[The Ballet Lover's Companion](#) - Zoe Anderson 2015-05-29

This engaging book is a welcome guide to the most successful and loved ballets seen on the stage today. Dance writer and critic Zoe Anderson focuses on 140 ballets, a core international repertory that encompasses works from the ethereal world of romantic ballet to the edgy, muscular works of modern choreographers. She provides a wealth of facts and insights, including information familiar only to dance world insiders, and considers such recent works as Alexei Ramansky's Shostakovich Trilogy and Christopher Wheeldon's The Winter's Tale as well as older ballets once forgotten but now returned to the repertory, such as Sylvia. To enhance enjoyment of each ballet, Anderson also offers tips on what to look for during a performance. Each chapter introduces a period of ballet history and provides an overview of innovations and advancement in the art form. In the individual entries that follow, Anderson includes essential facts about each ballet's themes, plot, composers, choreographers, dance style, and music. The author also addresses the circumstances of each ballet's creation and its effect in the theater, and she recounts anecdotes that illuminate performance history and

reception. Reliable, accessible, and fully up to date, this book will delight anyone who attends the ballet, participates in ballet, or simply loves ballet and wants to know much more about it.

[Poems & Poèmes; autres alliances](#) - Natalie Clifford Barney 2019-12-18

This book is a collection of poems written by Natalie Clifford Barney in French and English. She was an American writer who hosted a literary salon at her home in Paris that brought together French and international writers. She influenced other authors through her salon and also with her poetry, plays, and epigrams, often thematically tied to her lesbianism and feminism. Barney was born into a wealthy family. She was partly educated in France, and expressed a desire from a young age to live openly as a lesbian. She moved to France with her first romantic partner, Eva Palmer. Inspired by the work of Sappho, Barney began publishing love poems to women under her own name as early as 1900. Writing in both French and English, she supported feminism and pacifism. She opposed monogamy and had many overlapping long and short-term relationships, including on-and-off romances with poet Renée Vivien and courtesan Liane de Pougy and longer relationships with writer Élisabeth de Gramont and painter Romaine Brooks.

**A Lover's Discourse** - Roland Barthes 2002

[Je t'aime](#) - Véronique Mortaigne 2019-02-07

BBC RADIO 4 BOOK OF THE WEEK 18-22nd FEBRUARY 2019 Marking the 50-year anniversary of the legendary banned song Je t'aime... moi non plus, Véronique Mortaigne's brilliantly-written book skilfully identifies the pairing of Gainsbourg and Birkin as an expression of the spirit of the age. Synonymous with love, eroticism, glamour, music, provocation, their affair would set France aflame as the sixties ebbed, and set in motion many of the ideas we have by now come to think of as specifically 'French'. Skipping back and forth in time, Je t'aime takes the reader from the foggy Normandy landscapes where Serge and Jane retreated, to their carefree summers on the coast. En route to their superstardom in films and music, we experience their intrigues, triangular relationships, and jealous rages, the genius and the self-torture. Tenderly told, via new interviews with key players in their story, Je t'aime details the coming together of two massive personalities, who together created a model of the rebel couple for the ages.

*Body Music* - Julie Maroh 2017-11-20

Julie Maroh's first book, *Blue Is the Warmest Color*, was a graphic novel phenomenon; it was a New York Times bestseller and the controversial film adaptation by French director Abdellatif Kechiche won the Palme d'Or at the Cannes Film Festival in 2013. Maroh's latest book, *Body Music*, marks her return to the kind of soft, warm palette and impressionistic sensibility that made her debut book so sensational. Set in the languid, European-like neighborhoods of Montreal, *Body Music* is a beautiful and moving meditation on love and desire as expressed in their many different forms?between women, men, and gender non-conformists alike, all varying in age and race. In twenty separate vignettes, Maroh explores the drama inherent in relationships at different stages: the electricity of initial attraction, the elation of falling in love, the trauma of breaking up, the sweet comfort of a long-standing romance. Anyone who's ever been in a relationship will see themselves in these intimate stories tinged with raw emotion. *Body Music* is an exhilarating and passionate graphic novel about what it means to fall in love, and what it means to be alive. Julie Maroh studied comic art at the Institute Saint-Luc in Brussels and lithography and engraving at the

Royal Academy of Arts in Brussels. She started writing her bestselling book *Blue Is the Warmest Color* at the age of nineteen.

**Je T'Aime, Me Neither** - April Lily Heise 2013-05-30

Is Paris really the eternal City of Love? Dumped suddenly by her Parisian boyfriend, sultry expat Lily is left wondering if *je t'aime* still exists. Instead of crying into her glass of wine, she decides to heal her bruised ego and quash her romantic doubts with a carefree summer fling . . . or as the French call it: *une aventure*. Supported by her faithful friends and trusty Saint Amour wine, Lily embarks on her presumably easy quest. Little does she know what-or whom-this adventure has in store! Rather than guide her into the arms of a perfect summer amoureux, the sexy streets of Paris lead her from one impossible candidate to another: disappearing foxy Frenchmen, unavailable Latino heartthrobs, overly-mysterious world travelers, mistress-hunting married men, and not-so-single amnesiacs-oh la la! As her amorous mishaps accumulate, Lily gradually re-evaluates her strategy. But will her good intentions be enough to lead her to the right homme . . . one who might last out the summer-and maybe even beyond? Or will she continue to get embroiled in more mesaventure? This novelized memoir tells the tantalizingly true romantic odyssey of a 21st-Century young woman caught in the mire of desires-which is only intensified by the passion of Paris.
