Love in the Time of Serial Killers Alicia Thompson 2023-03-30 'Unique, sexy, hilarious, charming... The true crime is NOT reading this novel!' Ali Hazelwood, author of *The Love Hypothesis* 'A criminally addictive romance... this book is sheer perfection from beginning to end' Rachel Lynn Solomon, author of *The Ex Talk* -- Turns out that reading nothing but true crime isn't exactly conducive to modern dating - and one woman is going to have to learn how to give love a chance when she's used to suspecting the worst. PhD candidate Phoebe Walsh has always been obsessed with true crime. She's even analysing the genre in her dissertation - if she can manage to finish writing it. It's hard to find the time while she spends the summer in Florida, cleaning out her childhood home, dealing with her obnoxiously good-natured younger brother, and grappling with the complicated feelings of mourning a father she hadn't had a relationship with for years. It doesn't help that she's low-key convinced that her new neighbour, Sam Dennings, is a serial killer (he may dress business casual by day, but at night he's clearly up to something). But it's not long before Phoebe realises that Sam might be something much scarier - a genuinely nice guy who can pierce her armour to reach her vulnerable heart. What readers are saying about *Love in the Time of Serial Killers*: 'Do you know when you disappear into a book? You, your surroundings, everything, ceases to exist? This book was that for me' ☐☐☐☐ 'The cover is gorgeous, and the inside is fun, witty, relatable and so entirely sweet' ☐☐☐☐ 'This was such an enjoyable read. I really loved the depths given to Phoebe, the way she created walls around herself, the themes were developed organically and believably' ☐☐☐☐ 'Phoebe is one of the best female protagonists I've read in a long time' ☐☐☐☐ 'The whole thing made me laugh out loud and smile like an idiot sooo often' ☐☐☐☐ 'The book was witty and fun, but also thought out and honest' ☐☐☐☐

Lords of the Middle Dark Jack L. Chalker 2013-04-23 Across the galaxy and beyond, the Master System ruled. Once the product of human intelligence, it now far surpassed its creators. All understanding of it was lost and any attempt at rediscovery ruthlessly suppressed. The rule of the Master System was unchallenged. Yet there was a key, long forgotten, that would break that control and it happened by chance that two people, an American and a Chinese woman, stumbled across the secret of the five golden rings that were the key. Now their only hope lay in finding the rings themselves for the Master System was at their backs, hunting them down...

The Master and Margarita Mikhail Bulgakov 1967 Set in Moscow of the 1920's, this satirical novel recounts the dealings a writer and his mistress have with Satan.

The Master & Margarita Mikhail Bulgakov 2016-03-22 Satan, Judas, a Soviet writer, and a talking black cat named Behemoth populate this satire, "a classic of twentieth-century fiction" (The New York Times). In 1930s Moscow, Satan decides to pay the good people of the Soviet Union a visit. In old Jerusalem, the fateful meeting of Pilate and Yeshua and the murder of Judas in the garden of Gethsemane unfold. At the intersection of fantasy and realism, satire and unflinching emotional truths, Mikhail Bulgakov's classic *The Master and Margarita* eloquently lampoons every aspect of Soviet life under Stalin's regime, from politics to art to religion, while interrogating the complexities between good and evil, innocence and guilt, and freedom and oppression. Spanning from Moscow to Biblical Jerusalem, a vibrant cast of characters—a "magician" who is actually the devil in disguise, a giant cat, a witch, a fanged assassin—sow mayhem and madness wherever they go, mocking artists, intellectuals, and politicians alike. In and out of the fray weaves a man known only as the Master, a writer demoralized by government censorship, and his mysterious lover, Margarita. Burned in 1928 by the author and restarted in 1930, *The Master and Margarita* was Bulgakov's last completed creative work before his death. It remained unpublished until 1966—and went on to become one of the most well-regarded works of Russian literature of the twentieth century, adapted or referenced in film, television, radio, comic strips, theater productions, music, and opera.

Dark Victory Brenda Joyce 2009-03-01 A dark, ruthless Highlander, the Black Macleod has refused his destiny. His life is revenge for the massacre of his family. The 48 Laws of Power Robert Greene 2000-09-01 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Six Masters of the Spanish Sonnet Willis Barnstone 1997 With poems selected and translated by one of the preeminent translators of our day, this bilingual collection of 112 sonnets by six Spanish-language masters of the form ranges in time from the seventeenth to the twentieth centuries and includes the works of poets from Spanish America as well as poets native to Spain. Willis Barnstone's selection of sonnets and the extensive historical and biographical background he supplies serve as a compelling survey of Spanish-language poetry that should be of interest both to lovers of poetry in general and to scholars of Spanish-language literature in particular. Following an introductory examination of the arrival of the sonnet in Spain and of that nation's poetry up to Francisco de Quevedo, Barnstone takes up his six masters in chronological turn, preceding each with an essay that not only presents the sonneteer under discussion but also continues the carefully delineated history of Spanish-language poetry. Consistently engaging and informative and never dull or pedantic, these essays stand alone as appreciations--in the finest sense of that word--of some of the greatest poets ever to write. It is, however, Barnstone's subtle, musical, clear, and concise translations that form the heart of this collection. As Barnstone himself says, "In many ways all my life has been some kind of preparation for this volume."

