In Honor's Defense (Hanger's Horsemen Book #3) Karen Witemeyer 2022-06-07 He's Faced Countless Perils on the Battlefield, but Nothing so Dangerous as Falling in Love. Luke Davenport has been fighting all his life-for respect, for country, and for those unable to fight for themselves. But now that his Horsemen brothers are domesticated, he's left alone to battle the wildness within. When an opportunity arises to take a job on his own, tracking down a group of rustlers, he jumps at the chance. Damaris Baxter has mastered the art of invisibility. Plain and quiet, she hides in books and needlework, content to be overlooked. Until her brother dies suddenly, leaving her custody of her nephew. She moves to Texas to care for Nathaniel, determined to create the family for herself that she never thought she'd have and to give him the family he desperately needs. When Nate finds himself knee-deep in trouble, Luke's attempt to protect him leaves Damaris feeling indebted to the Horseman. But suspicions grow regarding the mysterious death of Damaris's brother. And the more questions they ask, the more danger appears, threatening the family Luke may be unable to live without. "Karen Witemeyer's use of descriptive narrative, character-revealing dialogue, and historically accurate elements and details draw the reader in from the first sentence."--Women Writing the West

His to Command Opal Carew 2013-04-16 First published as a six-part e serial novel, Opal Carew's His to Command is the scorching tale of one woman's surrender at the hands of a dominant billionaire. Now available for the first time as a complete book, this edition features sizzling new bonus material. Meet a man who's gorgeous, wealthy, powerful, and who demands just one thing—his lover's complete submission. Now she's about to place herself under his command—heart, body and soul. Kate is a modern businesswoman who knows exactly how to run her well-organized world. But underneath her professional exterior lurks a secret that she's been running from for years—a fierce desire to be dominated that both exhilarates and terrifies her. And there's only one man who's ever tempted her to lose control. Powerful executive Matthew Pearce gave Kate her first taste of what it means to surrender completely at the hands of a dominant man, and she's never been able to forget. Though she's spent years trying to outrun her feelings for him, a chance encounter changes everything . . . and this time she might not be able to escape. Deciding to give in to her deepest desires, Kate agrees to spend a week at Matt's mansion exploring her submissive side under his masterful instruction. Just when she starts to fall deeper and harder for him than ever before, a terrible secret from his past threatens to tear them apart, and Kate must decide whether to finally trust Matt with her heart . . . or leave him behind forever. "Fresh, exciting and extremely hot, with characters you'll fall in love with. Absolutely fantastic!" -Fresh Fiction

Love Your Vibe: Using the Power of Sound to Take Command of Your Life Matt Omo 2019-03-20 If you are struggling with life in any way, it is within your grasp to take command and live a life of true harmony. We all have an innate wisdom to find this harmony and express it fully. Life is vibration, or, in essence, it is sound. We have just forgotten how to allow life to sing through us. We resist this sound of life and mute the strings of creation due to our past trauma, conditioning, experiences, fears, insecurities, and limiting beliefs. We blame the world around us for the way we are and beat our selves up for not living the life we desire. When we learn to love our vibe and the vibe of all life we can live in harmony with it. Through this seven-step process you will be guided to take command, embrace harmony, and become the conductor of your life's symphony. Matt Omo MA, aka The Gong Guru, is an international sound healer, breathworker, shamanic dude, visionary, and spiritual leader. His passion is to connect people to their authentic truth and help them to embrace their divine purpose. www.omosoundjourneys.com

'Love Your Enemies' John Piper 1979

A Divided Command David Donachie 2013-11-25 Unbeknown to John Pearce, the private letter he is delivering on behalf of the prime minister carries the dismissal of the very man he is sailing to see. Politics intervene in matters of the sea and the need for a government majority to pursue the war with France means John Pearce must step down as Britain's best sailor, regretfully relinquishing the position to the incompetent Admiral Hotham. Hotham is equally less than pleased about John Pearce, as he is the one person who knows the truth about his dishonest and wicked naval career. Pearce knows Hotham will try and destroy him any way he can to keep from being exposed, so he must navigate the dangerous waters whilst trying to return to Emily Barclay, the woman he loves.

