The Ultimate Guide to Sex After Fifty - Joan Price 2014-12-22

The population over age 50 is larger than ever in history. According to the U.S. Census Bureau, 32.1 percent of the U.S. population were age 50 and over in 2011. This demographic is also healthier, more aware, more youthful, and more vocal than any previous older generation. Thanks to ongoing medical discoveries, the sexual revolution, and the Internet, today's seniors are also sexier than ever — or at least they're now willing to talk and ask about sex as never before. They are the generation that discovered clitoral orgasms, vibrators, and Viagra, and there's no stopping the thirst for knowledge and pleasure now. Since 2005, Joan Price has penned *Better Than I Ever Expected: Straight Talk About Sex After Sixty* and emerged as the go-to sexpert for the over-50 population. Price's savvy advice, honesty, helpfulness, and humor garnered awareness in the media, in professional circles of therapists and sex educators, and among the huge population of people over 50 who hunger for real information from an age appropriate author. Price tackles it all in this definitive guide to sex and aging: health, fun (and function), disability, dating, illness, orgasms, G-spots, P-spots, polyamory, kink, and much more.

Men Like Us - Daniel Wolfe 2000

For nearly two decades, GMHC has provided vital support, education, and health information to gay men. Now, with "Men Like Us", their guidance -- and the insights of hundreds of gay men across America -- will help readers everywhere. Practical, down-to-earth, and accessible, this authoritative health resource covers such topics as: -- body basics -- exercise and diet-- relationships and intimacy-- sexual pleasure-- medical care -- prevention and healing-- mental health and therapy-- spirituality and community-- and much, much more Filled with expert advice -- from leading doctors, lawyers, therapists, and fitness instructors to "ordinary gay men" whose stories provide important voices of experience -- "Men Like Us" opens a window onto the ways gay men, in all their diversity, care for themselves and each other.

The Hot Guide to Safer Sex - Yvonne K. Fulbright 2003

Written in a hip, lighthearted tone, this book offers an easy-to-read, entertaining, and down-to-earth approach to making safer sex sexy. Photos & illustrations.

Safer Sexy - Peter Tatchell 1994

Safer Sexy is a raunchy, sizzling guide to gay sexuality, relationships, and the prevention of HIV and other sexually-transmitted diseases. Using explicit language and photographs, it gives straightforward information about how to have exciting and satisfying sex, safely.

Do Me! - Stefan Müller 2014-08-01

This is a sex guidebook that picks up where the others leave off. It doesn't just repeat for the hundredth time the same old recipes for how to give a blow job or how to use your fingers in bed; it shows you how to go from the sexual little league to the erotic world series! With the techniques in this book, you'll amaze any guy, be it a one-night stand or your long-time lover. There's plenty of lust and desire to be discovered, even in a long-term relationship! Do Me! will take you on a journey of sexual awakening. Whether on your own or together with your partner, you'll discover a whole new world of erotic adventures and sensual fulfillment.

The Ultimate Guide to Threesomes - Stella Harris 2021-03-09

Everything you've ever wanted to know about how to have a threesome—plus everything you'd never think to ask! The Ultimate Guide to Threesomes will teach you how to have ethical, consensual encounters that give pleasure to everyone involved. Fantasy exploration, finding threesome partners, making your dreams come true—sex educator Stella Harris guides you through the whole process. You'll also find plenty of positions and scenarios for beginners and veterans alike, plus information about safer sex and aftercare. And if you want threesomes to stay a fantasy? That's okay too! This book teaches how to use threesomes in dirty talk and role play. Whether you're just starting out on your threesome journey, or you've been having threesomes for years, you'll find something here to suit your needs. Harris is used to hearing, "Wow, I never thought of that!"—what new ideas will you find in these pages?

Safe Sex - James Brackett 1991-01-01

The Complete Guide to Safer Sex - Clark Taylor 1999

Explores the sexual aspects of AIDS prevention while explaining how to minimize the risk of infection and how to create a safer and healthier sexual life style.

Safe Sex - John Preston 1986

Offers guidelines for avoiding the transmission of the AIDS virus, suggests alternative sexual activities for gay couples, and uses erotic stories to illustrate safe practices

Healthy Bodies, Safer Sex - 2016

[Get Ready for Action](#) - Scottish AIDS Monitor. Gay Men's Project 1995 Booklet giving tips on safer sex, using Action Man dolls to illustrate the various sections.

The Complete Guide to Safe Sex/Ted McIlvenna, Editor ; Authored by Senior Faculty of the Institute for Advanced Study of Human Sexuality - Institute for Advanced Study of Human Sexuality 1987

Dr. Ruth's Guide to Safer Sex - Ruth Karola Westheimer 1992

Describes the risks of AIDS and other sexually transmitted diseases for both heterosexuals and gays, and discusses condoms, changes in sexual behavior, and other precautions that can be taken to avoid AIDS

Sex Guide Mastery - Cherry Wilson 2021-04-29

It's human nature to be curious about sex, and the curiosity doesn't stop even if you're having it multiple times a day, seven days a week, etc. Like all things, no one wants to get into a rut, and incorporating new techniques and tricks is part of what keeps sex so refreshing and intimate. Sure, sex has been around forever, and the never-ending curiosity gap around it is part of what makes it such a dynamic part of our lives. It's also only logical that we humans would be constantly thinking and wondering about it. Are we all doing it? If so, how often? Are we doing it correctly? What else is there to try? Is everyone having one kind of sex that I'm not? The good news is, as long as it's consensual, safe, and healthy, you're good. Part of the beauty of sex is that it's so subjective. Just because one person loves BDSM-style sex, doesn't mean other people can't enjoy vanilla sex. You can always evolve your sexual tastes and proclivities, and that's kinda what makes it great.

Experimentation is part of being a sexual being. To help you make sure your bedroom action is as pleasurable as possible. here is a complete sex guide book for you to get started

A Woman's Complete Illustrated Guide to Sex - Susan Quilliam

2003-03

Provides women explicit techniques designed to enhance pleasure, suggestions for dealing with various sexual problems, and information on safe sex.

Modern Girl's Guide to Safe Sex - 1989

Safety in Numbers - Edward King 1994

"Gay men remain the group primarily affected by the AIDS epidemic in most industrialized countries. Although governments and AIDS organizations increasingly stress the dangers of a heterosexual HIV epidemic, it is gay men who are still bearing the brunt of the crisis." "In the 1980s gay men pioneered safer sex campaigns, long before governments responded. Rates of HIV transmission were drastically reduced through the most successful health-related behaviour changes in history. Today, however, the challenge for health educators is to understand the early successes and to translate them into new and

equally effective strategies." "This unprecedented book provides a comprehensive overview of safer sex education for gay men. It offers a critical analysis of the professionalization and de-gaying of AIDS education in recent years and demonstrates conclusively how those at greatest risk from HIV have become the most neglected. By looking back over the successes of the past, it provides an accessible, essential guide to meeting current and future needs." --Book Jacket.

The Complete Story of HIV and AIDS - C. J. Visagie 1999-01

A comprehensive guide to HIV and AIDS covering topics such as: HIV, pregnancy and breast-feeding: coping with AIDS; what is AIDS?; what are sexually transmitted diseases?; where does HIV come from?; what is safer sex?

Dr. Ruth's Guide to Safer Sex - Ruth Karola Westheimer 1992

In an era when the fear of AIDS and other sexually-transmitted diseases has rewritten the rules in the sexual handbook, Dr Ruth Westheimer offers advice to everyone on how creative precautions in love-making can be both life-saving and fun.
