

Who Is The Most Popular Female Celebrity

The Drama of Celebrity - Sharon Marcus 2020-08-11
Why do so many people care so much about celebrities? Who decides who gets to be a star? What are the privileges and pleasures of fandom? Do celebrities ever deserve the outsized attention they receive? In this fascinating and deeply researched book, Sharon Marcus challenges everything you thought you knew about our obsession with fame. Icons are not merely famous for being famous; the media alone cannot make or break stars; fans are not simply passive dupes. Instead, journalists, the public, and celebrities themselves all compete, passionately and expertly, to shape the stories we tell about celebrities and fans. The result: a high-stakes drama as endless as it is

unpredictable. Drawing on scrapbooks, personal diaries, and vintage fan mail, Marcus traces celebrity culture back to its nineteenth-century roots, when people the world over found themselves captivated by celebrity chefs, bad-boy poets, and actors such as the "divine" Sarah Bernhardt (1844-1923), as famous in her day as the Beatles in theirs. Known in her youth for sleeping in a coffin, hailed in maturity as a woman of genius, Bernhardt became a global superstar thanks to savvy engagement with her era's most innovative media and technologies: the popular press, commercial photography, and speedy new forms of travel. Whether you love celebrity culture or hate it, *The Drama of Celebrity* will change how you think about one of the most important

phenomena of modern times.

All Made Up - Audrey D.

Brashich 2006-04-18

An exploration of why the definitions of beauty and success set by celebrities are so powerful, and how a teenage girl can reclaim star power for herself.

Famous Women - Giovanni Boccaccio 2003

Giovanni Boccaccio devoted the last decades of his life to compiling encyclopedic works in Latin. Among them is this text, the first collection of biographies in Western literature devoted to women.

Tulisa - The Biography - 2012-08-06

Tulisa Contostavlos has one of the most fascinating and shocking life-stories in showbusiness. Her childhood included harrowing episodes of self-harm, bullying, witchcraft, drug abuse and suicide attempts. Then there has been the ever-present challenge of her mother's mental disorder which Tulisa - as the only child in a single-parent family - had to face alone. How did she rise from such a troubled and

dangerous childhood to become first an edgy urban artist and then the much-loved people's princess of Saturday night television? This book, written by leading celebrity biographer Chas Newkey-Burden, tells her eventful and inspirational story for the first time. It uncovers the rich showbusiness heritage of her ancestors and then follows her through her childhood, unflinchingly examining the horrors she faced. It then traces how music became her salvation, thanks to the loving mentorship of Uncle B - the man who formed N-Dubz. The book then follows this never satisfied, always ambitious young woman as she moved into the mainstream and became the nation's sweetheart on The X Factor. The reader is taken behind the scenes to discover the reality of her successful first series on the show, as she guided Little Mix to victory. With a fine cast of supporting characters including Dappy, Fazer, Gary Barlow and Simon Cowell, this is a colourful, entertaining,

insightful and shocking portrait of one of Britain's most popular female celebrities.

Idols and Celebrity in Japanese Media Culture - P. W. Galbraith 2012-08-30

This is the most complete and compelling account of idols and celebrity in Japanese media culture to date. Engaging with the study of media, gender and celebrity, and sensitive to history and the contemporary scene, these interdisciplinary essays cover male and female idols, production and consumption, industrial structures and fan movements.

Celebrity and New Media - Stephanie Patrick 2022-05-04

This book looks back to the early days of new and social media, to examine the potential threat that such technologies and platforms posed to the mainstream corporate media's gatekeeping, and its ability to exploit, humiliate, and even violate famous women.

Drawing on her own experiences working as part of this gatekeeping system, Stephanie Patrick argues that, in order to combat this threat,

the mainstream media doubled down on gendered narratives of meritocracy that legitimized certain (male) celebrities over others. Using a range of case studies spanning "old" media sites and "new," including Disney, Playboy, and reality television, this book demonstrates that sexual exploitation and violation could be considered constitutive of female celebrity, rather than a side effect. Patrick's case studies include some of America's most (in)famous celebrities, including Miley Cyrus, Lindsay Lohan, Anna Nicole Smith, Paris Hilton, and Donald Trump, urging readers to question their assumptions about these figures and their public trajectories. This nuanced exploration of patriarchal capitalism and women's ongoing sexual exploitation by the media will be an important reference for scholars and students of digital and new media, journalism, celebrity studies, and gender studies.