Nothing Special VI A. E. Via 2018-12-12 Lennox Freeman (Free) is one of the best hackers in the world which has caused him to spend most of his life on the run. Never able to put down roots, he couldn't trust anyone not to take advantage of him, even his own family. If it wasn't for his best friend, Tech, shielding him, Free's father would've sold him and his skills to the highest bidding crime family when he was still a student at MIT. Free owed Tech his life; so when his friend called for him to come to Atlanta to work with him, he couldn't say no. However, he wasn't expecting the overprotective group of detectives that made up Atlanta PD's most notorious task force. And he certainly wasn't prepared for the large-and-in-charge SWAT Captain that was responsible for their safety. Ivan Hart has lived and bled one creed all of his life: To Serve and Protect. His intense focus and determination in law enforcement has led him to finally commanding his own team. He'd worked hard to put together a squad of badassess capable of backing up a very dangerous team of detectives. Being God and Day's last line of defense came with a lot of responsibility that he took very seriously. After his divorce was final Hart turned right around and remarried his job. He had his good friends there in the office with him every day, so it was easier to ignore the few quiet hours he spent at home alone each night. He'd settled well into his new routine and was comfortable with it. Then God decided to disrupt everything by hiring another tech specialist for his department. A man whose brains, trendy looks, and voice would leave Hart tongue-tied and captivated at their first introduction. Free quickly awakens a passion in Hart that he long thought was dead. An attraction he didn't know existed. He couldn't fathom that the sexy cyber genius could be interested in an over-sized, big-bearded brute that served criminals the bottom line for a living. No matter what his best friend, God said. A future with Hart could be potentially dangerous and often times full of terrifyingly close calls; but little did he know that so could falling for the most hunted hacker in the world. All Lennox Freeman wants in life is security, love and protection... Hart had all that to give and more. This novel is a part of a series and contains previously mentioned characters, but CAN BE read as a standalone. No cliffhangers.

Command and Control Eric Schlosser 2013-09-17 From famed investigative journalist Eric Schlosser, author of *Fast Food Nation*, comes *Command and Control* a ground-breaking account of the management of nuclear weapons A groundbreaking account of accidents, near-misses, extraordinary heroism and technological breakthroughs, *Command and Control* explores the dilemma that has existed since the dawn of the nuclear age: how do you deploy weapons of mass destruction without being destroyed by them? Schlosser reveals that this question has never been resolved, and while other headlines dominate the news, nuclear weapons still pose a grave risk to mankind. At the heart of *Command and Control* lies the story of an accident at a missile silo in rural Arkansas, where a handful of men struggled to prevent the explosion of a ballistic missile carrying the most powerful nuclear warhead ever built by the United States. Schlosser interweaves this minute-by-minute account with a historical narrative that spans more than fifty years. It depicts the urgent effort by American scientists, policymakers, and military officers to ensure that nuclear weapons can't be stolen, sabotaged, used without permission, or detonated inadvertently. Looking at the Cold War from a new perspective, Schlosser offers history from the ground up, telling the stories of bomber pilots, missile commanders, maintenance crews, and other ordinary servicemen who risked their lives to avert a nuclear holocaust. Drawing on recently declassified documents and interviews with men who designed and routinely handled nuclear weapons, *Command and Control* takes readers into a terrifying but fascinating world that, until now, has been largely hidden from view. It reveals how even the most brilliant of minds can offer us only the illusion of control. Audacious, gripping and unforgettable, *Command and Control* is a tour de force of investigative journalism. Eric Schlosser is the author of *Fast Food Nation* and *Reefer Madness*, as well as the co-author of a children's book, *Chew on This*. His work has appeared in the *Atlantic Monthly*, the *New Yorker*, the *Nation*, and *Vanity Fair*. Two of his plays, *Americans* (2003) and *We the People* (2007), have been produced in London. 'A work with the multi-layered density of an ambitiously conceived novel' John Lloyd, *Financial Times* 'Command and Control is how non-fiction should be written ... By a miracle of information management, Schlosser has synthesized a huge archive of material, including government reports, scientific papers, and a substantial historical and polemical literature on nukes, and transformed it into a crisp narrative covering more than fifty years of scientific and political change. And he has interwoven that narrative with a hair-raising, minute-by-minute account of an accident at a Titan II missile silo in Arkansas, in 1980, which he renders in the manner of a techno-thriller' *New Yorker* 'The strength of Schlosser's writing derives from his ability to carry a wealth of startling detail on a confident narrative path' Ed Pilkington, *Guardian* 'Disquieting but riveting ... fascinating ... Schlosser's readers (and he deserves a great many) will be struck by how frequently the people he cites attribute the absence of accidental explosions and nuclear war to divine intervention or sheer luck rather than to human wisdom and skill. Whatever was responsible, we will clearly need many more of it in the years to come' Walter Russell Mead, *New York Times*

