Where Do You Fall Apart? - Vikas Marmat
2022-02-22

This book has poems reciting tales with the theme of 'love thyself' whereby the idea is to understand that 'in this world, people will love you at first, may betray you later, and every single time you've got to pick yourself up to keep moving for something better.' It has poems that define the purity of love like in 'She is a Beautiful Magic', the smell of betrayal like in 'Secret', and a sea of hope like in 'Past Isn't a Nightmare'. Further, some lesson-giving tales are written for Hindi readers whereby poems like '?????' talk about a way out from a toxic relationship. These poems were written at a complex stage when the author was deep in love while simultaneously fighting for his self-worth. Overall, this book is about healing your broken heart without forgetting the lessons of the past. The ultimate lesson is to learn 'how to love oneself before falling in love with someone else'.

My Lamp Went Out - Rhyia Gibbons
2019-02-27

This book is filled with poetry about youth finding love, new experiences, and living life. This book is also filled with poetry about that love turning abusive, the experiences turning harsh and unwanted, and life turning cold and dark. This book is filled with poetry about learning self love, finding the best in making new experiences, and learning to love life again. I think there's something in this book everyone can relate to at one time or another whether it be; new love and naivete, a toxic relationship, drug/alcohol use (the fun and the not fun kind), and self-love.

experience the heartache at the end of a relationship. It could be with a friend, a love, or even someone from our own family. We grieve all the same. This humble book of poetry is a journey of healing. Each chapter represents a stage of grief, with artful words that touch the hurting soul in a most compassionate and deeply vulnerable way. Words that are true to the experience of loss. Challenge yourself to deep self reflection as you take a journey through denial, anger, depression, bargaining, and finally acceptance. May you find your way out of the woods and finally be able to see the forest through the trees.

Memoria of a Heart - Cindy J. Steward
2020-07-02

Memoria of a Heart is a collection of poetry and illustrations about the journey of a heart through grief, each poem describing emotions and feelings disturbing the balance in the mind and soul during toxic relationships. It is not particularly about one person or a specific kind of relationship. It is about the mixture of emotions that anyone can relate to and the internal struggles during hardships. Divided in 5 stages - each representing a stage of grief - it voices the pain and restlessness when experiencing the loss of a loved one, either alive or dead. This is for every heart that has their memories torturing them and fights the dark that is sucking them in. May the sun shine upon you once again.

A Lot Like Love - Sonia Sabnis 2019-02-18

Most of us are lucky enough to fall in love and have our love returned. But some of us, spend our time on something that is a lot like love, but

not love. It is toxicity in disguise. And this book, is for all those who have known a love like that. A love that you were naïve enough to fall into. A love that you were weak enough to believe would change. A love that you were scared to walk away from. Getting over a love like that, takes a lot of strength. And I hope that the words enclosed in this book, help you find that strength within yourself - the strength to walk away from a toxic relationship and start over.

The poetry of toxic love - Guido Pagliarino 2022-09-13

In previous works based on the characters Vittorio D'Aiazzo and Ranieri Velli, "L'ira dei vilipesi", "Il mostro a tre braccia", "I satanassi di Torino", the pair were both police officers (or Public Security, as it was called in the past), commissioner the first, his adjutant the second. In this subsequent work, while Vittorio has remained in service and risen to the rank of deputy chief commissioner, Ranieri has courageously left the uniform with its fixed salary to devote himself exclusively to his passion, writing; and lives with difficulty on the pen, working occasionally as a journalist at a newspaper and underpaid editor in a publishing house; and this time, both in the novel "The Poetry of Toxic Love" and in the short story that follows it, he is above all the main character, not Vittorio, even though his friend certainly does not remain in the background. In previous works based on the characters Vittorio D'Aiazzo and

Ranieri Velli, "L'ira dei vilipesi" ("The Wrath of the Reviled"), "Il mostro a tre braccia", "I satanassi di Torino", the pair were both police officers (or officers of Public Security, as it was called in the past), commissioner the first, his adjutant the latter. In this subsequent work, while Vittorio had remained in the service and had risen to the rank of deputy police commissioner, Ranieri had courageously left the uniform with its fixed salary to devote himself exclusively to his passion, writing. He barely scrapes along relying on his pen, as part-time journalist at a newspaper and underpaid editor in a publishing house; and this time, in both the novel "The poetry of toxic love" and the short story that follows it, he is the main character, not Vittorio, even if his friend certainly does not rest in the background. Returning home on a July day in 1969, Ranieri finds a letter from New York in the mail informing him that he has won a rich literary prize for his poetic work, translated in the United States. Shortly after, there are attacks on his life cloaked as accidents, which are unsuccessful thanks to his athleticism and martial arts ability. Were these attempts at revenge by one of the many criminals that Ranieri had brought to justice before leaving the police force? Or, as he comes to suspect, does the motive lie precisely in that literary prize? Or even more surprisingly, can a sylloge of his poems which were recently printed completely without his knowledge be the motive? Valli flies to New York for the award ceremony and is greeted at Kennedy Airport by a young Italian American, Norma Costante, a sexy beauty who has been engaged by the Valente Foundation, organizer of the award, to assist him as an interpreter and escort. She, close to divorce from her husband, a bisexual painter who betrayed her by participating in orgies with his male and female models, seems to fall passionately in love with him while Ranieri, certainly, warms to her; but a bitter fact will emerge from the sensual lady's past. Meanwhile, in America too, on several occasions someone tries to kill the poet, always masking their criminal attempts as fortuitous accidents; and although Ranieri still manages to escape death, other people however are affected, first John Crispy, a prominent American broker who administers the assets of Donald Montgomery, a

young man with a cold character, director of the FBI in New York and candidate for the United States Senate: he perhaps hates his administrator because he is close to marrying his mother, the richest woman in America. At a certain point one fact seems certain, that despite himself the poet has become a pawn in an international criminal chess game that concerns Italy in particular, a country which in that year of 1969, was prey to social violence and civil unrest. There are numerous twists and turns; among other things people believed to be dead reappear on the scene alive, while figures conside Translator: Barbara Maher PUBLISHER: TEKTIME

Whispers From My Soul - Alin Cristian Neagu 2021-03-09

This book is about me and my journey, it is about you and all of us and I am making this statement simply because I strongly believe that even though we are different beings and we have our uniqueness, we do function by the same universal laws- we have feelings and thoughts, we have triggers that make us act/ react in a certain way, we have principles and patterns that shape our behavior and personality. We are all actors, writers, singers, painters, etc. sending a collective message out there in our way resonating with those alike and the best lessons are coming to us when and from where it hurts the most.

Tides of Poisonous Love - William Pritchett 2021

Her love Was a Match That lit A flame To my heart, And still To this day It burns. When we give our heart to another, it can sometimes leave us vulnerable to pain and heartache, especially when the relationship becomes toxic. In an interconnected lyrical narrative, William Pritchett shares free verse that vividly explores the highs of new love as well as the lows that surround a broken heart after a relationship ends. His poems reflect on how love not only has the power to fill the cracks in a lonely heart, but also the power to leave it shattered. Throughout his collection, William offers a gentle reminder that leaving ourselves vulnerable to heartache is how we eventually find true love. *Tides of Poisonous Love* is a volume of poems that leads others on a journey through love, loss, and heartache as a relationship begins and ends.
