A telepath with a lethal twist. My name is Neely and I'm a telepath-spiker. Not only can I read a person's thoughts, I can also spike deadly power straight into their brain. But don't worry, I have strict rules about that sort of thing. I'm hiding again. This time in a California desert truck stop town run by Lucas Blacke, a tiger shifter and alpha leader who's as handsome as Lucifer and twice as slippery. I've been running from alphas like him my whole life. They either want to own me or kill me—there is no middle ground. Now a homicidal alpha from my past is threatening everything I care about and I know I can't fight him alone. Lucas Blacke is dangerous, and his intentions are murky at best, but I've run out of options. If I want to live, I'm going to have to put my faith in a man I know I can't trust. If you like urban fantasy with a side order of romance, fast-paced action and slow-burn love, you'll love SPIKED.

Spiked: Miscellaneous Godly and Other Wisdom - C. J. Lang
2012-06-22

SECOND EDITION. This is not a lovely, polished, dogmatically correct collection of Biblical legalism; nor is it a collection of head-in-the-clouds religious fluff or hellfire and brimstone Bible thumping. However, it is about smoothing out some of our sharp edges (at least the ones that need to be, in God's eyes). I'm just an average joe punching a clock for God (meaning: God owns this ministry factory, not me...I just work here so all credit goes to Him) that would like to see more people in this world living powerful lives in love with the Lord rather than the pathetic, powerless, pointless existence that so many people seem to be awakening to every morning. In short, I simply want more people to love and experience our awesome God the way I have in my life. -Rev. C. J. Lang