Royal Command Stacey Marie Brown 2020-05-11 Everyone thought I was living the fairytale-marrying a prince and living happily ever after. That only happens in movies. I was actually living a nightmare. A gilded cage crushing my soul. After a terrorist attack almost took my life and my bodyguard, Lennox, trapping us together, we were forced to face things we tried to deny. Feelings we could no longer ignore. Leave it to me to do the stupidest thing possible-fall for my bodyguard. But there was no fighting our hunger. Our overwhelming connection. It made me realize how much my life had been for others: my family, the royals...Theo. But once you are part of the royal family, you cannot just walk away. Especially when you find yourself engaged and being groomed to be the future queen. With a King threatening me, Lord William blackmailing me, my uncle gambling away what's left of our fortune, Theo set on our future no matter what, and vicious social media sniffing around wanting me to fail, I have to play the game. But secrets always seem to find a way of getting out, and it's not just betrayal from those I love the most that shatter my life. It's mine. And the world wants to break what's left of me.*This is the second book in the Royal Watch Series.

The 48 Laws of Power Robert Greene 2000-09-01 Amoral, cunning, ruthless, and instructive, this multi-million-copy *New York Times* bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

At Love's Command Samantha Kane 2008 Book 2 in the Alcandians series. Stranded on Earth by deception, Zeva has no intention of becoming the alien on display to her human captors. Escape isn't just a dream, it's a basic need of survival. Nothing and no one will stop her from breaking her own chains. Back on Alcandar, more than her home and family wait for her. There, when minds brush, details fall away from the reality of binding fever. And an initial mind brush with Zeva was all it took for Ravid and Keenan, the men who threaten her freedom once more, to know what she is desperate to avoid-she is their mate. But Earth isn't the only planet that harbors evil. Even on Alcandar, men of no honor threaten the perfection her fantasies promised. Evil can rip a life to shreds in mere seconds, leaving you reaching for the one thing you were certain you did not want. Freedom comes with a high price tag, and may cost Zeva the two men who are part of her soul. Ravid and Keenan are more than her mates-they hold her heart as well and she has no intention of letting anyone keep her away from them.

CAPTIVE AT HER ENEMY'S COMMAND Naoko Kubota 2022-09-19 He is the only one who can stir up this desire inside me... Katie has traveled alone to Amalfi to reinvent herself. But during her trip, her bag is stolen. The last person she expects to come to her rescue is family friend Jared, whom she despises. Katie's sister asked him to find her, and Jared refuses to listen to Katie's protests, whisking her away to stay at his villa in Capri. Jared is a frighteningly charming man, but Katie will never be seduced by him again...

Command Performance Sara Jane Stone 2013-09-17 Subject: Chief Warrant Officer Hunter Cross Mission: Keep Margaret Barlow distracted...using any means necessary! Ranger Hunter Cross is the army poster child—excitement, danger and no strings in sight. And he's been in town exactly three hours before a curvy blonde named Maggie flashes him a look that says "You belong in my bed." It's a night of wicked satisfaction. And it's a night they can never repeat.... All Professor Maggie Barlow wanted was orgasm—or three— from the dead-sexy Ranger. Having him as her official army liaison while she works on her new book? That wasn't in the plan. Especially when she learns that Hunter has orders to "control" her. Little does the army know that when it comes to their deliciously naughty nighttime activities, Hunter is at Maggie's complete command.... Uniformly Hot! The Few. The Proud. The Sexy as Hell.

