First Comes Love - Christie Ridgway
2007-03-20

Book description to come.

Twelve Years A Slave, Illustrated Edition -
Solomon Northup 2014-04-08

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Porn Work - Heather Berg 2021-02-22

Every porn scene is a record of people at work. But on-camera labor is only the beginning of the story. *Porn Work* takes readers behind the scenes to explore what porn performers think of their work and how they intervene to hack it. Blending extensive fieldwork with feminist and antiwork theorizing, *Porn Work* details entrepreneurial labor on the boundaries between pleasure and tedium. Rejecting any notion that sex work is an aberration from straight work, it reveals porn workers' creative strategies as prophetic of a working landscape in crisis. In the end, it looks to what porn has to tell us about what's wrong with work, and what it might look like to build something better.

Punk 57 - Penelope Douglas 2016

"MISHA I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. RYEN He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+."--

The Davis Family (Davies and David) in Wales and America - Harry Alexander Davis 1927

Watching the English - Kate Fox 2005-04-11
 In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and

many more ...Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

a Heaven is for Real Deluxe Edition - Todd Burpo 2011-10-31

#1 New York Times bestseller with more than 11 million copies sold! When 4-year-old Colton Burpo emerges from life-saving surgery with remarkable stories of his visit to heaven, his family doesn't know what to believe. Heaven is For Real details what Colton saw and his family's journey towards accepting their young son had visited the afterlife. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." Colton told his parents he left his body during an emergency surgery--and proved that claim by describing exactly what his parents were doing in another part of the hospital during his operation. He talked of visiting heaven and described events that happened before he was born and how he spoke with family members he'd never met. Colton also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, even though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton recounts his visit to heaven, describing: Meeting long-departed family members Jesus, the angels, how "really, really big" God is, and how much God loves us How Jesus called Todd, Colton's father, to be a pastor The Battle of Armageddon Retold by his father, but using Colton's uniquely simple words, Heaven Is for Real offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." Heaven Is for Real will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Praise for Heaven is for Real: "A beautifully written glimpse into heaven that will encourage those who doubt and thrill those who believe." —Ron Hall, coauthor of Same Kind of Different as Me

A Touch of Ruin - Scarlett St. Clair 2021-11-30
The second in the captivating Hades and Persephone series from fan-favorite bestselling author Scarlett St. Clair. "Are you saying you

wouldn't fight for me?" Hades sighed and brushed his finger along her cheek. "Darling, I would burn this world for you." Persephone's relationship with Hades has gone public and the resulting media storm disrupts her normal life and threatens to expose her as the Goddess of Spring. To add to her troubles, everyone seems eager to warn Persephone away from the God of the Dead by exposing his hellish past. Things only get worse when a horrible tragedy leaves Persephone's heart in ruin and Hades refusing to help. Desperate, she takes matters into her own hands, striking bargains that lead to severe consequences. Faced with a side of Hades she never knew, and crushing loss, Persephone wonders if she can truly become Hades's queen.

The Racing Tribe - Kate Fox 2017-09-08

It is generally assumed that anthropologists do their research in remote and uncomfortable parts of the world--places with monsoons, mud huts, and malaria. In this volume, social anthropologist Kate Fox has taken on an altogether more enjoyable assignment, the study of the arcane world of British horseracing. For Fox, field research meant wandering around racetracks in a pink hat and high heels (standard tribal costume) rather than braving killer insects and primitive sanitation. Instead of an amorphous racing crowd, the author finds a complete subculture with its own distinctive customs, rituals, language and etiquette. Among the spectators, she identifies Horseys, Addicts, Anoraks, Pair-Bonders, Day-Outers, Suits, and Be-Seens--all united by remarkable friendliness and courtesy. Among the racing professionals, the tribal structure includes Warriors (jockeys), Shamans (trainers), Scribes (journalists), Elders (officials and stewards) and Sin-Eaters (bookies). Fox includes witty and incisive descriptions of the many strange ceremonies and rituals observed by racegoers--the Circuit Ritual, Ritual Conversations ("What do you fancy in the next?") , Celebration Rituals, the Catwalk Ritual, and Post-Mortem Rituals (naturally, a horse never loses a race because it's too slow)--and their special codes of behavior such as the Modesty Rule, the Collective Amnesia Rule, and the Code of Chivalry. The Racing Tribe is also a refreshingly candid account of anthropological fieldwork, including all the embarrassing mistakes, hiccups, short-cuts and guesswork that

most social scientists keep very quiet about.

Women and Politics in Iran: Veiling, Unveiling and Reveiling - Hamideh Sedghi 2014-05-14
Why were urban women veiled in the early 1900s, unveiled from 1936 to 1979, and revealed after the 1979 revolution? This question forms the basis of Hamideh Sedghi's original and unprecedented contribution to politics and Middle Eastern studies. Using primary and secondary sources, Sedghi offers new knowledge on women's agency in relation to state power. In this rigorous analysis she places contention over women at the centre of the political struggle between secular and religious forces and demonstrates that control over women's identities, sexuality, and labor has been central to the consolidation of state power. Sedghi links politics and culture with economics to present an integrated analysis of the private and public lives of different classes of women and their modes of resistance to state power.

Every Day I'm Hustling - Vivica A. Fox 2018-04-03

Vivica A. Fox is a dynamo who has created a lasting career on her own, through sheer, roll-up-your-sleeves DIY hustle. *Every Day I'm Hustling* is a personal book with a message Fox passionately believes in: that you make your own luck, that you never ever wake up in the morning thinking somebody's going to call you and offer you that part or ask you out on that date that's going to change your life, that you have to wake up and put on your longest eyelashes and fiercest heels and go out and make your life happen yourself. The actress provides start-today strategies for success in business and "been there" lessons in love, buttressed with stories from her early family life all the way through to today. Always honest and always funny, Fox also tells behind-the-scenes tales from some of her biggest movies — such as Uma Thurman's life-changing advice during *Kill Bill* and Will Smith's downtime pep talk on Independence Day. And she maps out exactly what it took to come back with a role on the smash hit *Empire* and her own frisky show on Lifetime, Vivica's *Black Magic*. She also shares her how-is-she-53? secrets to looking your best, no matter the age on your driver's license.
