**Dynamic Prayers, Changed Lives** - Kelly Ann Evers 2018-01-12

I want you to know abuse is never okay - EVER! And I promise you, God will NOT let the abuser get by with it. God's love for you is so deep and so intense, that the pain you experience, He experiences. When you cry, He cries. When you hurt, He hurts. He knows your pain and suffering is very real and very damaging. God has a lot to say about verbal, physical, mental, financial and sexual abuse. After reading this book you will know beyond a shadow of a doubt that God has a zero tolerance for abuse. In fact, over 1000 Scriptures talk about abuse. He wants you to know that regardless of what you've been told or shamed into believing, God does not condone abuse ever. And God Himself says it's not okay - ever! I know you will cherish the precious words of God as He reveals His heart to you throughout this book. As a result, readings and meditating on the Scriptures in this book, you will experience total freedom and lasting joy. And that freedom is the most wonderful thing you will ever experience - I promise! God sees your pain. There is not one tear shed that He doesn't see. Not one hurt or pain that doesn't

go unnoticed. Not one violent act that hasn't been recorded. God Himself says that He will wipe away every tear. He will not send someone to wipe your tears ... He will wipe away every tear Himself. He says that there will be no more mourning, no more sorrow and no more pain. He says He will make everything brand new. God is devastated by the abuse done to you. He is not only devastated by it, but feels the pain you've felt. There is a Greek word, "splanchnizomai" that is used in conjunction with the compassion of Jesus. Whenever Jesus was going to heal someone, this word is used. The best way to describe this word would be Jesus actually enters into the pain someone is suffering. His love is so deep that He actually experiences the same identical pain or emotion we feel. He was so deeply moved with compassion that their pain is His pain, and through that deep level of compassion He is able to heal. This is what Jesus is doing with you this very moment. As He sees your tears and witnesses the abuse done to you - it is equivalent to the abuser abusing Jesus. He feels your pain fully, and He is devastated by it. No one can ever really understand the pain we feel, even someone who has endured the same abuse - but the Almighty God does. He sees your hurts, your pain, the sorrow and He says, He is coming and He will take it away. Did you ever cry out to God begging, pleading, wishing He'd help, intervene? He promises that by no means will He let the guilty go unpunished. There is no wrong done by an unrepentant sinner that will be erased. Everyone who has wronged you, will be held accountable for all that has been done to you. This promise book has been created to introduce you to my God, the God of Justice and the God of Protection.

**"Silenced No More"** - Stormie Dunn

2013-12-18

When we were asked what we wanted to be or do when we grew up, none of us woke up and said, "Today, I have made the decision to be raped and have my dignity, self-worth, and pride ripped away. Tomorrow I will live in a constant, crippling fear and avoid sleep due to nightmares." Oh wait. They chase me even when I am awake. Post-traumatic stress disorder made me spiral out of control. I lost relationships, friendships, jobs, and my family due to the never-ending reaches of depression. I never wanted to drink or use drugs to numb the pain that would never go away. I never wanted to lose the place I once called home and roam the streets on my own. I never wanted the future to include pulling a trigger with shaking hands, swallowing pills, drinking and driving, or committing "suicide by cop" to end the hell I've called life. How serious is the issue of military rape? Reports of sexual assault in the U.S. Military have inundated local and national media. Due to the extent of coverage across all military branches, it has resulted in a series *Life After Narcissistic Abuse: There Is Healing and Hope* - Cynthia Bailey-Rug 2015-07-08 Narcissistic abuse is among the most painful and traumatic things anyone can endure. It destroys your self-esteem, your perception of yourself and others, and more. In "Life After Narcissistic Abuse: There Is Healing and Hope" the author describes not only the various and sometimes

unexpected types of problems narcissistic abuse causes, but also ways to help yourself heal.

**Heart of Darkness - How I Triumphed Over a Childhood of Abuse** - Lynette Gould

2008-07-07

As a mere infant, the chances of a safe and happy family life for Lynette Gould were torn to shreds when she was sexually violated beyond her comprehension. The once carefree and happy girl found herself suffering repeatedly at the hands of her own wicked father. Years of sexual degradation turned a beautiful girl's world into a cauldron of hate and self-loathing, leading to self-harm and ultimately numerous suicide attempts. After her father was imprisoned for his monstrous acts, Lynette's mother fell into a relationship with what seemed friendly and caring man - just what the family so desperately needed. But, disastrously for Lynette, he had a mind as evil as his predecessor. Taking up where Lynette's natural father left off, he subjected her to even more sexual abuse which lasted for years. Eventually he too was arrested, but committed suicide before he could be convicted - robbing Lynette of a vital sense of closure. The nightmare world of systematic abuse that tore Lynette's world apart never seemed to end; just as it seemed it could get no worse, she was lured into the hideous and shameful lives of a group of people involved in a child sex ring, where cold-blooded adults callously took advantage of her crushed body and spirit. She was lost, dignity shredded, her innocence brutalised and her mental wellbeing damaged seemingly beyond rescue. What followed was a chain of care homes and attempted suicides that drove the deeply troubled adolescent to the very edge of madness. Bouts of self-harm left her body with scars which continue to bear silent witness to her incredible torment. But Lynette's life was pulled back from the brink of oblivion by the patient dedication and enduring friendship of a child counsellor, out of which salvation tentatively sprang. Though the almost unimaginable hell endures in her inescapable memories, Lynette is a survivor. Through her great courage she is now able to tell her own shocking story of multiple incest, multiple rapes and of being lured in to a child sex ring. Her story is horrifying and desperately sad and, in her own moving words, she speaks of her battle with the past and of those responsible

for the evil which ruined it. But it is also a story with a message of hope.