The Miracle of Psycho-command Power Scott Reed 1972

At His Command Brenda Coulter 2013-09-01 In one short month, cheerful army nurse Madeline Bright has become the darling of Prairie Springs, Texas. And if ex-pilot Jake Hopkins isn't careful, she might just conquer his heart. She's young, pretty and blithe-spirited...he's older and jaded. But being around Maddie brings back too many painful memories. Jake still feels guilty about failing to save Maddie's brother in an army helicopter crash years ago. So no matter how much Maddie wants to be in his life, for her own good, Jake can't allow that. He'll never have a normal, stable life. And sweet Madeline deserves nothing less.

Red Alert Peter Bryant 2011-03-01 The basis for Stanley Kubrick's masterpiece, *Dr. Strangelove: A chilling Cold War thriller in which unchecked power unleashes total nuclear disaster.* Air Force Brigadier General Quinten is a dying man suffering from the paranoid delusion that he can make the world a better place by ordering a full-scale nuclear attack on the Soviet Union. Receiving word of the attack already underway, the president of the United States and his advisors now must work frantically to stop it. The US bombers are to be shot down—but a lone bomber called the "Alabama Angel" escapes and flies on to complete its lunatic mission, ignoring the president's orders. A ghastly and chilling vision of what might happen when profound and deadly power is put into the wrong hands, this classic thriller continues to serve as a warning in today's tumultuous political climate.

Games of Command Linnea Sinclair 2007-02-27 The universe isn't what it used to be. With the new Alliance between the Triad and the United Coalition, Captain Tasha "Sass" Sebastian finds herself serving under her former nemesis, biocybe Admiral Branden Kel-Paten—and doing her best to hide a deadly past. But when an injured mercenary winds up in their ship's sick bay—and in the hands of her best friend, Dr. Eden Fynn—Sass's efforts may be wasted. Wanted rebel Jace Serafino has information that could expose all of Sass's secrets, tear the fragile Alliance apart—and end Sass's career if Kel-Paten discovers them. But the biocybe has something to hide as well, something once thought impossible for his kind to possess: feelings . . . for Sass. Soon it's clear that their prisoner could bring down everything they once believed was worth dying for—and everything they now have to live for.

Speak with Impact Allison Shapira 2018-10-16 When you know what to say and how to say it, people listen. Find your powerful voice, and step into leadership. Speak with impact. Every day, you have an opportunity to use your voice to have a positive impact -- at work or in your community. You can inspire and persuade your audience -- or you can distract and put them to sleep. Presentation styles where leaders are nervous, ramble, and robotic can ruin a talk on even the most critical topics. As your performances become weak, your career prospects start to dim. To get ahead and make an impact, you need to deliver well-crafted messages with confidence and authenticity. You must sound as capable as you are. Public speaking is a skill, not a talent. With the right guidance, anyone can be a powerful speaker. Written by former opera singer turned CEO and TEDx speaker Allison Shapira, *Speak with Impact* unravels the mysteries of commanding attention in any setting, professional or personal. Whether it's speaking up at a meeting, presenting to clients, or talking to large groups, this book's easy-to-use frameworks, examples and exercises will help you: Engage your audience through storytelling and humor Use breathing techniques to overcome stage fright Strengthen and project your voice by banishing filler words/uptalk Use effective body language and build your executive presence Compose a clear message and deliver confident, authentic presentations Learn to conquer fear, capture attention, motivate action, and take charge of your career with *Speak with Impact*.

