

# Straight Narrow Compassion Clarity In The Homosexuality Debate

## **Homosexuality, Science, and the "plain Sense" of Scripture** - David L. Balch 2000

Elucidates the pros and cons of current Christian discussion on the question of homosexuality. Challenges partisan views and provides a balanced discussion.

*The Bible and Homosexual Practice* - Robert A. J. Gagnon 2010-10-01

Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality. He demonstrates why attempts to classify the Bible's rejection of same-sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data. Gagnon's book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice. . . . the most sophisticated and convincing examination of the biblical data for our time. —Jürgen Becker, Professor of New Testament, Christian-Albrechts University

[What Does the Bible Really Teach about Homosexuality?](#) (eBook) - Kevin DeYoung 2015-11-09

In **WHAT DOES THE BIBLE REALLY TEACH ABOUT HOMOSEXUALITY?**, award-winning author Kevin DeYoung challenges each of us – the skeptic and the seeker, the certain and the confused – to take a humble look at God's Word regarding the issue of homosexuality. After examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, this timely book responds to popular objections raised by Christians and non-Christians alike, making this an indispensable resource for thinking through one of the most pressing issues of our day.

**Something Old, Something New** - Ray S. Anderson 2007-05-15

"No one has contributed more substantially to creative, orthodox Christian thinking about human nature, pastoral theology, and counseling over the past 30 years than Ray Anderson. His latest book is most welcomed, particularly given its focus on the family, a pivotal cultural institution of obvious developmental importance, which radical postmodernism has attempted to radically redefine, but which always warrants a fresh, practical, Christian approach and critique." --Eric L. Johnson, Southern Baptist Theological Seminary "Combining the wisdom accumulated in his years as a seminary professor and scholar, pastor, and counselor, Ray Anderson has given us an outstanding book on marriage and family ministry in contemporary culture. Even more than this, it is the best statement I know of on a theology of the family, including the place of family in the church and wider society. . . . [H]ard issues in family life such as violence and abuse, homosexuality, care for the elderly, and death are addressed with a combination of biblical truth and grace.

*Something Old, Something New* is must reading for all persons involved in ministry today!" -- Jack Balswick, Fuller Graduate School of Psychology "For a Church often despairing of biblically based resources in ministering to the family in our postmodern culture, Ray Anderson's twenty-fifth book focuses on recovering a theology of the family. His seminal volume (written with Dennis Guernsey), *On Being Family: Toward a Social Theology of the Family* (1985), virtually created the new genre of the 'theology of the family.' In *Something Old,*

Something New: Marriage and Family Ministry in a Postmodern Culture, we find the fruit of Anderson's mature reflections that will give hope and guidance to the Church of the twenty-first century. He discusses marriage and parenting, divorce and remarriage, singleness and cohabitation, and other issues within the diversity and relativity characterized by our postmodern context. His decades of experience as a seminary professor and church pastor enable him to articulate a theology of family ministry that offers concrete help for families, churches, and pastors based on the healing ministry of Christ in today's society." --Chris Kettler, Friends University, and Todd Speidell, Webb School of Knoxville

**RAY S. ANDERSON** (1925-2009) was Senior Professor of Theology and Ministry at Fuller Theological Seminary where he has taught for more than thirty years. He is the author of more than twenty-five books, including, *The Seasons of Hope, Marriage and Family Ministry in a Postmodern Culture, The Soul of Ministry, Ministry on the Fireline, and The Shape of Practical Theology.*

*Encyclopedia of Protestantism* - Hans J. Hillerbrand 2004-08-02

**Abusing Scripture** - Manfred Brauch 2009-09-20

Virtually all Christians recognize the centrality of the Bible to their faith. Yet many Christians misquote and misapply Scripture regularly. Often those who are most passionate about the authority of the Bible are at the greatest loss when it comes to understanding its message clearly and applying it faithfully. Professor Manfred Brauch believes this kind of mistaken interpretation and application of Scripture is a detriment to the integrity of our Christian witness and contributes to profound

misunderstandings in Christian belief and practice. In this practical book written with the non-specialist in mind, Manfred Brauch identifies and corrects a number of basic errors that interpret and apply biblical texts in ways that distort their meaning and message. Chapters explore issues of context, genre, consistency, author intent and other important considerations, addressing not just the act of interpretation, but also the attitudes behind the ways we choose to apply Scripture. Whether you lead a Bible study or small group, are a pastor or Sunday school teacher, are engaged in biblical study at a college or seminary, or are just an everyday Christian who wants to understand how to interpret God's Word well and recognize good interpretation (or the lack thereof) when you encounter it, this important book will be an invaluable guide.

**Bible, Gender, Sexuality** - James V. Brownson 2013-02-03

In *Bible, Gender, Sexuality* James Brownson argues that Christians should reconsider whether or not the biblical strictures against same-sex relations as defined in the ancient world should apply to contemporary, committed same-sex relationships. Presenting two sides in the debate -- "traditionalist" and "revisionist" -- Brownson carefully analyzes each of the seven main texts that appear to address intimate same-sex relations. In the process, he explores key concepts that inform our understanding of the biblical texts, including patriarchy, complementarity, purity and impurity, honor and shame. Central to his argument is the need to uncover the moral logic behind the biblical text. Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality, Brownson's in-depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue.

belief extend Christ's love to those living the homosexual lifestyle This resource is an important one for those who have been unsure how to respond to the growing acceptance of homosexuality in the evangelical community. *Homosexuality and Christian Community* -

Choon Leong Seow 1996-01-01

Contributors to this volume, all members of the Princeton Theological Seminary faculty, address the various exegetical, interpretive, and practical issues pertaining to the issue of homosexuality in the church. These include the ordination of homosexuals and the blessing of homosexual unions, as well as broader issues dealing with liturgical and theological language about God and the role of the church in a pluralistic society. The contributors speak of these various issues as theological educators, ministers, and committed Christians. They ask, What do the scriptures say about homosexuality and related issues? How should the scriptures inform our theological reflection? and How do we live faithfully in regard to this matter? And like the Christian community at large, the contributors are not of one mind on any of these issues; many times they are in considerable disagreement. *Homosexuality and Christian Community* will help to guide churches and individuals engaged in theological reflection about the place of homosexuals in the church.

**Is It a Lost Cause?** - Marva J. Dawn 1997

*Homosexuality (DeYoung)* - James B. DeYoung 2000

It provides the knowledge necessary to respond with confidence, compassion, and honesty to demands that Christians accept active homosexuality. - Publisher.

CARSON 2020-05-21

My soul is in anguish. How long, O Lord, how long?' (Psalm 6:8) Personal tragedy and heartache. Accident, illness and infirmity. Drought, earthquake, tsunami. Terrorist atrocities.
