Women's Super Sex Secret - Michelle Tallia 2014-05-02

80+% of Women Don't Know About This Tremendous Source of Sexual Pleasure! How could there be major discoveries for women's sexual pleasure that haven't already been reported to death? Well here they are! You already know that most of the clitoris is actually inside the body, (two inches on average,) so you want to make sure the clitoris inside is being adequately stimulated. You've read reports on how to find and stimulate the G-spot and you know that the G-spot is actually more of a backdoor way to access the vast treasure trove of clitoral nerve endings versus being a separate collection of its own nerves. You've experimented with different sex toys until you've found one or more that you'd kill for, but do you know about this, because you really need to! This book comes with four free bonus books (making it a \$34.75 total value!) Your books are presented in this order: 1. 100 Good Lines to Put in Your Personal Ad 2. Breast Massage Secrets Revealed 3. Special Things To Do During 3 Hours of Sex; A Step-by-step Guide 4. THE PS-SPOT ORGASM: Don't Wait Any Longer For This Kind of Pleasure 5.