A Deal at the Altar Lynne Graham 2012-04-17 "Having pulled himself up from the streets of Athens, Sergios Demonides thought he had seen it all. Then Beatriz Blake walked into his office and asked him for a marriage of convenience! Independent, proud and unadorned, Beatriz is a far cry from the usual glamorous women who grace his bed. But Sergios doesn't need another trophy--he needs a mother for his late cousin's children. The overlooked Blake heiress and the ruthless billionaire strike a deal. But she doesn't read the small print--the one that sees them sharing a bed!"--P. [4] of cover.

Freedom from Command and Control John Seddon 2013-12-12 "Command and Control is failing us. There is a better way to design and manage work - a better way to make work work - but it remains unknown to the vast majority of managers." An adherent of the Toyota Production System, John Seddon explains how traditional top-down decision making within service organizations leads to managers who are detached from employees and remote from operations. He demonstrates that decision-making based on purpose-related measures (such as putting customers first and improving services) can help managers reconnect with operations, see waste, and exploit opportunities for improvement. Through extensive case material, he differentiates between command and control and systems thinking and illustrates how the latter leads to improved service, revenues, and staff morale. He also posits that the service industry is fundamentally different from manufacturing, and shows how Toyota production principles must be transformed for application in service organizations.

Redeeming Love Francine Rivers 2009-08-04 #1 NATIONAL BESTSELLER • NOW A MAJOR MOTION PICTURE starring Abigail Cowen, Tom Lewis, Nina Dobrev, with Logan Marshall Green and Eric Dane, special appearance by Famke Janssen. Distributed by Universal Pictures with a screenplay by Francine Rivers and D.J. Caruso. California's gold country, 1850. A time when men sold their souls for a bag of gold and women sold their bodies for a place to sleep. Angel expects nothing from men but betrayal. Sold into prostitution as a child, she survives by keeping her hatred alive. And what she hates most are the men who use her, leaving her

empty and dead inside. Then she meets Michael Hosea, a man who seeks his Father's heart in everything. Michael obeys God's call to marry Angel and to love her unconditionally. Slowly, day by day, he defies Angel's every bitter expectation, until despite her resistance, her frozen heart begins to thaw. But with her unexpected softening comes overwhelming feelings of unworthiness and fear. And so Angel runs. Back to the darkness, away from her husband's pursuing love, terrified of the truth she no longer can deny: her final healing must come from the One who loves her even more than Michael does . . . the One who will never let her go. A powerful retelling of the story of Gomer and Hosea, Redeeming Love is a life-changing story of God's unconditional, redemptive, all-consuming love. Includes a six-part reading group guide!

The Heart's Charge (Hanger's Horsemen Book #2) Karen Witemeyer 2021-06-01 Members of Hanger's Horsemen, Mark Wallace and Jonah Brooks arrive in Llano County, Texas, to deliver a steed, never expecting they'd deliver a baby as well. Left with an infant to care for, they head to a nearby foundling home, where Mark encounters the woman he'd nearly married a decade ago. After failing at love, Katherine Palmer dedicated her life to caring for children, teaming up with Eliza Southerland to start Harmony House. From mixed ancestry, illegitimate, and female, Eliza understands the pain of not fitting society's mold. Yet those are the very attributes that lead her to minister to outcast children. The taciturn Jonah intrigues her with his courage and kindness, but there are secrets behind his eyes--ghosts from wars past and others still being waged. However, when a handful of urchin children from the area go missing, a pair of Horsemen are exactly what the women need. Working together to find the children, will these two couples find love as well?

At My General's Command John Harris 2020-04-21 You know what they say about wine, right? It gets better with age. Christian: Assistant to the General of Fort Dale isn't the easiest job, but I love it. Making General Winter's life easier is worth every bit of hassle. He's a good man, and I respect him...a lot. Of course, I'm toeing the line because, God, he's hot too. Sure, he's a lot older than me, but I know how to behave and our relationship is strictly professional...until I stumble across an email, with a video! Then suddenly, everything is different. David: I've seen everything in my time running Fort Dale. It comes with the territory, being the big man on top. After almost ten years I honestly believe the hardest thing in my life is being tempted by my extremely capable, good looking and very young assistant. No, not going there, that's a really bad idea! Things get worse when a ghost from my past shows up with blackmail on his mind, and suddenly...Christian is by my side. That's when everything changes. A relationship between them is taboo, forbidden. David is twenty years older and he's Christian's boss. Worse, he's the General and it could ruin them both! Could they keep their feelings a secret? No one would find out...would they?