A timely collection exploring the politics of female celebrity across a range of contemporary, historical, media and national contexts. >

Celebrity - Peter Jung
2005-07-01

Ryan Briton is a New York City radio DJ but what sets him apart from most is his friendship with a worldwide known female pop star. When she dies in a car crash Ryan is thrown out into a journey that will force him to confront what their relationship really was as well as put him headfirst into the music industry as a singer. Ryan then finds out just how hard it is to live in the public eye and maintain a private life at the same time as well as how tough it is to figure out who you can trust in the industry and who you can't...

Georgina Weldon - Joanna Martin 2021

A fascinating account of the life of one of the most famous women of the Victorian era.

Bert Stern - Bert Stern 2008

Bert Stern has created some of the most memorable photographs of female celebrities ever taken. He is perhaps best known for his photographs of Marilyn Monroe. Photographed just six weeks before her death, these images exhibit a dreamy sensuality that lingers in the memory. Stern's other iconic images include the infamous sunglasses movie poster for Lolita. Shaped by his background as an accomplished commercial photographer, Stern's is a uniquely exuberant and colorful view of the world. His subjects range from cinema legends like Elizabeth Taylor and Audrey Hepburn to pop sensation Madonna. Stern has directed a number of films and commercials, most notable of which is *Jazz on a Summer's Day*, a documentary of the 1958 Newport Jazz Festival. A

comprehensive and in-depth look at this true American icon. A must-have for lovers of modern photography and popular culture. English and German text “

Female Celebrity and Ageing - Deborah Jermyn

2016-04-29

Female Celebrity and Ageing: Back in the Spotlight interrogates the myriad ways in which celebrity culture constructs highly visible ideologies of femininity and ageing, and how ageing female celebrities have negotiated the media in a variety of industrial, historical and national contexts. In the era when the ‘baby boomers’ have started drawing their pensions, the boundaries of what constitutes ‘old age’ have never seemed more fluid, and ageing has never been presented by advertisers and marketers in a more dynamic fashion. However, the fact remains that ageing is still widely feared, and growing old is an inherently gendered process, in which ageing women are paradoxically both rendered

invisible and subjected to damning scrutiny. Nowhere is this conflicting state of affairs more evident than in celebrity culture, where ageing female stars are praised for ‘growing old gracefully’ one moment, and condemned for ‘letting themselves go’ the next, when they fail to age ‘appropriately’. Examining a variety of themes and ageing women in the spotlight, from Barbara Stanwyck to Madonna to Charlotte Rampling, the essays collected here forge new critical and conceptual insights into how women grow older in the media, and the implications of this for what Susan Sontag memorably called “the double standard of ageing”. This book is based on a special issue of *Celebrity Studies*.

Tweenhood - Melanie Kennedy
2020-04-30

A powerful female, pre-adolescent, consumer demographic has emerged in tandem with girls becoming more visible in popular culture since the 1990s. Yet the cultural anxiety that this has caused has received scant

academic attention. In Tweenhood, Melanie Kennedy rectifies this and examines mainstream, pre-adolescent girls' films, television programmes and celebrities from 2004 onwards, including *A Cinderella Story* (2004), *Hannah Montana* (2006) and *Camp Rock* (2008). Her book forges a dialogue between post-feminism, film and television, celebrity and most importantly; the figure of the tween. Kennedy examines how these media texts, which are so key to tween culture, address and construct their target audience by helping them to 'choose' an appropriately feminine identity. Tweenhood then, she argues, is transient and a discursive construct whose unpacking highlights the deification of celebrity and femininity within its culture. *Hollywood's Most Influential Female Celebrities* - Liz Fe Lifestyle 2021-08-22

Hollywood isn't an easy place to work, for various reasons. And this is especially true for women. The amount of discrimination, mistreatment,

and sexual harassment that many actresses in Hollywood experienced is enough to fill a book of its own. However, in spite of these limiting factors, there are female actors who have risen through the ranks and made a name for themselves. All while fighting the misogynistic views the film and music industry often propagate. Throughout the course of this book, we'll go over only a few of the many female actresses and performers who are shaping the media for the better.

