The Soul of Sex - Thomas Moore 1999-08-04

A highly original approach from best selling author Thomas Moore, restoring sex to its rightful place in the human psyche as an experience of the soul. In *The Soul of Sex*, Thomas Moore at last restores sex to its rightful

place in the human psyche. Describing sex as an experience of the soul, Thomas Moore here brings out the fully human side of sex - the roles of fantasy, desire, meaning, and morality - and draws on religion, mythology art, literature, and film to show how sex is one of the most profound mysteries of life. While finding spirituality inherent in sex, Moore also explores how spiritual values can sometimes wound our sexuality. Blending rather than opposing spirituality and sexuality, *The Soul of Sex* offers a fresh, livable way of becoming more deeply sexual and loving in all areas of life.

A Religion of One's Own - Thomas Moore
2014-01-09

The New York Times bestselling author and trusted spiritual adviser offers a follow-up to his classic *Care of the Soul*. Something essential is missing from modern life. Many who've turned away from religious institutions—and others who have lived wholly without religion—hunger for more than what contemporary secular life has to

offer but are reluctant to follow organized religion's strict and often inflexible path to spirituality. In *A Religion of One's Own*, bestselling author and former monk Thomas Moore explores the myriad possibilities of creating a personal spiritual style, either inside or outside formal religion. Two decades ago, Moore's *Care of the Soul* touched a chord with millions of readers yearning to integrate spirituality into their everyday lives. In *A Religion of One's Own*, Moore expands on the topics he first explored shortly after leaving the monastery. He recounts the benefits of contemplative living that he learned during his twelve years as a monk but also the more original and imaginative spirituality that he later developed and embraced in his secular life. Here, he shares stories of others who are creating their own path: a former football player now on a spiritual quest with the Pueblo Indians, a friend who makes a meditative practice of floral arrangements, and a well-known classical

pianist whose audiences sometimes describe having a mystical experience while listening to her performances. Moore weaves their experiences with the wisdom of philosophers, writers, and artists who have rejected materialism and infused their secular lives with transcendence. At a time when so many feel disillusioned with or detached from organized religion yet long for a way to move beyond an exclusively materialistic, rational lifestyle, *A Religion of One's Own* points the way to creating an amplified inner life and a world of greater purpose, meaning, and reflection.

Dark Eros - Thomas Moore 1990

Embrace of the Daimon - Sandra Lee Dennis 2001

Some call the imaginal the realm of the archetypes, the home of the gods and goddesses, the land of the daimon, or the source of creativity. Others simply call it the soul. The daimon of the imaginal world facilitate the incarnation of soul into the physical body, and transforming these dark energies allows us to progress as spiritual beings, to live life from a more conscious view. Sandra Dennis suggests that attitudes devaluing the erotic, feminine, instinctual energies particularly those of sexuality, and destructiveness and the marginalization of bodily sensation itself, block these daimonic soul images from incarnating. She discusses our tendency to block these

transforming forces and offers suggestions on how to embrace and reclaim them to allow for a more integrated existence. She explains sensations associated with daimonic imagery fragmentation, rage, anxiety, pain, also the other side ecstasy, bliss, orgasmic release understanding that all of these sensations form the basis for profound change in the sense of self. Bibliography. Index.

Soul Therapy - Thomas Moore 2022-05-24
The New York Times bestselling author of the classic *The Care of the Soul* addresses the needs of those providing soul care to others--therapists, psychiatrists, ministers, spiritual directors, teachers, and even friends--sharing his insights for incorporating a spiritual or soulful dimension into their work and practices. *Soul Therapy* is the culmination of Thomas Moore's work. In his previous acclaimed books, he explored the soul in important areas of our lives--work, sex, marriage, family, religion, and aging. In this wise guide, he now returns to his core

vocation: teaching practitioners--therapists, psychiatrists, ministers, spiritual directors, and others--how to offer soul care to those they assist. A training manual infused with a lifetime's worth of wisdom, Soul Therapy is divided into five sections: What therapy or "soul care" is and how it works; What soul work is required of the helper to be able to address the needs of others; How to access and move forward the spiritual dimension; How to apply this work to specific areas, such as work, marriage, parenting, or teaching; How to deal with other issues that arise, such as developing a therapeutic style, dealing with one's shadow, and the need for self-care. Profound yet practical, enlightened yet grounded in real-world experience, Soul Therapy will become a definitive resource for caregivers and practitioners for years to come.