Command the Moon Kathryn Moon 2019-02-16 The Nikolaev witches have always been outcasts on Swans Island. Useful for entertaining the tourists with their fortune telling and spells, but held at arms length out of suspicion. But for Zoya Lane, witchcraft is her life, from morning until night. Even her dreams are flooded with the visions of her pesnya dushi, the person whose life threads are forever tied with hers. Unfortunately for her that person is Johnny Sharpe, and he's burned her more times than she cares to count. While she can't escape the visions of him at night, she would at least like to keep him out of her waking hours. When Johnny returns to the island, it's clear he has different ideas and a heart determined to make her forgive him. To complicate her love life, there's a new mysterious man in her dreams. He arrives to her house handsome, powerful, and with definitely questionable motives. Is he here because he's Zee's soulmate or does it have something to do with Aunt Nadia, the house ghost and the closest thing Zee's had to a mother? When the protective wards on the house and island start cracking, Zee's emotions are more tangled than ever. It's going to take everything Zee has to keep her home and aunt's spirit safe from a threat more powerful than she could have possibly imagined. No matter what the dreams say, she can't imagine Johnny sticking with her through what's to come. This book is a magical ménage romance novel at 96,000+ words and is intended for audiences 18+ in age. There is mature content.

Command Al Murray 2022-10-13 Al Murray's passion for military history and the Second World War in particular has always run parallel with his comedy and was brought to the fore with several acclaimed and award-winning television shows and the recent huge success of his podcast We Have Ways of Making You Talk which he hosts with fellow bestselling military author James Holland. In his first serious narrative book, Command showcases Al Murray's passion for this pivotal period in the twentieth century, as he writes an engaging, entertaining and sharp analysis of the key allied military leaders in the conflict. Command highlights the performance and careers of some of the leading protagonists who commanded armies, as well as the lesser-known officers who led divisions, regiments and even battalions for the British, Commonwealth and United States of American armies. By showcasing each combat commander across every major theatre of operations the allies fought in, Murray tells the story of how the Western Allies rebounded from early shocking defeats (Dunkirk and Pearl Harbor) to then victories (El Alamein and D-Day) in its efforts to defeat the Axis forces of Nazi Germany and Japan, and what that tells us about the characters and the challenges that faced them. Command is the book for all fans of Second World War History who appreciate a true enthusiast of the genre with something new and compelling to say.

At Love's Command (Hanger's Horsemen Book #1) Karen Witemeyer 2020-06-02 Haunted by the horrors of war, ex-cavalry officer Matthew Hanger leads a band of mercenaries known as Hanger's Horsemen who have become legends in 1890s Texas. They defend the innocent and obtain justice for the oppressed. But when a rustler's bullet leaves one of them at death's door, they're the ones in need of saving. Dr. Josephine Burkett is used to men taking one look at her skirts and discounting her medical skills. What she's not used to is having a man change his mind in a heartbeat and offer to assist her in surgery. Matthew Hanger's dedication to his friend during recovery earns Josephine's respect, and when she hears of her brother's abduction, he becomes her only hope for rescue. Matt has stared down ruthless outlaws, betrayal, and injury, but when a bossy lady doctor crawls under his skin, his heart is tempted to surrender. And when she is caught in the crossfire, he may have to sacrifice everything--even his team--to save her.

Chains of Command Marko Kloos 2016 The assault on Earth was thwarted by the destruction of the aliens' seed ship, but with Mars still under Lanky control, survivors work frantically to rebuild fighting capacity and shore up planetary defenses. Platoon sergeant Andrew Grayson must crash-course train new volunteers--all while dulling his searing memories of battle with alcohol and meds. Knowing Earth's uneasy respite won't last, the North American Commonwealth and its Sino-Russian allies hurtle toward two dangerous options: hit the Lanky forces on Mars or go after deserters who stole a fleet of invaluable warships critical to winning the war. Assigned to a small special ops recon mission to scout out the renegades' stronghold on a distant moon, Grayson and his wife, dropship pilot Halley, again find themselves headed for the crucible of combat--and a shattering new campaign in the war for humanity's future.

