Water of the Word Andrew Case 2010-11-18 Endorsed by Justin Taylor, Donald Whitney, and others, *Water of the Word* is a prayer-book that has enriched thousands of marriages, helping husbands discover the power of praying God's Word for their wives. Be a part of the scripture-prayer movement, and join others in reaping the benefits for your own love story. "Blessed is the wife whose husband offers prayers on her behalf such as those in this book." -DONALD S. WHITNEY, author of "Spiritual Disciplines for the Christian Life" "A great idea and a most helpful and welcome book!" -JUSTIN TAYLOR, The Gospel Coalition, Crossway senior vice president and publisher By combining the two greatest powers on earth—scripture and prayer—Andrew Case not only shows husbands how to pray for our wives, but teaches us how to read scripture: prayerfully. This book is a gold mine. -MIKE MASON, Bestselling author of "The Mystery of Marriage" "For husbands, or men desiring to fill God's noble calling to love their wives as Christ loved the church and gave himself up for her, *Water of the Word* provides not only a biblical framework, replete with verses to focus one's attention and catalyze one's spiritual thinking, but also beautiful prose to stir the soul of devotional prayer. More than a guidebook, it is rather a springboard to a deepening love relationship with God and with one's wife. I have used this book personally, as well as for a devotional guide for the Marriage Enrichment class here at Southern Seminary. A book to savor, reflect on, and then offer prayers from a pure heart and clear conscience." -WILLIAM R. CUTRER M.D., author of "Sexual Intimacy in Marriage" "Andrew Case has provided an ingenious and glorious tool for Christian husbands, one that has the potential of binding husbands and wives ever closer together while these prayers seek more intimate relationship between their wives and their God. By employing themes, principles, promises, and pleas from Scripture itself, Case has crafted hundreds of rich and meaningful prayers that any and every Christian husband can pray for his own wife. What power and insight one finds in these prayers, along with beauty and variety. Husbands here are led not only into specific prayers for their wives that focus on the central and most significant needs they have as women, but they are led also to cultivate better the habit of praying for their wives, and through this assisting the spiritual growth of those closest to them in all of life." -BRUCE A. WARE, Professor of Christian Theology, The Southern Baptist Theological Seminary

What Is the Meaning of Sex? Denny Burk 2013-10-31 Sex is a big deal. And as the spirit of the age moves rapidly away from traditional sexual norms, Christians are feeling the pressure to abandon

their ancient beliefs to conform to society's evolving views on sexuality and gender. Responding to the pressure with conviction and clarity, this book spells out the Bible's teaching on sex, arguing that the ultimate goal of all human sexuality is the glory of God. After outlining key biblical standards and explaining the true purposes for sex (procreation, pleasure, love, etc.), the latter portion of the book explores controversial issues such as homosexuality, queer theory, and polygamy. Firmly rooted in the pages of Scripture, this book sets forth a compelling vision of human sexuality that is both soul-satisfying and God-glorifying.

Fight Fair Tim Downs 2010-07-01 Everyone disagrees on some things; this is inevitable. The question is, how can we disagree with those we love but increase the odds that we will live and love to fight another day? In other words, how can we fight fair? In this companion to *One of Us Must Be Crazy... and I'm Pretty Sure It's You* (a treatise on making sense of the differences that divide us), Tim and Joy Downs aren't playing around. This time they concentrate less on how to make sense of our differences and more on winning at conflict without losing at love. When couples fight, tempers flare, tongues loosen, and behavior occurs that can cause major damage to the relationship. *Fight Fair!* teaches couples how to have healthy disagreements. It is a candid and realistic "rulebook" for married couples to ensure that their conflict is God-honoring and respectful of their partner. There is also plenty of immediate application to ensure that future conflicts don't create permanent scars.
