wilderness and into the Promised Land.

**How to Build a Life-Changing Men's Ministry** - Steve Sonderman  
2010-03

Presents ideas and guidance for pastors and layleaders who want to start or improve a men's ministry program at their church --Provided by publisher.

**God's Focus on the Fatherless** - Dwight David Croy 2016-04-08

God's Focus on the Fatherless is an excellent thematic study guide offering a fresh perspective to leaders of local churches who desire to be in tune with God's heart for the marginalized within our communities. God's repeated exhortations (i.e., fatherhood, brokenness, compassion, authority, relationship, presence, justice . . .) are brought to the fore in a focused study that will expand the Christian understanding of God's compassionate heart for the least among us. The principles are timeless and presented in a format accessible to leaders and students of the Bible alike. The fresh perspective is sure to cause a greater ownership of ministry in both the local church and the local community. The "fatherless" principles presented will facilitate positive personal and corporate changes in a church's unique ministry setting. Pastor Chaplain Dwight Croy brings his rich Christian upbringing and experience in the pastorate, chaplaincy, and teaching juvenile boys in a residential setting to guide instruction concerning God's address of the fatherless. This study fits nicely into a twelve-week period and is formatted and prepared for teaching in a small group setting. The study will inspire fervent discussion and then move quickly to practical application.

*Sexual Sanity for Men* - David White 2012-10-31

Written for Christian men struggling with any form of sexual brokenness, this resource helps men understand that sexual sin starts in their minds and hearts and shows them how knowing Christ breaks their chains, builds spiritual brotherhood, and helps them take practical steps to re-create their minds in a God-focused direction. The ...

**Rise Up, O Men of God** - L. Dean Allen 2002

"L. Dean Allen analyzes both groups' constructions of masculinity and social ethics in relation to the family, the church, and a prominent social issue. Evangelical Christian leaders designed both organizations in response to their alarm at men's absence from evangelical churches, and they sought to increase men's participation in churches and to improve society as a whole by their efforts. Each group faced important social changes during its era such as new economic realities, women's activities, and perceived moral crises. Despite their similarities as groups for evangelical Christian men only, MRFM and PK developed contrasting constructions of masculinity and divergent social ethical calls for action."--BOOK JACKET.

**The Counsel of Many** - Gary Sallquist 1999

A practical guidebook, this volume is intended to help Christian men assemble a professional "advisory team" to guide them in the stewardship of their lives. Specifically, it explains why it is important to have a personal advisory team, including practical and spiritual needs and benefits; who those advisors should be; how they should be assembled; and what the role of each advisor is. The primary advisors include a spiritual advisor, career mentor, medical doctor, financial planner, investment advisor, attorney, accountant, and insurance advisors. Throughout the book, the author helps men see how the personal advisory team can help them integrate and apply their Christian faith to every aspect of their lives.

*Brothers!* - Geoff Gorsuch 1994

Men need other men. If you want to build accountable, lasting, growth-producing relationships, this Promise Keepers study guide is just what you're looking for.

**Numen, Old Men** - Joseph Gelfer 2016-09-17

Since the early 1990s there have been various movements designed to encourage 'masculine spirituality'. All these movements share a concern that spirituality has become too feminine and that men's experiences of the spiritual are being marginalized. The task of masculine spirituality is to promote 'authentic' masculine characteristics within a spiritual

context. Numen, Old Men examines these characteristics to argue that masculine spirituality is thinly veiled patriarchy. The mythopoetic, evangelical, and Catholic men's movements are shown to promote a hetero-patriarchal spirituality by appealing to either combative and oppressive neo-Jungian archetypes or biblical models of man as the leader of the family. Numen, Old Men examines spiritualities that aim to honour and transcend both the masculine and feminine, and offers gay spirituality as an example of masculine spirituality that resists patriarchy.

*Church for the Fatherless* - Mark E. Strong 2012-08-02

Fatherlessness has reached epidemic levels. Forty percent of children in the U.S. will go to bed tonight in a home without a father. Studies show that people without fathers are at much higher risk for low educational performance, drug abuse, crime and poverty. Fatherlessness is rampant in our churches as well. When planting his church, Mark Strong realized that fifteen of twenty core leaders, whether they were in their twenties or sixties, white or black, had grown up without an active father figure in their lives. And he determined to make a difference in the lives of the next generation. The church is uniquely positioned to minister to the fatherless, both within its own community and in society at large. Strong shows how we can make our churches places of refuge for our nation's fatherless. Churches can reveal a true picture of God as loving Father through mentoring both children and dads, meeting the practical needs of children, and much more. By embedding key values into your congregational culture, your church can become a church for the fatherless. Be part of the solution. Are you ready to make a difference?

