting creativity. Sex is Nature's primary modus for pro-creation. However, the creative power of sex goes beyond 'making babies'. Sex is much more than mere physical union between couples; it is an act of great responsibility that also has mental, emotional and spiritual implications. Sex is the creative energy of Life, and not just for making babies, but also for any other things you want to achieve or accomplish in life. It can empower you with great Health, endless Wealth, eternal Youth and creative Genius, if correctly indulged in. You can make a difference in your life today!

P. M. S. FACTOR (Power, Money and Sex) Tommy Twitty 2014-07-23 There are many books on relationships but none like this one. Each chapter takes you through situations involving relationships from beginning to end representing those that are ordained by God and those that are ungodly soul-ties. From chapter one to chapter eleven each page is filled with information that you may have never thought about in regards to godly relationships or relationships in general. It is intended for every reader to find themselves in one of these chapters, find the help that they may be

seeking or just make this a resource and a tool for changing the way you think, so you can change the way you live. You will be intrigued by the 4 love level connections. Love Level one being spiritual, but still not the most important. These connections determine how we all come together or are drawn together to develop relationships and before you can enter into any relationship how you should connect on all 4 levels. What will surprise many people that read this book and learn about the 4 love level connections is that having a spiritual connection is the least of all four connections. You will learn what the "5Ps" mean for a godly man and how Jesus dealt with the woman at the well through 5 levels of communication. In this book you will learn the difference between an ungodly soul-tie and a godly soul-tie along with how you can break an ungodly soul-tie. If that isn't enough you will discover what a sex trap is and how to avoid one in the one relationship that God planned for you. Many times people enter into new relationships never thinking that they have brought with them the feelings, emotions, memories and attachments of their previous relationships. These emotional attachments are called ungodly soul-ties and if you ever want to attempt to have a godly relationship with joy, peace and true happiness you're going to have to break these ungodly soul-ties. This book is a resource for all relationships and should be used to understand God's intention for man and woman. It is a resource to help build up relationships, not to beat anyone down. Reading this book will change your life and it will change the way you think, so you can change the way you live. So if you are thinking about dating, if you are in a relationship or if you are already married this book will bring new light to your relationship and the things in your life. It will cause you to re-think the way you see and feel about your current relationship as well as those in your past.

Living in the Light John Piper 2016-05-03 Shows us how valuing Christ as the blazing center of our lives enables us to rightly enjoy money, sex and power. Whether we're rich or poor, married or single, in a position of great influence or not—all of us face temptation in the areas of money, sex and power. They are the dangerous opportunities of our time—opportunities to destroy our own souls, or to experience the true joy of using them for God's glory. John Piper shows us that when we have the blazing glory of Christ at the centre of our spiritual solar system, the planets of money, sex and power find their true and beautiful orbits. This book is for every Christian and will help you to wake up to the all-satisfying glory of God, and discover what you were made for.

The Gift Women Give -A-Way and Men Buy Arthur B. McCotter 2019-05-01 And the Lord God caused a deep sleep to fall upon Adam and he slept—this records the first use of anesthesia—and he took one of the ribs and closed up the flesh. The word "rib" here actually means "side." The woman is not merely of a rib but actually of one side of man. When God created man, the word "form" was used, which is the same word used of a potter forming clay, but the word "build" here seems to mean God paid even more attention to the creation of woman. God made a formal presentation, in essence, performing the first wedding, thus he instituted the bonds of the marriage covenant, which is actually called the Covenant of God (Proverb 2:17). Indicating that God is the author of this sacred institution, this is the marriage model and was instituted by God—any other model, such as men marrying men and women marrying women, so called, can be constituted as none other than an abomination in the eyes of God. Marriage is honorable between a man and a woman. She is man's counterpart—not merely in feeling and sense, not merely for his gratification or his flesh but in solid qualities.

Conscious Nutrition Mike Radice 2021-03-16 This book is about the cross-section of eating, self-care, and spiritual development and how one supports the other. Everyone hungers for something: spiritual growth, health, sex, power, money, connection, communication, love. We often hunger for more than one of those things at a time. Hunger for at least one drives us as a human species. This book focuses on the craving for food and how

that can help satisfy the hunger for spiritual connection, the ultimate goal being the hunger for nothing.

