Would YOU Want to Work for YOU?: How to Build an Executive Leadership Brand that Inspires Loyalty and Drives Employee Performance

- Brenda Bence 2013-12-15

If you are an executive who has worked long hours, risen to every challenge, and built a strong reputation for yourself, then why haven't you reached the highest levels of leadership? Here's a reality check: Your business achievements and functional skills alone aren't enough to help you get where you want to go. What's likely missing is a skill that the world's best corporate leaders have developed—mastery of the people side of the equation. You must become a leader that others want to work for. How do you do that? Let go of being an expert. Become a leader of experts. If anyone knows what prevents leaders from reaching their full potential, it's author Brenda Bence, who has years of experience coaching senior executives at the top levels of major corporations worldwide. In *Would YOU Want to Work for YOU?*, she reveals the 15 most damaging people-leadership behaviors that she regularly sees in the workplace and provides you with dozens of tips, tools, and techniques that you can apply immediately to correct them. Packed with real-life case studies from around the globe, this book will help you: * Discover where the world's best business leaders focus their energy * Get crystal clear about the experience of working with and for you as a leader * Uncover the #1 reason for unwanted employee turnover and what to do about it * Motivate even your most challenging and underperforming team members * Create a winning Executive Leadership Brand—The Trademarked YOU * Inspire others to excellence, and fast-track your own career in the process "Brenda Bence reveals how you can affect the way your people perceive, think, and feel about you so that you can become the boss

you really want to be. Read this book—it's about YOU." -- Ken Blanchard, coauthor of *The One Minute Manager* and *TrustWorks!*

When HRH Prince John, the fourth son of the Queen of England, goes AWOL in Seattle, he meets Catori Moriarty, an unusual girl from New Mexico. John hails from a thousand years of British royalty. Tori doesn't know who her biological parents were. He was raised in a glass box called Buckingham Palace and taught to repress his emotions. She was taught how to heal her wounds and live in joy. He suffers from debilitating migraines that threaten his career as a pilot in the Royal Navy. She can use her extraordinary higher sense perception to heal. Both are older than their years and love physics. Obviously they were made for each other, and their accidental meeting was divinely orchestrated. Too bad John's married and off-limits, and Tori prefers the simple life. Did the universe get it wrong? Unwilling for the magic to end, they set out on a road trip to Tori's home in Albuquerque. It's a slice-of-life journey that ultimately spans three continents and includes two-headed snake stops and many perfect moments. Along the way they discover that they've been in each other's consciousness since Tori was born and that they can communicate empathically. John's career is saved, but each return to his ship proves wrenching. Tori learns that leaving her comfort zone is good for her soul and his. It's a love affair that rocks the British monarchy, but the ripples it sends out

The End Where I Begin - Sumeet Santani

So you think rich people are always blissful? Yes? Think again! What if you have everything but still have nothing? What if you are so poor that all you have is money? This is what our hero, Arjun Jhaveri-the son of a leading business tycoon of Gujarat-feels. He has everything-a lavish lifestyle, friends and family, then why is he still incomplete? Love? Can a girl love a rich boy to the core? Or will she love him only to the core of his wealth? How does his heart beat faster than a jet on seeing Chahat Malhotra? Why doesn't he want her to know his background? What is he hiding? Richer the family background bigger the number of skeletons in the closet! With Chahat (his lady love) by his side, he sets on a rip-roaring journey to find true peace of mind along with wealth. But why does he end up hating his wealth even more? Is it right what they say that it is better to laugh your heart out on a cycle than sit and cry in a BMW.

I'm Walking as Straight as I Can - Geri Jewell
2011-04-01

A candid memoir of building an acting career—and a happy life—with cerebral palsy: “It’s a joy to read this book” (Ian McShane). Exposing real pain, unstoppable perseverance, and unquestionable faith in the human spirit, this autobiography offers a true glimpse beyond actress Geri Jewell’s public image as a one-dimensional hero. Born with cerebral palsy, Jewell made history when she became the first person with a disability cast in a recurring role on American television in *The Facts of Life*, and in the years that followed she experienced a string of other successes, including a performance at the White House and a role on HBO’s *Deadwood*. But along with such accomplishments, this personal story also depicts some of the less-than-rosy events that happened behind closed doors during her initial climb to fame—among them, her release from *The Facts of Life*; her manager’s embezzlement of the money she made on the show; and her struggle with chronic pain, despair, and a fear of revealing her true sexual identity. Told with grace and humor, this inspirational narrative presents an honest portrayal of a woman who refused to give up when others kept knocking her down.

Meows from the Manse - Barry Blackstone
2022-08-30

If you are a cat lover and a Christian, then this book is for you. Seventeen years in the making, *Meows from the Manse* is a collection of remembrances and reflections from a Maine pastor about his “cat of a lifetime” and the years they lived together at the parsonage (manse) of the Emmanuel Baptist Church in Ellsworth, Maine. Eddie was a stray tomcat that eventually worked his way into the heart of this reluctant minister, despite the fact that this man of the cloth never liked cats. Surrounded by cats in his younger years on a family farm, and always living with a cat or two because of his wife’s love affair with cats (Coleen’s last cat would live twenty-two years—sixteen of them with Eddie), and his kid’s love of cats, the exploits and experience with Eddie would change this pastor’s mind about cats, teaching him the biblical challenge of Job 12:7: “But ask now the beasts and they shall teach thee!” Relive the

years with Eddie and the Pearl (Coleen's cat) and the enriching spiritual lessons this preacher learned from his constant companion and friend through the challenging years as a pastor of a small coastal church, the death of a thirty-nine-year-old son, and the passing of his dear wife of forty-eight years. The cat tales begin with Eddie's arrival across from the pastor's church

and end with the passing of Eddie from throat cancer. In between are insights you might not believe from the Bible, but for the author were some of the best sermons he heard during that period of his life. Without a doubt for this widower, the messages (meows) from Eddie were some of the best he ever heard, but he will let you be the judge!
