A Complicated Kindness - Miriam Toews
 2014-04-03

A work of fierce originality and brilliance, Miriam Toews' novel explores the ties that bind families together and the forces that tear them apart. It is the world according to Nomi Nickel, a heartbreakingly bewildered and wry young woman trapped in a small Mennonite town that seeks to set her on the path to righteousness and smother her at the same time. 'Half of our family, the better-looking half, is missing,' Nomi tells us at the beginning of *A Complicated Kindness*. Left alone with her father Ray, her days are spent piecing together the reasons her mother Trudie and her sister Tash have gone missing, and trying to figure out what she can do to avoid a career at Happy Family Farms, a chicken abattoir on the outskirts of East Village - not the neighbourhood in Manhattan where Nomi most wants to live but the small town in southern Manitoba. East Village is ministered by Hans, Nomi's pious uncle, otherwise known as The Mouth. As Nomi gets to the bottom of the truth behind her mother's and sister's disappearances, she finds herself on a direct collision course with her uncle and the only community she has ever known. In this funny, compassionate and moving novel, Miriam Toews has created a character who will stay in the hearts of readers long after they've put the book down.

Hot Dog Girl - Jennifer Dugan 2019-04-30

A fresh and funny contemporary YA rom-com about teens working as costumed characters in a local amusement park. "I'm wrecked with love for this funny, joyful, bighearted book." --Becky Albertalli, bestselling author of *Simon vs. the Homo Sapiens Agenda* Elouise (Lou) Parker is determined to have the absolute best, most impossibly epic summer of her life. There are just a few things standing in her way: • She's landed a job at Magic Castle Playland . . . as a giant dancing hot dog. • Her crush, the dreamy diving pirate Nick, already has a girlfriend, who is literally the princess of the park. But Lou's never liked anyone, guy or otherwise, this much before, and now she wants a chance at her own happily ever after. • Her best friend, Seeley, the carousel operator, has always been up for anything, but she's decidedly not on board when it comes to Lou's quest to set her up with the perfect girl or Lou's scheme to get close to Nick.

• And it turns out that this will be their last summer at Magic Castle Playland--ever--unless she can find a way to stop it from closing. Jennifer Dugan's sparkling debut coming-of-age queer romance stars a princess, a pirate, a hot dog, and a carousel operator who find love--and themselves--in unexpected people and unforgettable places. "Both classic and new, hysterical and heartfelt, and packed with all the awesomeness and awkwardness of first love, first job, and the painful thrill of growing up." --

Trapped aboard Qriosity are also DJ and Jenny, neither of whom remember how they got onboard the ship. Together, the three face all the dangers of space, along with murder, aliens, a school dance, and one really, really bad day. But none of this can prepare Noa for the biggest challenge—falling in love. And as Noa's feelings for DJ deepen, he has to contend not just with the challenges of the present, but also with his memories of the past. However, nothing is what it seems on Qriosity, and the truth will upend all of their lives forever. Love is complicated enough without also trying to stay alive.

Prepare yourself: she holds nothing back. A Complicated Love Story - V. George
Shillington 2019-10-14

The Fourth Gospel, otherwise known as the gospel of the beloved disciple of Jesus, has captivated the imagination of myriads of people worldwide. Echoing one of its major themes, namely water, this gospel has been described as one in which a child can wade and an elephant can swim. Of the four gospels in the New Testament, this one stands out from the other

three at several levels. In the Fourth Gospel the extraordinary acts of Jesus are labeled consistently as signs, not miracles. In the second major part, however, the signs give way to reality found uniquely in the life and death of Jesus on behalf of benighted humanity. He is the true light that enlightens every one and every thing. There are no parables in the Fourth Gospel. A parable is something that is literally thrown alongside the ordinary world of the day. The Fourth Evangelist focuses on truth, one of its major themes. There are puzzling pieces mixed in with the good news, which serves to make this gospel captivating to the reader. Through all of the complex twists and turns in this gospel the theme of love shines forth brilliantly, especially so in the second half.