No More Hurt - Ellen Prescott 2011

A true story of child abuse told from the viewpoint of the mother who discovers it and how she tries her utmost to protect her young daughters despite the scepticism of those in positions of authority.

*Life After the Pain* - Jenaette L. Primeaux 2004-03

Sexual abuse has become one of the most intrusive topics of today. The uncovering and exploitation of its grasp has been dealt with in every avenue of the media. This sequence of events have left many individuals all the more acutely aware of their pain. Now there is not just help, but healing for the abused. A balm has been provided for their wounds and a pathway of recovery. In "Life After The Pain" the lord has furnished a guide using the personal experiences of author, Jeanette Primeaux's own journey to healing. In this book she helps bring to light that through faith in Jesus Christ there is healing for your total person. As the agenda of the enemy is unmasked you will come to the understanding that God's healing power is available to you. When you begin to tread through the debris of your past you will clearly see the areas you have been marred and crippled. With this book you will find that plain and practical measures, accomplished through the perseverance of faith will bring forth a loving restoration and abundant life for you. **Molestation Inside the Church** - Stephanie Bush 2022-08-01

Molestation has been the forbidden subject for centuries, downplayed in homes, communities, and churches. Although it has existed and has destroyed and still destroying people's life, molestation has a stigma of a secret. This book is calling this demon out and putting it on notice about molestation. You have been called out and will become the subject in church's sermons, communities,

homes, government, and media. Molestation demon, you have been hiding and lurking in the dark for too long. Molestation talks, and issues come out in homes, churches, communities, and news media for a little while and creep back into its dark hiding spots. Molestation strikes day and night 365 days of the year but only is discussed when a high-profile case is exposed in the media. After a few weeks or months, media tends to move on to more important and more comfortable subjects that give great poll ratings. Molestation may come up in a pastor's sermon or in prayer but quickly is moved on to other subjects, which seem to not make people feel uncomfortable. Molestation is uncomfortable because it is a demon. Therefore, this book deals with the uncomfortable demon molestation. This book suggests for pastors and leaders to preach and teach on molestation so that the community is reached. Therefore, prevention, healing, and deliverance will take place. This book aims to reach molestation demons in the deep rural country backwoods, communities, and churches that are not in the news. Molestation lurks in those deep dark rural areas that are not covered by the media. This book covers all areas of the world. Molestation has a history of being a cycle for centuries but no more! And this is just the beginning of the spiritual warfare on molestation!

Breaking the Cycle of Abuse - Beverly Engel  
2004-11-01

"A beacon of hope for women and men who fear

that they will pass the abuse they have suffered on to their children, partners, or employees. Humane and compassionate but also clear and down to earth, this is a wonderful contribution to the literature on healing." --Lundy Bancroft, author of When Dad Hurts Mom and Why Does He Do That? "In this remarkably powerful, wise, and compassionate book, Beverly Engel leads readers step by step through a program that will help survivors of emotional, physical, or sexual abuse in childhood to heal from their wounds so they don't need to re-enact their abusive pasts. She offers expert advice and strategies to help parents and would-be parents avoid doing to their children what was done to them and helps both abusers and victims in emotionally and physically abusive relationships make vitally important changes in their relationships." --Susan Forward, Ph.D., author of Toxic Parents and Emotional Blackmail "If you were emotionally, physically, or sexually abused as a child or adolescent, or if you experienced neglect or abandonment, it isn't a question of whether you will continue the cycle of abuse but rather a question of how--whether you will become an abuser or continue to be a victim. In this breakthrough book, Beverly Engel, a leading expert on emotional and sexual abuse, explains how to stop the cycle of abuse once and for all. Her step-by-step program provides the necessary skills for gaining control over emotions, changing negative attitudes, learning healthy ways of communicating, healing the damage from prior abuse, and seeking out support. Throughout, Engel shares many dramatic personal stories including her own experiences with abusive behavior. Breaking the Cycle of Abuse gives you the power to shatter abusive patterns for good and offers a legacy of hope and healing for you and your family.

**Behind the Mask** - Denise A. Dewald

He takes off my clothes and leads me to the only bedroom in our small trailer. He makes me lay on the bed while he undresses, all the while staring at my young nude body. I begin my mental escape. I'm in a vast field of tall grass where the air is fresh and clean and doesn't smell like beer and cigarettes. The sky is a deep blue. I breathe deeply and begin to run. So free! But I can never make it last. Due to the nature of the forms of abuse discussed in this book, and

the frank manner in which they are portrayed,

eLectio Publishing DOES NOT recommend this book for readers under the age of 18.
