**Night Keeper** - April Nunn Coker 2010-12-03  
After surviving a wicked divorce and ending up alone with a baby, Josie Simons had sworn off men. Her so-called life consisted of cleaning up after animals at the city zoo and cleaning up after her toddler at home. Maybe it was the utter boredom that made her let her best friend and coworker talk her into a blind date with handsome single father Cam Bosworth. Before she knew it, she was caught up in a relationship that was both exhilarating and frightening. Cam was everything she needed for her daughter and herself. But lately weird things had started happening at the zoo, and she couldn't shake the feeling that she, or worse, her daughter, might be in danger. Moreover, Cam's concern seemed more suspicious than comforting. Events at the zoo escalate as Josie's life becomes more complicated and dangerous than she could ever have imagined.

*Critical Companion to Tennessee Williams* - Greta Heintzelman 2014-05-14  
One of the greatest American dramatists of the 20th century, Tennessee Williams is known for his sensitive characterizations, poetic yet realistic writing, ironic humor, and depiction, of harsh realities in human relationship. His work is frequently included in high school and college curricula, and his plays are continually produced. *Critical Companion to Tennessee Williams* includes entries on all of Williams's major and minor works, including *A Streetcar Named Desire*, *Cat on a Hot Tin Roof*, *The Glass Menagerie*, a novel, a collection of short stories, two poetry collections, and personal essays; places and events related to his works; major figures in his life; his literary influences; and issues in Williams scholarship and criticism. Appendixes include a complete list of Williams's works; a list of research libraries with significant Williams holdings; and a bibliography of primary

and secondary sources.

Passing Fancies in Jewish American Literature and Culture - Judith Ruderman 2019-02-01

In *Passing Fancies* Judith Ruderman takes on the fraught question of who passes for Jewish in American literature and culture. In today's contemporary political climate, religious and racial identities are being reconceived as responses to culture and environment, rather than essential qualities. Many Jews continue to hold conflicting ideas about their identity—seeking, on the one hand, deep engagement with Jewish history and the experiences of the Jewish people, while holding steadfastly, on the other hand, to the understanding that identity is fluid and multivalent. Looking at a carefully chosen set of texts from American literature, Ruderman elaborates on the strategies Jews have used to "pass" from the late 19th century to the present—nose jobs, renaming, clothing changes, religious and racial reclassification, and even playing baseball. While traversing racial and religious identities has always been a feature of America's nation of immigrants, Ruderman shows how the complexities of identity formation and deformation are critically relevant during this important cultural moment.

Fables from the Largetooth Animal Refuge - Lorraine Hawksworth 2009-07

I had the privilege to volunteer at a facility that took care of injured and orphaned wildlife. This was a time in my life when I was in a depression and had health challenges. That summer, working with God's little critters made me realize that my issues were pretty insignificant by comparison. I had the opportunity to feed the tiny baby squirrels, one drop at a time (with an eye dropper). "Careful, not too much or you will drown them!" These little critters were the size

of my thumb and almost transparent. I couldn't even see the tiny mouth, but as I held them in my hand, I could feel the pulsing of the heart and the life inside. I fed all four of them with tears running down my face, "this is what life is about!." I am truly grateful for this lesson. I have been inspired to write these stories about some of the other animals I helped raise. I hope that I have been able to express their pain and suffering.

*Mosquito Bite Murder* - Leslie Langtry  
2021-08-10

From USA Today bestselling author Leslie Langtry comes a killer summer camping trip! In her career as a spy, Merry Wrath had her share of camping trips—from glamping in a yurt at Oktoberfest with drug lord Carlos the Armadillo to an awkward team building campout in the backyard of a Yakuza mob boss who thought "trust falls" should have lethal consequences. So when the former CIA turned Girl Scout troop leader has the opportunity to take six girls from her troop into a vast, private nature preserve in search of an abandoned scout camp, she jumps at it. The fact that she can secretly use this as a chance to meet up with another spy who has asked for her help just seems to be an added bonus. Of course she doesn't expect to find a guy named Chad in a shallow grave. He's still alive, at least for the moment, and he insists on accompanying them further into the woods. Merry's contact is a no-show, but another, more dangerous colleague surprises them on the trail. And just when she thinks she might be able to handle things, the group find themselves confronted by a hostile group of senior citizen hermits. From the strange noises in the night, to vampire ticks, and the constant fear of being invaded by Communists, everything in Merry's world appears to be dangerously off kilter. When she's accosted by a 200lb snapping turtle named Old Eisenhower, Merry realizes that not everything is what it appears to be. Can Merry figure out who is behind the strange occurrences before the camping trip ends up with a body count? Merry Wrath Mysteries: Merit Badge

