

The Girl Savage

[The Savage Girl](#) - Alex Shakar 2009-10-13

In the wake of her sister Ivy's widely publicized suicide attempt, Ursula Van Urden arrives in the metropolis of Middle City with hopes of starting her own life anew. In an attempt to understand the events leading up to her sister's breakdown, Ursula meets Ivy's mysterious boyfriend, Chas Lacouture, and joins his trendspotting firm, Tomorrow, Ltd. Armed with only a sketch pad and the mandate to "find the future," she begins an odyssey into the strangely intoxicating world of trendspotting where one lesson prevails: At the heart of every product lies a paradox, and when cultivated successfully, it yields untold riches. As Ivy's delusions grow stronger and more apocalyptic, Ursula's observations of a filthy, rodent-eating homeless girl -- an urban savage -- lead to an elaborate advertising scheme gone awry that has unexpected consequences.

The Girl in the Glass - James Hayman 2015-08-25

New York Times Bestseller! Two identical women. Two identical murders. Two lives brutally cut short 108 years apart June 1904. Aimée Garnier Whitby, a beautiful French artist and wife of one of Maine's richest and most powerful men, is found near death on the Whitby family's private summer island, the letter "A" mysteriously carved into her chest. June 2012. Veronica Aimée Whitby, the eighteen-year-old descendant and virtual double of the first Aimée, becomes the victim of a near perfect copycat murder. With another beautiful, promising young Whitby woman slain, the media begin to swarm and pressure builds for Mike McCabe and Maggie Savage to bring the killer quickly to justice. But the key to solving Aimée's death just might have been buried with her beautiful ancestor. The latest McCabe and Savage thriller from USA Today bestselling author James Hayman is a crackling, twisty novel of suspense, perfect for fans of J.A. Jance and John Sandford.

Beautiful Broken Girls - Kim Savage 2017-02-21

Remember the places you touched me. Ben touched seven parts of Mira Cillo: her palm, hair, chest, cheek, lips, throat, and heart. It was the last one that broke her. After Mira's death, she sends Ben on a quest to find notes she left him in the seven places where they touched—notes that explain why she and her sister, Francesca, drowned themselves in the quarry lake. How Ben interprets those notes has everything to do with the way he was touched by a bad coach years ago. But the truth behind the girls' suicides is far more complicated, involving a dangerous infatuation, a deadly miracle, and a crushing lie. BEAUTIFUL BROKEN GIRLS is a stunning release from Kim Savage, the author of the critically acclaimed *After the Woods*.

[The Savage Kind](#) - John Copenhaver 2021-10-05

Two lonely teenage girls in 1940s Washington, DC, discover they have a penchant for solving crimes—and an even greater desire to commit them—in the new mystery novel by Macavity Award-winning novelist John Copenhaver. Philippa Watson, a good-natured yet troubled seventeen-year-old, has just moved to Washington, DC. She's lonely until she meets Judy Peabody, a brilliant and tempestuous classmate. The girls become unlikely friends and fashion themselves as intellectuals, drawing the notice of Christine Martins, their dazzling English teacher, who enthralles them with her passion for literature and her love of noirish detective fiction. When Philippa returns a novel Miss Martins has lent her, she interrupts a man grappling with her in the shadows. Frightened, Philippa flees, unsure who the man is or what she's seen. Days later, her teacher returns to school altered: a dark shell of herself. On the heels of her teacher's transformation, a classmate is found dead in the Anacostia River—murdered—the body stripped and defiled with a mysterious inscription. As the girls follow the clues and wrestle with newfound feelings toward each other, they suspect that the killer is closer to their circle than they imagined—and that the greatest threat they face may not be lurking in the halls at school, or in the city streets, but creeping out from a murderous impulse of their own.