**The Seven Promises of a Promise Keeper** - Focus on the Family Publishing 1994

Seven Promises of a Promise Keeper holds the keys to unlocking the power and potential of men. In these pages, leading authors like Dr. James Dobson, Gary Smalley, Jack Hayford, Bill Bright, and Howard Hendricks show them how to cultivate deep, life-changing relationships with their wives, children, friends, churches, and Lord.

The Promise Keepers - Bryan W. Brickner 1999

This informative book explores the ideological practices that construct the Promise Keepers movement, while investigating the fundamentals of the Promise Keepers' belief system. Based upon non-participant observations of events as well as in-depth interviews, *The Promise Keepers: Politics and Promises* studies the movement from the inside, providing a better understanding of this evangelical phenomenon. Examining the group from its modest beginning in 1990 of seventy men joining together in prayer, Bryan Brickner discusses the meaning of the movement in a social context. This book will be invaluable to scholars of religion, gender studies, and political theory.

*Messed Up Men of the Bible* - Tina Samples and Dave Samples 2016-01-27

"My grace is sufficient for you, for power is perfected in weakness."--2 Corinthians 12:9 From schlubby sitcom heroes to mommy blogs to online articles, there is a broad cultural perception that men constantly mess up and women must fight an uphill battle to fix them. Men are a burden, constant works-in-progress, pushed toward perfection but always falling short. This book asks a revolutionary question: What if these messed-up men are actually a mighty tool for God? Tina and Dave Samples remind us that the Bible is filled with a cast of messed-up men—men who struggled and fell, and yet were used by God to accomplish His purposes. In fact, God has consistently chosen imperfect "clay pots" in which to place His light. David was a poor father. Peter had problems with integrity. Moses had anger issues, Gideon struggled with fear, and Elijah suffered from depression--the list goes on. *Messed Up Men of the Bible* offers encounters with these ancient men who faced the same emotions and questions that contemporary men face, in order to reveal fresh spiritual insights and hope for modern relationships. Through personal stories, practical advice, and useful exercises, Tina and Dave provide encouragement and hope for women dealing with the messed up men in their own lives.

**Historical Dictionary of New Religious Movements** - George D. Chryssides 2011-11-25

In this newly updated second edition of the *Historical Dictionary of New*

Religious Movements, George D. Chryssides traces the rise and development of new religious movements throughout the world. An updated introduction summarizes the phenomenon of new religious movements and lays out the changes to the dictionary since the 2001 edition, while the main body of the dictionary consists of close to 600 cross-referenced entries on key figures, ideas, themes, and places related to various new religious movements. An index organizes the information in the dictionary, and a comprehensive bibliography leads the researcher to further sources.

Character Under Construction - Bob Horner 1999

Founded on biblical example and seasoned with a contemporary view, this 13th-session volume focuses on the development of character through a man's personal walk, his work, his relationships and his ministry.

A Man's Guide to the Spiritual Disciplines - Patrick Morley 2008-09-01

Spiritual disciplines are to the believer what medical school is to the doctor. A man came up to me at a conference where I was speaking and said, "Pat, do me a favor. Tell me how to be good. I already know how bad I am." That statement captures the intent of this book - and the purpose of the spiritual disciplines. Spiritual strength, like surgical skill or athletic excellence, requires training and practice. To become the kind of man who walks with God and wields Christ's influence in your world, you'll want to begin a consistent regimen of spiritual exercises. In A

Man's Guide to the Spiritual Disciplines, Patrick Morley highlights twelve habits that will strengthen your walk with Christ, including: -- Experiencing God in creation -- Letting the Bible change your life -- Learning the power of prayer -- Grasping God's greatness through worship -- Gaining strength through Sabbath -- Thriving because of fellowship -- Succeeding through wise counsel -- And more . . . By presenting each discipline with a concise overview, several examples, and application ideas to get you going, this powerful guidebook will help you develop the maturity every man of God was designed to reflect.

Promise Keepers - Phil Arms 1997

This book unravels the Promise Keepers' organization to find the dangerous Vineyard movement behind it. I think it is valuable for anyone who senses through the leading of the Holy Spirit that there is something wrong with Promise Keepers. The material Phil Arms presents provides a confirmation there there IS something wrong with that organization.