*Violence At Work* - Ella W. Van Fleet 2014-10-01  
Every day we wake up, send our children to school, go to work, attend sports or other entertainment events, etc. Then suddenly the unexpected happens. This day will not end like yesterday and a thousand other days. Our lives are changed forever. Suddenly we realize how precious and fragile life is, and we question whether we could have done something to prevent this emergency event. We have become accustomed to violence, but we do not need to accept it. Our study of workplace violence, terrorism, and other forms of dysfunctional behavior associated with work suggests that both managers and non-managers would like to reduce the risks associated with violence at the workplace. The book is designed to help do just that. You can be underpaid, overworked, or get fired even though you are performing well. You can be a victim of sabotage or harassment even though—or sometimes because!—you are doing

an outstanding job. You can be a victim on company premises of an angry, psychologically impaired, or chemically dependent manager, non-manager, former coworker, spouse, or even a stranger. The violent act you face may have stemmed from coworker interaction, worker-boss relations, a sick corporate environment, or even family problems. Top executives and other managerial and non-managerial personnel clearly need to take steps toward reducing the threat of workplace violence. Numerous studies have been done regarding workplace problems, resulting in numerous books and professional journal articles. Some books, articles, workshops, seminars, and the like proffer general advice to managers. However, virtually all of that advice has come from psychologists, physicians, and lawyers. And very little counsel is provided to non-manager employees on dealing with problems that involve co-workers or managers. What has been lacking is advice that would reduce the threat of workplace violence and therefore (1) reduce stress, (2) enable organizations to develop potential competitive advantages in terms of their personnel and productivity, and (3) guide organizational personnel in their efforts to solve problems before they culminate in violent actions. This book fills that need. We believe it is the first to offer both general and specific information and advice from a managerial point of view. The authors have spent their careers intimately involved with the practice, teaching, and research on management and organizations.

*The Rest of My Story* - Hope Hartford  
2023-08-31

The winds of change rush into the innocent world of six-year-old Lydia when her mother, Ettie, marries a man with a hidden agenda. The scoundrel, Chip, soon begins grooming Lydia to satisfy his twisted sexual desires. Lydia's naiveté, combined with the subtlety of Chip's advances, keeps young Lydia unaware of the mistreatment she is suffering at the hands of her own stepfather. The abuse continues in secret for nine long years. When a young man from church asks sixteen-year-old Lydia to be his girlfriend, she agrees. Chip's subsequent jealousy provokes him into fits of rage. Ettie questions her daughter about why Chip may be targeting her with his anger and is shocked to

hear Lydia's response. Tackling her overwhelming fears that Chip will intercept them on the way to the airport, Ettie flees to safety with Lydia and her two brothers. Family and friends support Ettie and Lydia as they deal with the aftermath of abuse and betrayal. Although Lydia meets regularly with a therapist who specializes in helping sexual abuse victims, she struggles with her identity as a victim. Hiding behind a mask of happiness is Lydia's way to cope with the vortex of pain swirling in her heart. Can God's love break through the pain to write hope and healing into the rest of her story?

*Chinas Unlimited* - Gregory B. Lee 2002-12-31  
Mr. Wu the laundryman, the evil Fu Manchu, the sex maniac, the opium addict, the docile immigrant worker: These stereotypes applied to Chinese people stretch back to the Victorian era, yet resurface with regularity in today's media. In China itself the way the Chinese perceive and project themselves and their ethnicity has evolved over recent years, with discordant and unofficial voices challenging normative ideas of Chinese identity. In order to understand the numerous ways of seeing and being Chinese, *Chinas Unlimited* analyzes Chinese literary and cultural texts, such as television soap serials, as well as popular cultural representations of the Chinese.

