

# California Sex Offenders Near Me

## **The Impact of Residency Restrictions on Sex Offenders and Correctional Management Practices** - Marcus Nieto 2006

*The Sex Offender Housing Dilemma* - Monica Williams 2018-05-08  
"When a South Carolina couple killed a registered sex offender and his wife after they moved into their neighborhood in 2013, the story exposed an extreme and relatively rare instance of violence against sex offenders. While media accounts would have us believe that vigilantes across the country lie in wait for predators who move into their neighborhoods, responses to sex offenders more often involve collective campaigns that direct outrage toward political and criminal justice systems. No community wants a sex offender in its midst, but instead of vigilantism, [the author] argues, citizens often leverage moral, political, and/or legal authority to keep these offenders out of local neighborhoods. Her book, the culmination of four years of research, 70 in-depth interviews, participant observations, and studies of numerous media sources, reveals the origins and characteristics of community responses to sexually violent predators (SVP) in the U.S. Specifically, [this book] examines the placement process for released SVPs in California and the communities' responses to those placements. Taking the reader into the center of these related issues, [the author] provokes debate on the role of communities in the execution of criminal justice policies, while also addressing the responsibility of government institutions to both groups of citizens."--

*Social Control of Sex Offenders* - D. Richard Laws 2016-05-11  
This book surveys the history, current status, and critical issues regarding the various mechanisms designed to control sex offenders. It shows that the social problem of sex offending is not apparently resolvable by any of the means currently employed. A large array of procedures are used in the attempt to control the difficult population of sex offenders, including: imprisonment, institutional and community treatment, community monitoring by probation and parole, electronic monitoring, registration as a sex offender, community notification of an offender's status, strict limits on behavioral movement in the community, and residence restrictions. However, these constraints on behavior are almost completely the result of public outrage regarding sensational sex crimes, overreaction of media coverage that produce inaccurate statements of potential community risk, and the efforts of the legal profession and politicians to quell this anger and foreboding by enacting legislation that supposedly confronts the risk. This book demonstrates that we have constructed a massive edifice of community control that is socially and politically driven and which has largely failed to contain sex crime.

[Homelessness Among Registered Sex Offenders in California](#) - California. Department of Corrections and Rehabilitation 2008

**Sex Registration Guidebook** - Victor Vevea 2012-02-01  
The authoritative guide to requesting removal from California's sex offender registration system. This book contains forms and instructions for more than a dozen ways to request that a defendant's picture, name, address, and other identifying information be removed from the Megan's Law web page.

**Registered for Life** - R Luther Cooper 2012-01-12  
For many the term sex offender is repulsive and is synonymous with every known true evil imaginable. This is not for the faint of heart but a chilling account of how this seemingly normal nice guy evolved over time into a SEX OFFENDER and the path he traveled from his conviction, sentence, treatment and then ultimate release back into society. Today he is a member of a growing "despicable group of sex offenders" that society loves to hate and is now REGISTERED FOR LIFE!

[The Sex Offender Housing Dilemma](#) - Monica Williams 2018-05-08  
The controversy surrounding community responses to housing for sexually violent predators When a South Carolina couple killed a registered sex offender and his wife after they moved into their neighborhood in 2013, the story exposed an extreme and relatively rare instance of violence against sex offenders. While media accounts would have us believe that vigilantes across the country lie in wait for predators who move into their neighborhoods, responses to sex offenders more often involve collective campaigns that direct outrage toward political and criminal justice systems. No community wants a sex offender in its midst, but instead of vigilantism, Monica Williams argues, citizens often leverage moral, political, and/or legal authority to keep these offenders out of local neighborhoods. Her book, the culmination of four years of research, 70 in-depth interviews, participant observations, and studies of numerous media sources, reveals the origins and characteristics of community responses to sexually violent predators (SVP) in the U.S. Specifically, *The Sex Offender Housing Dilemma* examines the placement process for released SVPs in California and the communities' responses to those placements. Taking the reader into the center of these related issues, Monica Williams provokes debate on the role of communities in the execution of criminal justice policies, while also addressing the responsibility of government institutions to both groups of citizens. *The Sex Offender Housing Dilemma* is sure to promote increased civic engagement to help strengthen communities, increase public safety, and ensure government accountability.

**California's Megan's Law** - 2001-07  
California's Megan's Law allows law enforcement to notify the public of serious and high-risk sex offenders who reside in, are employed in, or visit a community. The law requires the California Dept. of Justice to produce a CD-ROM or other electronic medium containing information on serious and high-risk sex offenders. Access to the CD-ROM is mandated to be available to the public at all sheriff's departments and police departments in cities with a population of 200,000 or more as well as through the California Dept. of Justice. Many police departments with smaller jurisdictions have also voluntarily elected to make the CD-ROM available to the public. This report covers 1998 and 1999.