Love Complicated - Shey Stahl 2017-11-17

From USA Today bestselling author, Shey Stahl, comes a sexy and hilarious romance in her new Ex's and Oh's series of standalones. Love is not simple. I'm friendless. It happens when you discover your best friend has been sleeping with your husband. As if trying to navigate being a single mom and a divorce isn't enough, to complicate my life even more, I can't seem to stay away from the one man who's constantly on my mind. He's arrogant, dangerously handsome, and impossible to ignore. He's also not my husband. He's my son's second grade teacher. Ridge Lucas. Like I said, complicated. Everyone remembers when Ridge left town, but nobody knows his intentions now that he's back and looking for the girl he left behind. Love is complicated. She was the good girl, the town sweetheart. She never once looked my way, despite my efforts to get her attention. Everything I did was to get her to notice me, until she finally did, and I let the chance slip through my hands. She chose the all-star football player over the troubled bad boy. I can't say I blame her. Ten years ago, I left town and turned my world upside down. Now that I'm back, I'm wearing down her defense, and she's questioning everything she thought she knew about love. She's about to find out the good guy isn't always the right choice. Sometimes you need the delinquent with the rebel heart to show just how good bending the rules can be.

Perfect for fans of Crazy Rich Asians and Gossip Girl this is an addictive and subversive reimagining of Leo Tolstoy's timeless love story Anna Karenina. "A fresh and wickedly smart take on a classic story. Anna is even more scandalously fun now, in the age of stilettos and social media, than she was in 19th century Russia. Women Are Crazy, Men Are Stupid - Howard J Morris 2009-09-15

THE REVEALING, RiP-ROARiNGLY FUNNY GUIDe TO MAKiNG EVERY RELATiONSHiP SMARTER, SANER, AND HAPPiER. Since the dawn of time, when the first smitten caveboy tried to woo the object of his affections by shoving her into the mud, men have demonstrated that when it comes to women, they are profoundly stupid. And when it comes to men, women -- no matter how intelligent or mature -- are completely crazy. Based on this simple yet groundbreaking insight, comedy writers and real-life couple Howard J. Morris and Jenny Lee have devised a relationship guide that is refreshingly honest, completely hilarious, and surprisingly practical. Using their own crazy/stupid romance as an example of these forces in action, they set out to explain why women ask questions that they absolutely do not want answered -- and why men persist in answering them. What are men really thinking -- or crucially, not thinking? Why do women view even the most mundane events through an emotional prism? Why do guys suck at being romantic? And why does every conversation with a woman lead back to whether or not she's fat?

Using wit, hard-earned wisdom, and a highly entertaining he said/she said format, the authors explore the surprising method to his dumbness and the valid reasons behind her insanity, while providing real solutions to perennial relationship problems. By teaching men how and why they're stupid around women and showing women how to "control the crazy" for everybody's sake, *Women Are Crazy, Men Are Stupid* helps couples to reach the place where giving isn't giving in, needing isn't needy, and where the sexes can break the dysfunctional patterns and find a way to live lovingly, happily ever after.

Out of Love - Hazel Hayes 2020-06-11

'I enjoyed *Out of Love* hugely! It's vivid, very compelling storytelling' Marian Keyes 'I fell in love with this book. The writing was good enough to make me forget I had a phone, put it that way' Aisling Bea 'Out of Love will fill the gap that Normal People left in our heart . . . Trust us, this is the book of the summer' Evoke 'Wise, compelling and beautifully written' Daily Mail 'What a book . . . Hayes references Nora Ephron throughout and she's a pretty good successor judging from this debut' Stylist A novel for anyone who has loved and lost, and lived to tell the tale. As a young woman packs up her ex-boyfriend's belongings and prepares to see him one last time, she wonders where it all went wrong, and whether it was ever right to begin with. Burdened with a broken heart, she asks herself the age-old question . . . is love really worth it? *Out of Love* is a bittersweet romance told in reverse. Beginning at the end of a relationship, each chapter takes us further back in time, weaving together an already unravelled tapestry, from tragic break-up to magical first kiss. In this dazzling debut Hazel Hayes performs a post-mortem on love, tenderly but unapologetically exploring every angle, from the heights of joy to the depths of grief, and all the madness and mundanity in between. This is a modern story with the heart of a classic: truthful, tragic and ultimately full of hope.