At Love's Command Karen Witemeyer 2020-12-23 Ex-cavalry officer Matthew Hanger leads a band of mercenaries who defend the innocent, but when a rustler's bullet leaves one of them at death's door, they seek out help from Dr. Josephine Burkett.

Brave Like That Lindsey Stoddard 2020-06-02 Find yourself. Find your place. Find your brave. This uplifting tale, which award-winning author Leslie Connor dubbed "a perfectly paced journey of the heart" is perfect for fans of Lisa Graff and Lynda Mullaly Hunt. Cyrus Olson's dad is a hero--Northfield's former football star and now one of their finest firefighters. Everyone expects Cyrus to follow in his dad's record-breaking footsteps, and he wishes they were right--except he's never been brave like that. But this year, with the help of a stray dog, a few new friends, a little bit of rhythm, and a lot of nerve, he may just discover that actually...he is. Lauded as "remarkable" by the New York Times Book Review, Lindsey Stoddard's heartfelt stories continue to garner critical acclaim, and her latest novel will have fans new and old rooting for Cyrus and Parker's special bond and the courage it helps them both to find.

A Theology of Disagreement Christopher Landau 2021-05-30 Even the most casual contemporary observer of Christianity must recognise that the notion of Christian community being identifiable through the mutual love of its members (John 13:35) is difficult to reconcile with the schismatic reality of current ecclesial life. Nonetheless, disagreement remains an ethical subject neglected by theologians. *A Theology of Disagreement: New Testament Ethics for Ecclesial Conflicts* examines how New Testament texts inform Christian approaches to disagreement. Drawing on New Testament themes, the book explores the nature of an ethic of disagreement, and its practical implications for the church's public theological witness, as well as its liturgy

Under the Italian's Command Susan Stephens 2022-06-01 An innocent mouse...she's his for the taking! Sheltered Carly Tate is out of her depth — Lorenzo Domenico is the first man to make her heart race, but she knows the gorgeous Italian will never see past her frumpy clothes and awkward shyness. Little does she realise that, to Lorenzo, sweet, endearing Carly is a breath of fresh air. He's sure that underneath her disastrous fashion there's a voluptuous figure — and he's going to be the one to discover it...

Geek Love Katherine Dunn 2014-12-04 A National Book Award Finalist: This 'wonderfully descriptive' novel from an author with a 'tremendous imagination' tells the unforgettable story of the Binewskis, a carny family whose mater- and paterfamilias have bred their own exhibit of human oddities. (The New York Times Book Review) The Binewskis are a circus-geek family whose matriarch and patriarch have bred their own exhibit of human oddities (with the help of amphetamine, arsenic, and radioisotopes). Their offspring include Arturo the Aquaboy, who has flippers for limbs and a megalomaniac ambition worthy of Genghis Khan, Iphy and Elly, the lissome Siamese twins, albino hunchback Oly, and the outwardly normal Chick, whose mysterious gifts make him the family's most precious - and dangerous - asset. As the Binewskis take their act across the backwaters of the US, inspiring fanatical devotion and murderous revulsion; as its members conduct their own Machiavellian version of sibling rivalry, *Geek Love* throws its sulfurous light on our notions of the freakish and the normal, the beautiful and the ugly, the holy and the obscene. Family values will never be the same. Praise for *Geek Love* 'If Flannery O'Connor had consumed vast quantities of LSD, she might have written like this' Literary Review 'The most romantic novel about love and family I have read. It made me ashamed to be so utterly normal' Terry Gilliam 'I felt electrocuted when I read that first page with Crystal Lil and her freak brood. I stood there in the bookstore and my jaw came unhinged. No book I've read, before or since, has given me that specific jolt' Karen Russell, author of *Swamplandia*