Celebrity Humanitarianism and North-South Relations -

Lisa Ann Richey 2015-08-20

Discussion over celebrity engagement is often limited to theoretical critique or normative name-calling, without much grounded research into what it is that celebrities are doing, the same or differently throughout the world. Crucially, little attention has been paid to the Global South, either as a place where celebrities intervene into existing politics and social processes, or as the generator

of Southern celebrities engaged in 'do-gooding'. This book examines what the diverse roster of celebrity humanitarians are actually doing in and across North and South contexts. Celebrity humanitarianism is an effective lens for viewing the multiple and diverse relationships that constitute the links between North and South. New empirical findings on celebrity humanitarianism on the ground in Thailand, Malawi, Bangladesh, South Africa, China, Haiti, Congo, US, Denmark and Australia illustrate the impact of celebrity humanitarianism in the Global South and celebrityization, participation and democratization in the donor North. By investigating one of the most mediatized and distant representations of humanitarianism (the celebrity intervention) from a perspective of contextualization, the book underscores the importance of context in international development. This book will be of interest to students and

researchers in the fields of development studies, celebrity studies, anthropology, political science, geography, and related disciplines. It is also of great relevance to development practitioners, humanitarian NGOs, and professionals in business (CSR, fair trade) who work in the increasingly celebrityized field.

could be right or I could be wrong about who I selected on the list. Give me your opinion and tell me what you think if I pick the right candidates on this list. I have a keen eye on who is the most attractive celebrities of the world. I could be wrong, but you tell me yourself if I pick the wrong candidate. I will select very thoroughly about the right people who is selected to be on Bobby Cinema's Top 103 Most beautiful and hottest celebs in the world. Before I start making this list I want let you know that this list could help celebrities out in the long run and help them feel a little good about themselves. Remember I pick my candidates thoroughly. Let's get this baby started and I'll see you in the end of my book.

[Kitty Fisher](#) - Joanne Major
2022-12-31

'Lucy Locket lost her pocket, Kitty Fisher found it, not a penny was there in it, only ribbon round it.' Generations of children have grown up knowing Kitty Fisher from the nursery rhyme, but who was

she? Remembered as an eighteenth-century 'celebrated' courtesan and style icon, it is surprising to learn that Kitty's career in the upper echelons of London's sex industry was brief. For someone of her profession, Kitty had one great flaw: she fell in love too easily. Kitty Fisher managed her public relations and controlled her image with care. In a time when women's choices were limited, she navigated her way to fame and fortune. Hers was a life filled equally with happiness and tragedy, one which left such an impact that the fascinating Kitty Fisher's name still resonates today. She was the Georgian era's most famous - and infamous - celebrity. This is more than just a biography of Kitty Fisher's short, scandalous and action-packed life. It is also a social history of the period looking not just at Kitty but also the women who were her contemporaries, as well as the men who were drawn to their sides... and into their beds. In this meticulously researched, lively and enjoyable book we

discover the real woman at the heart of Kitty Fisher's enduring myth and legend.

Female Celebrities in Contemporary Chinese Society
- Shenshen Cai 2019-02-15

This book focuses on a representative group of contemporary Chinese female celebrities including actors, directors, writers and reporters, notably personalities such as Liu Xiaoqing, Hong Huang, Chai Jing and the most sought after young generation actors, Yang Mi and Guan Xiaotong. It analyses the on- and off- screen roles of these famous Chinese women, and the cultural, gender and social impact and significance

embedded in them, whilst highlighting controversial social and cultural concerns and debates in contemporary China. The book furthers the understanding of the role played by contemporary female celebrities who are considered as social, cultural and feminist icons in present-day China, as reflected in their work, careers and private lives, and whose experiences help to understand Chinese women's attitudes towards key issues such as career trajectories, marriage and family, gender identity, social changes, civil debates and political transformations, all of which are at the center of societal transformation in China.