Meeting the Shadow on the Spiritual Path Connie Zweig 2023-05-23 A guide to rekindling spiritual inspiration after betrayal and disillusionment • Explains why we are drawn to charismatic leaders, what we unconsciously give away to them, and how to reclaim our inner spiritual authority • Explores how to recover from spiritual abuse or betrayal by a teacher or group, including breaking free of denial, projection, and dependency using psychology and shadow-work • Extends #MeToo into the spiritual domain and tells the stories of contemporary clergy and spiritual leaders who acted out their shadows in destructive ways, leaving their followers traumatized and lost Within each of us is a spiritual longing that prompts us to unite with something greater than ourselves, to awaken to our unity with all of life. Yet, no matter the spiritual path we choose, we inevitably encounter our own shadow, those unconscious aspects of ourselves that we suppress or deny, or the shadows of our teachers and their secret desires about money, sex, and power. Meeting the shadow can derail the journey, but, according to Connie Zweig, Ph.D., we can learn to recover from loss of faith and move from spiritual naivete to spiritual maturity. Calling on us to expand our vision of religious and spiritual life—and our vision of awakening—to include the human shadow, Zweig examines the yearning that sets us on the spiritual path, showing how it can lead to ecstatic, transcendent experiences or to terrible suffering by projecting it onto an authoritarian teacher, priest, or guru who abuses power. She tells the stories of renowned teachers—Sufi poet Rumi, Hindu master Ramakrishna, and Christian saint Catherine of Siena—whose lives unfolded as they followed their spiritual yearning. And she tells the cautionary tales of contemporary teachers of Buddhism, Hinduism, and Catholicism, who acted out their shadows in devastating ways, leaving their followers traumatized and lost. She explains how meeting the shadow is a painful but inevitable stage on the path to a more mature spirituality. She describes how to use spiritual shadow-work to separate from abusive teachers, reclaim inner spiritual authority, and heal from betrayal. With guidance for both inspired and disillusioned seekers, the author explores how to navigate the narrow path through the darkness toward the light, rekindle the flame of longing, and once again engage in fulfilling spiritual practice.

The Challenge of the Disciplined Life Richard J. Foster 1989-08-30 *The Challenge of the Disciplined Life* explores the three great ethical themes crucial to people of faith living faithfully. Drawing upon practical examples, Richard J. Foster guides the reader in day-to-day ethical decision making while helping each of us determine "the proper place in Christian life of money, sex, and power."

King Solomon Philip Graham Ryken 2011-07-07 Though the world's wisest king, Solomon's heart was led astray by temptations of wealth, sex, and power. And we face the same dangers today, though the temptations may be different in degree and detail. Author Philip Ryken writes, "In witnessing Solomon's moral triumphs and sinful failures we learn how to live more wisely. By the grace of God, we may avoid a tragic downfall of our own and learn how to use money, sex, and power for the glory of God." Tracing Solomon's life from coronation to burial—and from godly devotion to self-serving excess—Ryken shows readers how to avoid similar downfalls and seek God's glory amid earthly temptations. These thirteen chapters are pastoral, rich in application, and biblically faithful. This overview of Solomon's life also includes a study guide, making it a great resource for both personal and group use.

Work, Sex, Money Chogyam Trungpa 2011-02-08 Each day we deal with the challenges of ordinary life: a series of mundane experiences that could be summarized by the title of this book, *Work, Sex, Money*. We all hope that these aspects of our life will be a source of fulfillment and pleasure, and they often are. Yet they are also always sources of problems for which we seek practical advice and solutions. The best prescription, according to Chögyam Trungpa, is a dose of reality and also a dose of respect for ourselves and our world. His profound teachings on work, sex, and money celebrate the sacredness of life and our ability to cope with its twists and turns with dignity, humor, and even joy. He begins by breaking down the barrier between the spiritual and the mundane, showing that work, sex, and money are just as much a part of our spiritual life as they are a part of our everyday existence. He then discusses these subjects in relation to ego and self-image, karma, mindfulness, and meditation. "Work" includes

general principles of mindfulness and awareness in how we conduct everyday life as well as discussion of ethics in business and the workplace. "Sex" is about relationships and communication as a whole. "Money" looks at how we view the economics of livelihood and money as "green energy" that affects our lives. The result is an inclusive vision of life, one that encompasses the biggest issues and the smallest details of every day. There are, in fact, few definitive answers in these pages. There is, however, authentic wisdom providing us with tools we need to work with the toughest stuff in our lives.

