The Selfish Society - Sue Gerhardt 2011

Ambitious and wide-ranging, *The Selfish Society* reveals the vital importance of understanding our early emotional lives, arguing that by focusing on the attention we give to our young children we can create a better society. Open any newspaper, and what do you find? Violence and crime, child abuse and neglect, expenses scandals, addiction, fraud and corruption, environmental melt-down. Is Britain indeed broken? How did modern society get to this point? Who is to blame? How can we change? We have come to inhabit a culture of selfish individualism which has confused material well-being with happiness. As society became bigger and more competitive, working life was cut off from child-rearing and the new economics ignored people's emotional needs. We have lived with this culture so long that it is hard to imagine it being any different. Yet we are now at a turning point where the need for change is becoming urgent. If we are to build a more reflective and collaborative society, Gerhardt argues, we need to support the caring qualities that are learnt in early life and integrate them into our political and economic thinking. Inspiring and thought-provoking, *The Selfish Society* sets out a roadmap to a more positive and compassionate future.

Victim of Selfish Love - Okoro, Sixtus Ugwulo 2021-07-17

This book entitled "Victim of Selfish Love" a dramatic book that describes a pretty looking young girl from a wealthy family, whose curiosity and anxious of a good looking and rich boy led her to become a victim of Fake and pretentious lover boy starting from the university. The book is divided into three parts with scenes in each part. The book presents the young girl as an imagery to what most of the people are passing through in the cost and quest for rich lovers in the hands of wicked and heartless people. The young girl was raised in a God fearing way, only to end up as a victim of Selfish Love as a result of bad influence, curiosity and quest. Not only she became victim of Selfish Love, but she destroyed what the family has labored many years, and as well died on the process. This dramatic book is an inspiration of a true-life story of which the author wishes to share through writing, to save lives of the many who has such intentions or who may encounter such situation. It is also a way of the author advocating that not all glitters is gold. People have been victims of online love to some people who claim to be who they are not. Thus, the author presented Angelica as an imagery to create awareness of such ungodly acts.

The Realm of Rest - E. Anabi Epizitone 2012

CHAPTER SEVEN THE SPIRIT OF LOVE Romans 5:5b 5...because THE LOVE OF GOD IS SHED ABROAD IN OUR HEARTS(SPIRITS) BY THE HOLY GHOST which is given unto us. 2 Timothy 1:7 For God has not given us THE SPIRIT of fear; but of power, and OF LOVE, and of a sound mind. One of the reasons love is rarely practiced as it should be is the lack of understanding. The believer needs to understand and be equipped to walk in love. Love is the spirit of victory and triumph. THE

LOVE OF GOD IS SHED ABROAD IN OUR HEARTS (SPIRITS) BY THE HOLY GHOST. Love is a spirit. And we are already furnished with the spirit of love. We also know this from 2 Timothy 1:7. Believers have the love nature directly from God by the Holy Ghost. No effort is needed to have love. We do not grow in love, but we grow in our love walk. Love is a nature that we mature in. Love brings spiritual results, which we call rest in this book. Selfish love brings physical results. Spiritual results override physical results and never fail. 1 Corinthians 13 teaches us more about the divine kind of love. Love is a force that overcomes emotional and physical pressures from the flesh. Sometimes, the sight of challenges looks so scary and frightening from the viewpoint of the flesh. Selfish love is never an option in such cases. This is the challenge faced with symptoms of sickness and forces of darkness around us, yet we believe God by His word. How can we put on a look of love when challenges show up? Well, most people will be so upset when we say lack of love is the cause of their challenges. Walking in love is the answer, too. The spirit of love is an enablement to our weak flesh. It is a spirit that refuses to be mad at everyone because you are sick. Love is a spirit that prepares you for miracles and wonders. Love without patience is the same as love in the world. This patience means acting in faith, that what you desire, you shall touch, because you walk in divine love. We can initiate love consciously sometimes, to overcome the desire of the flesh. LOVE IS A TRANSMITTER OF SPIRITUAL THINGS Love is our transmitter to Heavenly realms, and a receiver on Earth. With our spirit, the future is known. This knowledge prepares us in advance to love. Notice in John 16:13 that it is our privilege to know things in advance. John 14:26 tell us that we can also know the past. Now, if you have this ability, you can ascend physical things from its source - the spiritual realm. Everything physical has a spiritual source. You need love to ascend Heavenly realities; love is our transmitter between Heaven and Earth. You see, in trials on Earth, God's love is shed abroad in our hearts. Love unlocks the mysteries of life and provides answers to both spiritual and human questions. Love was a spiritual reality to Christ on Earth. We can now justify that by love, Jesus' forgiveness to others was normal, though abnormal to the world. He knew the end even before it came. During Jesus' trial and crucifixion, love had come to rest in His heart, more than any time on Earth. Love was there to overcome enmity, pains, betrayal and denial. When challenges become daunting, the amount of love in our hearts becomes greater. Love is internally regulated and responsive to our needs. Being led by the spirit is to be led by love. Since God is love, we are one with Him through love. Love has a magnetic force that pulls everyone around Him. That power echoes in John 12:32 when Jesus said: John 12:32 "And I, if I be lifted up from the earth, will draw all [men] unto me." the spirit of love in a man is a magnet. Christ's resurrection saw the climax of love's power on Earth. It was love behind that great force of ascension that joined Christ in body, soul and spirit with the Father. Our love is the only reason why men and women shall come to our rising. It is the magnet of all other forces in the world. Love plays host to faith, power, joy, rest and wisdom. When love endures, it always comes to pass. Love is patient and never fails. Love is the window of the recreated spirit of God's man. Christ-like love will guide you to THE REALM OF REST. Don't stop loving. Don't be discouraged, you will get there if you remain patient. With love, we know that Heaven is certain, though we walk on Earth. Such a spiritual concept has been given very little spiritual revelation. In some cases, I have been asked why people who love always get stabbed in return. Then you did not love; you may have been stabbed because you were selfish and hoped for a certain reward. That is not love. Get your love walk straight. Love sits on the throne that judges the world. He sits on the throne of possibility. He is the miraculous. Love does not value bread as much as it values feeding the hungry. It does not expect man to reward him; it expects God to. Love does not reciprocate between the same people. Love is love. Love is all sufficient and always satisfied. John 13:34-35 34A new commandment I give to you, That you love one another; as I have loved you, that you also love one another. 35BY THIS SHALL ALL MEN KNOW THAT YOU ARE MY DISCIPLES, if you have love one to another. By love, all men shall know that you are Christ's disciples. Love graduates to greater revelation and truth from God. Divine love is God's light in the world. The spirit of wisdom comes from love. At the same time, it is what makes a