The Savage Fortress - Sarwat Chadda 2012-10-01

For fans of Roshani Chokshi and Rick Riordan! "A fabulous, action-packed modern take on Indian mythology. I can't wait to read more!" --Rick Riordan, author of the Percy Jackson series After three weeks of vacation, Ash Mistry is ready to leave the heat and dust of India behind him. Then he discovers a hidden gold arrowhead---a weapon used to defeat evil King Ravana in legend. At least, Ash is pretty sure it's only a legend . . . But when Lord Savage comes after Ash, the legends are suddenly way too real. Savage commands an army of monstrous shapechangers called rakshasas, who want only to seize the arrowhead and restore Ravana to power. As they hunt Ash through magnificent fortresses and brutal deserts, he must learn to work with a powerful rakshasa girl named Parvati, and find the strength within himself to fight on and save the world as we know it.

The Savage Dawn - Melissa Grey 2017-07-06

The sides have been chosen and the battle lines drawn. After awakening the firebird, Echo is now the only one with the power to face the darkness she unwittingly unleashed upon the world . . . right into the waiting hands of Tanith, the new Dragon Prince. Tanith has one goal in mind: destroy her enemies, raze their lands, and reign supreme in a new era where the Drakharin are almighty and the Avicen are nothing but a memory. The war that has been brewing for centuries is finally imminent. But the scales are tipped. Echo might hold the power to face the darkness within the Dragon Prince, but she has far to go to master it. And now she's plagued by uncertainty. Is she strong enough to stare into the face of evil and not lose herself in its depths? The war has begun, and there is no looking back. There are only two outcomes possible: triumph or death.

[The Alienist \(TNT Tie-in Edition\)](#) - Caleb Carr 2017-11-21

NEW YORK TIMES BESTSELLER • NOW A TNT ORIGINAL SERIES • "A first-rate tale of crime and punishment that will keep readers guessing until the final pages."—Entertainment Weekly "Caleb Carr's rich period thriller takes us back to the moment in history when the modern idea of the serial killer became available to us."—The Detroit News When *The Alienist* was first published in 1994, it was a major phenomenon, spending six months on the New York Times bestseller list, receiving critical acclaim, and selling millions of copies. This modern classic continues to be a touchstone of historical suspense fiction for readers everywhere. The year is 1896. The city is New York. Newspaper reporter John Schuyler Moore is summoned by his friend Dr. Laszlo Kreizler—a psychologist, or "alienist"—to view the horribly mutilated body of an adolescent boy abandoned on the unfinished Williamsburg Bridge. From there the two embark on a revolutionary effort in criminology: creating a psychological profile of the perpetrator based on the details of his crimes. Their dangerous quest takes them into the tortured past and twisted mind of a murderer who will kill again before their hunt is over. Fast-paced and riveting, infused with historical detail, *The Alienist* conjures up Gilded Age New York, with its tenements and mansions, corrupt cops and flamboyant gangsters, shining opera houses and seamy gin mills. It is an age in which questioning society's belief that all killers are born, not made, could have unexpected and fatal consequences. Praise for *The Alienist* "[A] delicious premise . . . Its settings and characterizations are much more sophisticated than the run-of-the-mill thrillers that line the shelves in bookstores."—The Washington Post Book World "Mesmerizing."—Detroit Free Press "The method of the hunt and

the disparate team of hunters lift the tale beyond the level of a good thriller—way beyond. . . . A remarkable combination of historical novel and psychological thriller.”—The Buffalo News

“Engrossing.”—Newsweek “Gripping, atmospheric . . . intelligent and entertaining.”—USA Today “A high-spirited, charged-up and unfailingly smart thriller.”—Los Angeles Times “Keeps readers turning pages well past their bedtime.”—San Francisco Chronicle

