**The Girl I Left Behind** - Judith Nies 2009-10-13

At the height of the Vietnam War protests, twenty-eight-year-old Judith Nies and her husband lived a seemingly idyllic life. Both were building their respective careers in Washington—Nies as the speechwriter and chief staffer to a core group of antiwar congressmen, her husband as a Treasury department economist. But when her husband brought home a list of questions from an FBI file with Judith's name on the front, Nies soon realized that her life was about to take a radical turn. Shocked to find herself the focus of an FBI investigation into her political activities, Nies began to reevaluate her role as grateful employee and dutiful wife. A heartfelt memoir and a piercing social commentary, *The Girl I Left Behind* offers a fresh, candid look at the 1960s. Recounting Nies's courageous journey toward independence and equality, it evaluates the consequences of the feminist movement on the same women who made it happen—and on the daughters born in their wake.

[The Girl They Left Behind](#) - Roxanne Veletzos 2019-09-03

A sweeping historical romance that is “gripping, tragic, yet filled with passion and hope” (Kate Quinn, New York Times bestselling author), offering a vivid and unique portrayal of life in war-torn 1941 Bucharest during World War II and its aftermath—perfect for fans of *Lilac Girls* and *Sarah’s Key*. On a freezing night in January 1941, a little Jewish girl is found on the steps of an apartment building in Bucharest. With Romania recently allied with the Nazis, the Jewish population is in grave danger so the girl is placed in an orphanage and eventually adopted by a wealthy childless couple who name her Natalia. As she assimilates into her new life, she all but forgets the parents who were forced to leave her behind. As a young woman in Soviet Romania, Natalia crosses paths with Victor—an important official in the Communist regime that she used to know as an impoverished young student. Now they are fatefully drawn into a passionate affair despite the obstacles swirling around them and Victor’s dark secrets. When Natalia is suddenly offered a one-time chance at freedom, Victor is determined to help her escape, even if it means losing her. Natalia must make an agonizing decision: remain in Bucharest with her beloved adoptive parents and the man she has come to love, or seize the chance to finally live life on her own terms, and to confront the painful enigma of her past. *The Girl They Left Behind* “is a vividly told, beautifully written, impossible-but-true story” (Helen Bryan, internationally bestselling author of *War Brides*) that you won’t soon forget.

'... I'm sure I'm not the only one who's thinking; hang on a minute; "I seem to have the knack of pleasing ladies." In trousers? With short hair? In public? Was that allowed? Indeed it was.' A cool and contemporary look at one of the most intriguing aspects of musical theatre - just what is it that makes a woman in trousers so appealing? Accompanied by a piano, mezzo-soprano Jessica Walker dons a few well-chosen items of male attire, giving a supremely well-sung performance that conjures up an entire world, from the swaggering cross-dressers of the Victorian Music Hall to the ambiguous boy-heroes of Mozart and Strauss, to the back-room bulldykes of the Harlem Renaissance. Commissioned and produced by Opera North Projects with the Southbank Centre touring partner Welcome to Yorkshire. *The Girl I Left Behind Me* is a

provocative, flirtatious, personal one woman-guide which deliciously recalls a forgotten chapter of female performance. The Girl I Left Behind Me will be performed at The Barbican Centre in November 2011 as part of the Bite Season.

**Girl Left Behind** - Judy Temes 2021-06-15

Girl Left Behind At age five, Judy Temes was living with her parents and brother in a small town near Hungary's southern border. Unlike most, the family had comforts: a roomy apartment, a television, even a vacation home. What more could anyone want? But for her father, a doctor and a survivor of the Holocaust, living among the people who stood by as his family was taken to their deaths in cattle cars had become untenable. On a summer night in 1969, the family packed the car for what was supposed to be a vacation to Vienna. Only this was no vacation. They were escaping Hungary's totalitarian regime, using tourist visas that allowed entry into a Western country. Such visas, however, came at a high price. One child had to be left behind. This was the government's way to ensure that citizens who left the country would return. The child left behind was "Juditka," who would go on to live with her grandmother in a tiny lakeside Hungarian village. When, if ever, would she see her family again? No one knew.