**Affective Ecocriticism** - Kyle Bladow

2018-11-01

Scholars of ecocriticism have long tried to articulate emotional relationships to environments. Only recently, however, have they begun to draw on the complex interdisciplinary body of research known as affect theory. *Affective Ecocriticism* takes as its premise that ecocritical scholarship has much to gain from the rich work on affect and emotion happening

within social and cultural theory, geography, psychology, philosophy, queer theory, feminist theory, narratology, and neuroscience, among others. This vibrant and important volume imagines a more affective—and consequently more effective—ecocriticism, as well as a more environmentally attuned affect studies. These interdisciplinary essays model a range of approaches to emotion and affect in considering a variety of primary texts, including short story collections, films, poetry, curricular programs, and contentious geopolitical locales such as Canada's Tar Sands. Several chapters deal skeptically with familiar environmentalist affects like love, hope, resilience, and optimism; others consider what are often understood as negative emotions, such as anxiety, disappointment, and homesickness—all with an eye toward reinvigorating or reconsidering their utility for the environmental humanities and environmentalism. *Affective Ecocriticism* offers an accessible approach to this theoretical intersection that will speak to readers across multiple disciplinary and geographic locations.

*Marked for Murder* - Leslie Langtry 2023-04-25

From USA Today bestselling author Leslie Langtry comes the latest laugh-out-loud Merry Wrath mystery... Merry Wrath has been out of the spy biz so long that she's sure the CIA has

forgotten all about her. Life in suburban Who's There, Iowa is pretty quiet in comparison to the Company, and as long as her Girl Scout Troop isn't inadvertently burning down her garage (again), Merry is thinking it's time to clean out all the plastique and booby traps she's been hiding in the basement, once and for all. That is, until assassin Hilly Vinton (who isn't an assassin because the CIA doesn't have assassins...but totally is) shows up with an agency-ordered Termination Contract on Merry. This has to be an elaborate prank. Or so Merry thinks, until she learns that the contract also went out to the Russians, Chechens, and Colombian cartels. It isn't long before Merry's small hometown is flooded with interested bad guys. When these killers start showing up as bodies, Merry isn't sure if she should go on the lam (which has Hilly's enthusiastic vote) or stay to protect Who's There. There are too many questions! Can she solve the murders before the murderer gets her? Should she stay or go? How's it possible that the troop's future-predicting cootie catcher is so accurate? And why does the CIA want Merry Wrath dead? What critics are saying about Leslie Langtry's books: "I laughed so hard I cried on multiple occasions! Girl Scouts, the CIA, and the Yakuza... what could possibly go wrong?" ~ Fresh Fiction "Darkly funny and wildly over the top, this mystery answers the burning question, 'Do assassin skills and Girl Scout merit badges mix...?'" ~ RT BOOKreviews "Mixing a deadly sense of humor and plenty of sexy sizzle, Leslie Langtry creates a brilliantly original, laughter-rich mix of contemporary romance and suspense." ~ Chicago Tribune "Langtry gets the fun started from page one." ~ Publisher's Weekly

**Meerkats and Murder** - Leslie Langtry 2019-07-02

From USA Today bestselling author Leslie Langtry comes a former CIA agent turned Girl Scout Troop leader, and a murder that will keep you guessing until the end! Just as Merry

Wrath's former career as a CIA agent seems to be fading into a distant memory, the agent turned Girl Scout troop leader discovers that her beloved little suburban ranch house may not be what it seems. When a masked gunman breaks in to demand the return of "Nye," she fears that she may not have been the first spy to live there. What...or who is "Nye?" And when Merry trips over the dead body of that same gunman later at the zoo, she realizes that her favorite king vulture and his mouthy scarlet macaw friend may be witnesses to a murder. Suddenly this becomes much more personal, and her list of suspects grows from a cosplaying teenaged demigod zookeeper, to a possible plot by the Russians... which may even include Merry's old arch-nemesis. Things aren't going well for her Girl Scout troop either, as a new addition causes trouble, and the girls begin to turn against each other—sparking way more than just preteen angst. From a dangerous close encounter with a mythical red wolf, to a jovial, geriatric group of Russian expats who brew their own mind-bending vodka, Merry Wrath worries that if she doesn't find the killer soon, this case may be her last. **Kiss the Girl** - Melissa Brayden 2014-07-14

Sleeping with the enemy has never been so complicated. Twenty-eight-year-old Brooklyn Campbell is having a bad day. A speeding ticket, a towed car, and a broken heel are all working against her laid-back vibe. To top it all off, her birth mother, whom she's never met, has requested contact. The only bright spot is an impromptu date with a beautiful and mysterious

brunette. Jessica Lennox is what you would call a high-powered executive. She's the head of a multimillion-dollar advertising firm in New York City, and it didn't happen by accident. But when the blonde head turner from the wine bistro turns out to be her number one competitor, her life gets infinitely more complex. Is New York big enough for both Brooklyn and Jessica? Maybe it's just time they experienced it together...