man prosperous. Love is the fountain of spiritual gifts. Wisdom and revelation come from love. That is reflected in Paul's prayers to the saints below. Ephesians 1:15-17 15Wherefore I also, after I heard of your FAITH in the Lord Jesus, and LOVE unto all the saints, 16Cease not to give thanks for you, making mention of you in my prayers; 17that the God of our Lord Jesus Christ, the Father of glory, may give unto you the SPIRIT OF WISDOM and REVELATION in the knowledge of him. Love walk suffers when we don't know why we love. Even when we get to know, we must grow in the knowledge of it. What can make us love as Christ is, growing in the knowledge of God's love nature. We must know that love is our nature from God and its reward is also from God, not man. When I encounter challenging personalities, so I do not journey out of love, I always imagine myself in the spiritual realm, reigning with love. I can easily tolerate and be patient over anything, because in the spiritual realm, I know the outcome. You are always right when you are in love. Love is equal to nothing on Earth - love is God. Philippians 2:3 Let nothing be done through strife or vainglory; but in lowliness of mind let each esteem other better than themselves. Romans 12:9 Let your love be perfectly sincere. Regard with horror what is evil; cling to what is right. Perfect love casts our fear. It is the source of pleasure and joy. Love is above all things. 1 John 4:18 THERE IS NO FEAR IN LOVE; but perfect love casts out fear: because fear hath torment. He that fears is not made perfect in love. At rest, love is the king. When love becomes mature, we walk the supernatural. The Holy Spirit and your spirit unite in love. Love is the image and likeness of God in His man. What makes us supermen and women on Earth is love - when love comes in, we are complete. Divine love brings God's effect in man. 1 John 4:12 12 No one has ever seen God; but if you love one another, God lives in us and his love is made complete in us. One would be surprised if God was not love, or if He was love and our love was tested by loving Him alone. When we love as God would, we know God. Notice that every man has the nature of God. However, this nature is locked in some and needs to be set free. Knowing the truth will make them free. Love is the way, the truth and the light. When we share the knowledge of God with others, we share the spirit of love. To know that you rest, you must walk in love. Our love is needed to unlock love in others. No doubt, love has been the most influential fact

The Selfish Gene - Richard Dawkins 1989

Science need not be dull and bogged down by jargon, as Richard Dawkins proves in this entertaining look at evolution. The themes he takes up are the concepts of altruistic and selfish behaviour; the genetical definition of selfish interest; the evolution of aggressive behaviour; kinship theory; sex ratio theory; reciprocal altruism; deceit; and the natural selection of sex differences. 'Should be read, can be read by almost anyone. It describes with great skill a new face of the theory of evolution.' W.D. Hamilton, Science

A Heart So Selfish: Hate That I Love Him Too - J. Peach 2022-01-24

When you love someone, you should love them selflessly not selfishly...That's a meaning Kimmy can't seem to grasp. They say, selfish people can never genuinely love another, but that couldn't be further from the truth in Kimmy's situation. Kim soon realizes one's heart could truly be selfish when you love someone entirely too much. Regardless of the pain and hurt caused, you can't see life without him. Does that meaning still apply if your heart is torn between two men, who you can't see yourself without? Kim finds herself asking that question as her mind plays devil's advocate between the two men who have captured her heart. Will Kimmy be able to put her egotistic needs to the side or will her selfish wants cause her to lose the one man who genuinely loves her?

Why Love Matters - Sue Gerhardt 2014-10-24

Why Love Matters explains why loving relationships are essential to brain development in the early years, and how these early interactions can have lasting consequences for future emotional and physical health. This second edition follows on from the success of the first, updating the scientific research, covering recent findings in genetics and the mind/body connection, and including a new chapter highlighting our growing understanding of the part also played by pregnancy in shaping a baby's future emotional and physical well-being. Sue Gerhardt focuses in particular on the wide-ranging effects of early stress on a baby or toddler's developing nervous system. When things go wrong with relationships in early life, the dependent child has to adapt; what we now know is that his or her brain adapts too. The brain's emotion and immune systems are particularly affected by early stress and can become less effective. This makes the child more vulnerable to a range of later difficulties such as depression, anti-social behaviour, addictions or anorexia, as well as physical illness. Why Love Matters is an accessible, lively, account of the latest findings in neuroscience, developmental psychology and neurobiology - research which matters to us all. It is an invaluable and hugely popular guide for parents and professionals alike.
