He's looking for a fresh start. It wasn't supposed to include her. He's done his time, but once a felon, always a felon. Nobody lets him forget that. Dare needs to leave town, get a new start somewhere else where no one knows him and what he's done. If only it were that simple. Not only is it impossible to find the right time to tell his sister he's hitting the road, he meets a woman who gets under his skin without even trying. He wants to run in the opposite direction and never stop. If only she'd let him. Vacation time is meant to relax, not bring the stress and tension bearing down on her. Of course, meeting a man who challenges her in so many ways, well, Julie can't ignore that. Nor can she combat the desire that attacks her body every time he looks her way. Dare to Lead Brené Brown 2018-10-11 In her #1 NYT bestsellers, Brené Brown taught us what it means to dare greatly, rise strong and brave the wilderness. Now, based on new research conducted with leaders, change makers and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Leadership is not about titles, status and power over people. Leaders are people who hold themselves accountable for recognising the potential in people and ideas, and developing that potential. This is a book for everyone who is ready to choose courage over comfort, make a difference and lead. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it and work to align authority and accountability. We don't avoid difficult conversations and situations; we lean into the vulnerability that's necessary to do good work. But daring leadership in a culture that's defined by scarcity, fear and uncertainty requires building courage skills, which are uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the same time we're scrambling to figure out what we have to offer that machines can't do better and faster. What can we do better? Empathy, connection and courage to start. Brené Brown spent the past two decades researching the emotions that give meaning to our lives. Over the past seven years, she found that leaders in organisations ranging from small entrepreneurial start-ups and family-owned businesses to non-profits, civic organisations and Fortune 50 companies, are asking the same questions: How do you cultivate braver, more daring leaders? And, how do you embed the value of courage in your culture? Dare to Lead answers these questions and gives us actionable strategies and real examples from her new research-based, courage-building programme. Brené writes, 'One of the most important findings of my career is that courage can be taught, developed and measured. Courage is a collection of four skill sets supported by twenty-eight behaviours. All it requires is a commitment to doing bold work, having tough conversations and showing up with our whole hearts. Easy? No. Choosing courage over comfort is not easy. Worth it? Always. We want to be brave with our lives and work. It's why we're here.'

Dare to Love: 1 Corinthians 13 Rose Publishing 2014-03-25 The "Love Chapter" in the Bible is one of the most precious passages of all time. The kind of love portrayed in 1 Corinthians is true love, strong and determined--and it is not for the faint of heart. In this beautiful full-color 14-page Dare To Love booklet, you will read the full text of this chapter and understand the teachings and insights in depth. These days, love is a risky adventure requiring not only strength and character, but also a vulnerable, gritty commitment. Paul's famous passage on love, 1 Corinthians 13, is often quoted during weddings, but it has a far greater application to today's world. Dare to Love unpacks this meaty chapter without sentimentalism, examining and applying the hard work of loving another human being, a spouse, child, friend, or neighbor. Discusses the differences in the four kinds of love: Agape (unconditional, God-like), Philia (friendship), Eros (pleasure, sexuality), and Storge (gift-love between parents and children). 1 Corinthians 13 includes principles that bring healing and restoration to marriages and families today. This pamphlet is perfect for people who are engaged, married, or caretakers for the sick or elderly. It also goes well with the movie "Fireproof," the book Love Dare and other marriage enrichment books.

College was supposed to be my chance to get over my ugly-duckling complex and spread my wings. Instead, I wound up in a sorority full of mean girls. I already have a hard time fitting in, so when my Kappa Chi sisters issue the challenge, I can't say no. The dare: seduce the hottest new hockey player in the junior class. Conor Edwards is a regular at Greek Row parties...and in Greek Row sorority beds. He's the one you fall for before you learn that guys like him don't give girls like me a second glance. Except Mr. Popular throws me for a loop—rather than laughing in my face, he does me a solid by letting me take him upstairs to pretend we're getting busy. Even crazier, now he wants to keep pretending. Turns out Conor loves games, and he thinks it's fun to pull the wool over my frenemies' eyes. But resisting his easy charm and surfer-boy hotness is darn near impossible. Though I'm realizing there's much more to Conor's story than his fan club can see. And the longer this silly ruse goes on, the greater the danger of it all blowing up in my face.

Dare to Love S.B. Alexander 2016-02-16 Risks are always worth taking. Cocky Kelton Maxwell is an impossibly sexy and charming college playboy who's set on attending Harvard Law. He has no interest in the trappings of romance. He only needs a prestigious internship at a highfalutin law firm to seal his application. But when a blast from his past shows up in Boston, his future is jeopardized. Kelton swore he would never put himself through heartache again. He would rather pledge his allegiance to the devil than drop to his knees to worship a woman, especially her. Feisty Lizzie Reardon is on a mission to find the man who stole her inheritance. Her only lead sends her to an art class, where she finds the boy she left standing on the hot Texas pavement several years ago. She isn't prepared to deal with Kelton, and she definitely isn't ready to see him posing naked for a room full of students. Yet she can't help but admire the boy who is now all man, hard, cut, and covered with colorful tattoos. Kelton won't dare to get close. Lizzie won't dare to let him in. Can they both dare to love? This book can be read as a standalone. ABOUT THE SERIES: The Maxwell Series is about four brothers who are all about family, duty, honor, and will do anything to protect those they love. Alexander isn't a "formula" writer. This book stands out, and is definitely her best writing yet." - The Garden of REden "The journey the author has taken his character is full of feels that I crave as a reader. I laughed hard at Kelton's words, and his monologue. My heart was in my throat so many times I lost count. The chemistry was OUT OF THIS FREAKING WORLD, and I absolutely devoured every single word. I didn't think it was possible to fall for Kelton harder, but sweet baby Jesus, I was so freaking wrong." - The FMR Book Grind "This book was phenomenal. Dare to Love the Guy Next Door Ellie Hall 2021-09-07 A dating dare? It could turn out to be the perfect match or it could be worse than a slap on a sunburn. Me, little ol' Paisley Jones, envisioned glitz and glamour with my movie star fiancé until a humiliating, public scandal explodes in my life like damp confetti. I escape to the family cottage with an ocean view and am not looking for love until a dare and a crazy seagull send me next door. Griffin Sanders was a late-blooming goofball, but now, as a competitive surfer and business owner, not much stops him. However, when an injury keeps him out of the water, he's stuck on dry land. Turns out his teen crush is hiding out in the neighboring cottage. That would be yours truly, but I don't recognize him at first. Big waves. Big surprise. Quirky and independent, I never quite fit in the celebrity world. I'm not sure where I belong until I get on a surfboard. But it's hard to tell if the popular surfing instructor is just another guy seeking fame and fortune, the silly kid from my childhood summers, or someone I can ride the waves with. Will we take the plunge or will our affection for one another drop like the tide?
