The Psychology Of Gender And Sexuality

- Wendy Stainton Rogers 2001-01-16
". . . a particularly well-wrought and intelligent book. It provides an extensive introduction to traditional psychological approaches, while acknowledging their weaknesses, and in a judicious and detailed review the authors take us through a fascinating survey of the constructionist and discursive modes of enquiry and what they reveal about sex and gender. what extent are gender and sexuality 'programmed in the genes' and to what extent are they acquired through learning and from culture? * What is wrong with traditional ways in which psychology has addressed these topics and what better alternatives are there? * What do these new approaches have to offer us in understanding our own gender and sexuality, our life experiences and our relationships? Gender and sexuality permeate our lives and have a profound influence on who we are and what we feel, think and do. This book provides a fundamental and wide-ranging introduction to different psychological approaches to this field. It reviews both traditional and current theorization, reflecting the contradictory approaches that try to explain how gender and sexuality are acquired, their impact on identity, and their influence on life-styles, life-opportunities and life-choices. The Psychology of Gender and Sexuality is unique in providing a comprehensive

introduction to both gender and sexuality. Using examples that are highly relevant to today's generation of students, it encourages the reader to explore the implications of the various theoretical approaches for men and women and their relationships with each other. This is a lively and readable textbook for general introductory courses and an ideal starting point for more advanced specialist courses on these topics.

The Big Book of Drinking Games - Charlie Michaels
2020-06-12

Are you tired of hearing the same questions being asked over and over again during drinking games? Want to add some originality? As a British university student, nothing gets me more excited than going to my friends' houses for pre-drinks before heading out for the night. Every student has their favorite drinking games! But let's face it; they can get a little repetitive... especially when you're out 3 nights a

week! In this book, you'll find 3 different drinking games with 1000 questions in total. We all love getting to know our friends a little better, right? So, here's your chance to ask the questions you'd love to know the answers to... Never Have I Ever Everybody's heard of this game before, right? A statement is read aloud, and if you've done what the statement says before, you take a drink! Take it to the next level, with 600 statements split over 25 different rounds! It's the best way to discover things you never knew about your friends, whether they're dirty, illegal, or just plain embarrassing! There's also an added twist... The reader has the ability to make a player tell the story behind their confession only three times every round. Refuse to tell? Take a drinking punishment. Tell the truth? You can punish any player of your choice! Truth or Dare Truth or Dare; everybody's childhood favorite! With a total of 200 extremely uncomfortable questions split over 10 rounds, you might not

be able to see by the end of the book! If a player truthfully answers the question they are asked, they have the power to make any player of their choice take a sip of their drink. If they refuse, they take a more severe punishment that is pre-determined at the beginning of the round. Simple! Would You Rather? A traditional favorite. There are 200 questions, each with 2 possible alternatives. Players must answer which option they'd prefer by either raising their hand or keeping it down. Players that disagree with the reader must take a drink. But it's not just as simple as that... If only one player disagrees with the reader, they face a stronger punishment. To make it even better, if everybody disagrees with the reader, the reader must face an even stricter punishment! If you're ready to add some originality to your drinking games and bring your parties to life, scroll up and click the "Add to Cart" button now! Note: This book contains adult content and is not recommended for anybody

Sex and the Soul, Updated

Edition - Donna Freitas

2015-02-27

First published in 2008, Donna Freitas's *Sex and the Soul* revealed what college students -- at institutions large and small, public and private, secular, Catholic, and evangelical -- really think about sex, dating, religion, and spirituality. Based on face-to-face interviews with students across the country, *Sex and the Soul* achieved national acclaim, illuminating the as-yet-unexplored struggles of college students navigating the lines of faith and sexuality. Now, in this updated edition, Freitas reflects on the hundreds of conversations she has had with students since the book was first published in an all-new afterword, and offers practical advice for young people struggling with issues of sex and spirituality and for the adults giving them guidance.