The Soul of Sex - Thomas Moore 1998-06-03

In our age of science and psychology it's tempting to think of human sexuality in terms of

biology and interpersonal relationships. But this new book by Thomas Moore regards sex as an experience of the soul and emphasizes the themes of fantasy, desire, meaning, and morality. In *The Soul of Sex*, Moore turns especially to religion, mythology, literature, rites, stories, and visual imagery that see in sex some of the most profound mysteries of life. He finds spirituality inherent in sex and at the same time explores the many ways in which spiritual values can sometimes wound our sexuality. He recommends chastity and celibacy for everyone--as aspects of sexuality and not only as literal lifestyles--and presents them as a means of developing a sensuous spirituality. *The Soul of Sex* also establishes the principle that one can't have a fully satisfying sex life in a world that is asexual and antierotic. Thomas Moore recommends many ways in which society could tone down its moralism and create a public life that is erotic, one that affirms desire and pleasure. He sees widespread attention to sex in

the media as a symptom of our failure to find a positive place for sex in the culture, and he spells out an Epicurean way of life in which the simple, deep pleasures of good food, friends, family, home, and intimacy with nature provide an appropriate erotic base for a fulfilling sex life. This is a book for any individual of any gender or lifestyle who is trying to integrate sex into the rest of life. It is also a tool for couples, helping them to explore their sexuality with honesty, appropriate emotional complexity, civility, and comfort. Moore argues that sex should be at the center of life and at the top of our priorities and if we don't give sex its due, it will haunt and consume us. But when sex has a soul, deep pleasure and meaning find a common home, and in that sense this book is a sex manual for the soul.

Soul Mates - Thomas Moore 2016-02-16

In *Care of the Soul*, Thomas Moore explored the importance of nurturing the soul and struck a chord nationwide—the book became a long-term

bestseller, topping charts across the country. Building on that book's wisdom, *Soul Mates* explores how relationships of all kinds enhance our lives and fulfill the needs of our souls. Moore emphasizes the difficulties that inevitably accompany many relationships and focuses on the need to work through these differences in order to experience the deep reward that comes with intimacy and unconfined love. "I devoured *Soul Mates* like some comfort food for the spirit. . . . Moore moves love off the fast track and into the realm of mystery and imagination where it belongs."—*New Woman* "An eloquent, passionate, often mystical exploration of how we mere mortals might better understand ourselves and others in a society in which so much emphasis is placed on interpersonal dynamics and so little on introspection, care, grace, gratitude, and honor."—*Detroit News*

The Re-enchantment of Everyday Life -

Thomas Moore 1997-02-27

Starting from the premise that we can no longer

Downloaded from
legacy.opendemocracy.net on 2022-10-30
by guest

afford to live in a disenchanted world, Moore shows that a profound, enchanted engagement with life is not a childish thing to be put away with adulthood, but a necessity for one's personal and collective survival. With his lens focused on specific aspects of daily life such as clothing, food, furniture, architecture, ecology, language, and politics, Moore describes the renaissance these can undergo when there is a genuine engagement with beauty, craft, nature, and art in both private and public life. Millions of readers who found comfort and substance in Moore's previous bestsellers will discover in this book ways to restore the heart and soul of work, home, and creative endeavors through a radical, fresh return to ancient ways of living the soulful life.