Savage Girls and Wild Boys - Michael Newton 2011-03-17

A compelling history of extraordinary children - brought up by animals, growing up alone in the wilderness, or locked for long years in solitary confinement. Wild or feral children have fascinated us down the centuries, and continue to do so today. Michael Newton deftly investigates such infamous cases as Peter the Wild Boy, who gripped the attention of Swift and Defoe; Memmie Le Blanc, the savage Girl of Champagne, a primitive outsider adrift on the streets of Enlightenment; Kaspar Hauser, a romantic orphan confined in a dungeon from infancy for sixteen years; Kamala and Amala, two girls brought up by wolves in the imperial India of the 1920s; and more recently, Genie, the girl locked up in a single room in Los Angeles throughout her whole childhood. He looks too at a boy bought up among monkeys in Uganda; and in Moscow, the boy found living with a pack of wild dogs. Savage Girls and Wild Boys looks at the lives of these children and of the adults who 'rescued' them, looked after them, educated or abused them. How can we explain the mixture of disgust and envy such children can provoke? And what can they teach us about our notions of education and civilisation?

Everyone tells Sophie that she was orphaned in a shipwreck - found floating in a cello case on the English Channel on her first birthday. But Sophie is convinced her mother also survived. When the Welfare Agency threatens to separate her from her guardian and send her to an orphanage, Sophie takes matters into her own hands, starting with the only clue she has - the address of a cello-maker in Paris. On the run from the authorities, Sophie finds Matteo and his network of rooftoppers - urchins who walk tightropes and live in the sky. In a race across the rooftops of Paris, will they be able to find her mother before it's too late? Hopeful, inspiring and thrilling in equal measure, this is a classic adventure story about pursuing your dreams and never ignoring a possible.

[Savage Girl](#) - Jean Zimmerman 2014-03-06

"An over-the-top romp through 1870s America . . . compulsively readable." —Oprah.com Jean Zimmerman's spectacular follow-up to The Orphanmaster has it all: Gilded Age romance, robber baron excess, detective story suspense, and a compelling female protagonist whom readers will fall in love with. In 1875, the Delegates, an outlandishly wealthy Manhattan couple on a tour of the American West, seek out a sideshow attraction called "Savage Girl." Her handlers avow that the wild, seemingly mute Bronwyn has been raised by wolves. Presented with the perfect blank slate to explore the power of civilized nurture, the Delegates take her back east to be introduced into high society. Cleaned up, Bronwyn is blazingly smart and darkly beautiful; as she takes steps toward her grand debut, a series of suitors find her irresistible—and begin to turn up murdered.

Tiny loves costumes! Tiny likes to dress up as an animal, or a doctor, or a butterfly. Tiny also prefers not to tell other children whether they are a boy or a girl. Tiny's friends don't mind, but when Tiny starts a new school their new friends can't help asking one question: "Tiny, are you a boy or are you a girl?" This brightly illustrated book will open a dialogue with children aged 3+ about gender diversity in a fun and creative way. Featuring a gender neutral protagonist, the book imparts an important message about identity and being who you want to be. Tiny's story will assist parents, family and teachers in giving children the space to express themselves fully, explore different identities and have fun at the same time.

[The Girl on the Bridge](#) - James Hayman 2017-05-09

From New York Times bestselling author of the acclaimed McCabe and Savage series comes an electrifying new thriller of taut and twisted suspense. On a freezing December night, Hannah Reindel leaps to her death from an old railway bridge into the rushing waters of the river below. Yet the real cause of death was trauma suffered twelve years earlier when Hannah was plucked from a crowd of freshman girls at a college fraternity party, drugged, and then viciously assaulted by six members of the college football team. Those responsible have never faced or feared justice. Until now. A month after Hannah's death, Joshua Thorne—former Holden College quarterback and now a Wall Street millionaire—is found murdered, his body bound to a bed and brutally mutilated. When a second attacker dies in mysterious circumstances, detectives Mike McCabe and Maggie Savage know they must find the killer before more of Hannah's attackers are executed. But they soon realize, these murders may not be simple acts of revenge, but something far more sinister. The Girl on the Bridge is a compelling and harrowing tale of suspense that once read will not easily be forgotten.