Sex and Money Paul Tripp 2013-04-23 Pleasure. We live in a world obsessed with finding it, passionate about enjoying it and desperate about maintaining it. Chief among such objects of affection are sex and money - two pleasures unequalled in their power to captivate our attention and demand our worship. Paul David Tripp pulls back the curtain on the lies of our flesh and the ways we distort God's good gifts, examining the insanity of our culture and exposing our tendency to fall prey to the hollow promises of this world. In exploring how God's grace frees us from futile pursuits, Tripp directs readers to the wisdom of God in Scripture and the liberating power of the gospel, offering practical guidance on finding true joy and lasting satisfaction. With his customary blend of honesty, humour, challenge and sound scriptural application, he offers wise and timely advice on how to break free. Don't make the mistake of seeking horizontally what you can only find vertically.

Times of Spiritual Dryness Joseph Musyimi Makato 2014-02 Intellectual turmoil and spiritual yearning for many years. What about dissenting for Holy Spirit? The divine power of God has given us freedom to choose Christ or the devil, but God's will remains absolute and always comes first. In God's divine providence, our prayers are answered while his will remains intact, but because of his constant love, he can release the grace to guide us in all matters. After researching and examining the reality of parents bringing up leadership, I wish to share cogent information that there is a critical mass of parents trapped in ignorance, lacking vision and loving leadership. Hence, the youth are reliant on parents who may be destroying and breaking their hearts. And yet, the parents' hearts are bleeding as the drugs, cheap beer, consumption, and carefree, mass-commercialized sex practices take the toll on youths' lives. There is a dire desperation, and the parents are turning in the drugs, commercial sex, and booking for money at whatever cost-even involving evil rituals, building partnership with the fallen angels, and baying for blood to meet the set targets. The problems are insurmountable, since everything is shrouded by secrecy and a husband can buy several cars for a wife who lives to flatter life but does not know what is in store for her. The evil prosperity is spreading very quickly as the brutal spirit of competition takes root, and this is fueled by the powerful

images of power, wealth, fame, love, and beauty found everywhere on the internet, in advertising, on TV shows, and in print and electronic media. Energy Speaks Lee Harris 2019-03-26 A powerful new voice providing clear and direct guidance for personal transformation Energy Speaks gives us a clear blueprint for growth and change. It provides practical guidance and inspiration on the things that matter most to us — including love, sex, money, personal power, self-expression and purpose, emotional healing and well-being, and how to have peace with our families — as well as more esoteric topics, such as how to invoke the help of our spirit guides and angels. This empowering book is the work of a great emerging spiritual teacher. It is filled with tools that you can use to break free of limitations and transform your life.

Disarming the Darkness Insight for Living Zondervan Publishing 1998-07 When it comes to spiritual warfare, some of us will walk blindfolded into a firefight while others of us blaze away at the drop of a leaf. Disarming the Darkness brings a balanced perspective to this important, often misunderstood facet of us Christian life. Calvin Miller shows how to avoid the pitfalls and fight evil in a way that is modeled on the Scriptures. Stories from the author's life and from the experiences of contemporary people offer vivid examples of our war against demonic forces, especially in three key areas: money, sex, and power. Disarming the Darkness is a scripturally sound guide to dealing with the powers of evil in whatever form we encounter them.

Discovering Our Spiritual Identity Trevor Hudson 2010-11-04 Each chapter in this workbook by Trevor Hudson is peppered with "holy experiments," simple practices that bring you into God's presence and help you experience life as his beloved. At the end of each chapter is a set of questions which are ideal for discussion with one or two spiritual friends or a small group. A Renovaré Resource.

Richard Foster Omnibus Richard J. Foster 1996-08-12 Three best-selling Foster classics in one volume.

Counterfeit Gods Timothy Keller 2011-10-04 New York Times bestselling author of The Prodigal Prophet and nationally renowned minister Timothy Keller exposes the error of making good things "ultimate" in this book, and shows readers a new path toward a hope that lasts. Success, true love, and the life you've always wanted. Many of us placed our faith in these things, believing they held the key to happiness, but with a sneaking suspicion they might not deliver. No wonder we feel lost, alone, disenchanted, and resentful. There is only one God who can wholly satisfy our cravings—and now is the perfect time to meet Him again, or for the first time. In Counterfeit Gods, Timothy Keller shows how a proper understanding of the Bible reveals the unvarnished truth about societal ideals and our own hearts. This powerful message cements Keller's reputation as a critical thinker and pastor, and comes at a crucial time—for both the faithful and the skeptical.