The Soul of Sex - Thomas Moore 1998

This superb new volume is addressed to everyone interested in hope, regardless of their religious or philosophical beliefs. Glenn Tinder, one of our most astute and creative thinkers,

probes the failure of modern, secular hope and shows, with great sensitivity and openness, why the tenets of Christian faith offer a true and meaningful source for hope amid the widespread distress, confusion, and despondency of contemporary life. From The Critics Jean Bethke Elshtain Glenn Tinder argues compellingly that modern despondency flows from a collapse of unreasonable optimism about our individual and collective prospects. By contrast to despondency and brittle optimism, Tinder calls for a renewal of hope. Framed by Christian belief, Tinder's elegant essay reaches out to appeal to all men and women troubled by our current condition. A beautifully written and touching work. Michael Novak Tinder's weighty essay on the nature, spirituality, and politics of hope offers an illuminating perspective on a central pillar of civilization. Mary Ann Glendon "A pristine intellectual and spiritual achievement by one of the most penetrating thinkers. of our day"

Richard John Neuhaus "With this essay Tinder

legacy.opendemocracy.net on 2022-10-30
by guest

once again vindicated his reputation as one of the most incisive thinkers and graceful writers working today. His is a most powerful argument that only a hope that has come to terms with all the reasons for despair can sustain us into a future that we do not and cannot control.

Tinder's wisdom is in knowing that attention to first things requires facing up to last things."

Stalking the Soul - Marie-France Hirigoyen

2004

Dr. Marie-France Hirigoyen lays bare the destructive "hidden" phenomenon of emotional abuse. She argues that while emotional abuse is not as visible as physical abuse, it is equally violent--and perhaps even more widespread.

Dark Nights Of The Soul - Thomas Moore
2011-10-06

A 'dark night of the soul' is not a psychological syndrome, but a quest for meaning during life's darkest hours: the loss of a loved one, the end of a relationship, ageing and illness, career disappointments or just an ongoing dissatisfaction with life. Thomas Moore's extensive experience as a psychologist and theologian has taught him that the dark night is a challenge to restore ourselves and to become someone of substance, depth and soul. By using these trying times as an opportunity to reflect and delve into the soul's deepest needs, we can find a new understanding of life's meaning. *Dark Nights of the Soul* has its roots in a favourite chapter in Thomas Moore's million copy bestseller, *Care of the Soul*. In this beautifully-written and thought-provoking work he explores our contemporary anxieties and insecurities and shows how these metaphoric dark nights can

Downloaded from
legacy.opendemocracy.net on 2022-10-30

become transforming rites of passage.

Ageless Soul - Thomas Moore 2017-10-19

FROM THE NEW YORK TIMES BESTSELLING AUTHOR OF CARE OF THE SOUL COMES AN UPLIFTING MEDITATION ON THE ART OF GROWING OLDER 'Thomas Moore convinces us that we age best when we embrace our age, live agelessly, and remember every day to find the endless joy nestled inside our soul' Dr Rudolph E. Tanzi, Professor of Neurology, Harvard Medical School, and New York Times bestselling author of Super Brain and Super Genes Ageless Soul reveals a fresh, optimistic and rewarding

path towards ageing. Renowned psychotherapist and bestselling author Thomas Moore shows us that as we grow older we become more distinctive and complex. Drawing on stories from his practice as a psychotherapist and teacher, Moore argues for a new vision of ageing and shows readers how to embrace the richness of the experience and how to feel fulfilled as they grow older. Thomas Moore is the New York Times bestselling author of Care of the Soul, as well as many other books on enriching your life. At turns he has been a monk, a musician, a university professor, and a psychotherapist. Today he lectures widely on creating a more soulful world and on spirituality. 'With Ageless Soul, Thomas Moore extends a magnificent invitation to reflect, grow up with joy and intention, and give back with an open heart. Accept and pleasure follows.' Marc Freedman, founder and CEO of Encore.org and author of The Big Shift