Children of Time Adrian Tchaikovsky 2018-09-18 Winner of the 2023 Hugo Award for Best Series! Adrian Tchaikovsky's award-winning novel *Children of Time*, is the epic story of humanity's battle for survival on a terraformed planet. Who will inherit this new Earth? The last remnants of the

human race left a dying Earth, desperate to find a new home among the stars. Following in the footsteps of their ancestors, they discover the greatest treasure of the past age—a world terraformed and prepared for human life. But all is not right in this new Eden. In the long years since the planet was abandoned, the work of its architects has borne disastrous fruit. The planet is not waiting for them, pristine and unoccupied. New masters have turned it from a refuge into mankind's worst nightmare. Now two civilizations are on a collision course, both testing the boundaries of what they will do to survive. As the fate of humanity hangs in the balance, who are the true heirs of this new Earth?

Dark Lover (Mills & Boon Nocturne) (The Masters of Time, Book 5) Brenda Joyce 2014-01-01 Every Rose Woman Has Her Destiny
For Love of the Automobile Wolfgang Sachs 2023-12-22 In his cultural analysis of the motor car in Germany, Wolfgang Sachs starts from the assumption that the automobile is more than a means of transportation and that its history cannot be understood merely as a triumphant march of technological innovation. Instead, Sachs examines the history of the automobile from the late 1880s until today for evidence on the nature of dreams and desires embedded in modern culture. Written in a lively style and illustrated by a wealth of cartoons, advertisements, newspaper stories, and propaganda, this book explores the nature of Germany's love affair with the automobile. A "history of our desires" for speed, wealth, violence, glamour, progress, and power—as refracted through images of the automobile—it is at once fascinating and provocative. Sachs recounts the development of the automobile industry and the impact on German society of the marketing and promotion of the motor car. As cars became more affordable and more common after World War II, advertisers fanned the competition for status, refining their techniques as ownership became ever more widespread. Sachs concludes by demonstrating that the triumphal procession of private motorization has in fact become an intrusion. The grand dreams once attached to the automobile have aged. Sachs appeals for the cultivation of new dreams born of the futility of the old ones, dreams of "a society liberated from progress," in which location, distance, and speed are reconceived in more appropriately humane dimensions.

Master of the Mountain Cherise Sinclair 2014-08-08 "Master of the Mountain is, quite simply, a beautiful book. Cherise Sinclair swept me away with her perfect blending of tenderness, healing, erotic discovery, and romance." ~Joyfully Reviewed BOOK DESCRIPTION: Rebecca thinks she is overweight and boring. Logan disagrees. When Rebecca's lover talks her into a mountain lodge vacation with his swing club, she soon learns she's not cut out for playing musical beds. But with her boyfriend "entertaining" in their cabin, she has nowhere to sleep. Logan, the lodge owner, finds her freezing on the porch. After hauling her inside, he warms her in his own bed, and there the experienced Dominant discovers that Rebecca might not be a swinger...but she is definitely a submissive. Rebecca believes that no one can love her plump, scarred body. Logan disagrees. He loves her curves, and under his skilled hands, Rebecca loses not only her inhibitions, but also her heart. Logan knows they have no future. Damaged from the war, he considers himself too dangerous to be in any relationship. Once the weekend is over, he'll have to send the city-girl subbie back to her own world. But will driving her away protect Rebecca or scar them both? "Readers can't help but fall under this author's spell as she creates magic with another deliciously scandalous book to delight in. Dark Embrace (Mills & Boon Nocturne) (The Masters of Time, Book 3) Brenda Joyce 2013-09-01 Her Seduction. His Salvation.
The Royal Alphas (Books 4 & 5) J.J. Masters 2023-10-14 This collection includes the last two books in The Royal Alphas Series: THE SELKIE PRINCE'S FORBIDDEN MATE (Book 4): Secrets, lies and a forbidden bond that could change the fate of a kingdom. Marlin, Selkie prince and fourth alpha-born son of the King of the North, desires someone he shouldn't. While taking a human lover is not quite forbidden, the one who caught his eye happens to be his brother's scorned former lover. Nevertheless, every time Marlin's around the man, he finds Nic hard to resist, even though his attitude can be frustrating. However, Marlin likes a challenge, and Nic's a challenge he's willing to tackle. Nic has been bitter ever since the firstborn prince, Kai, broke off their affair abruptly years ago. To become involved with Kai's younger brother could be just as heartbreaking because Marlin, like Kai, is obligated to find his fated mate and produce heirs. Something Nic can't do. However, neither can fight their mutual attraction. When a traitor escapes, Marlin's skin is stolen, and danger ensues, it's Nic who becomes the prince's hero. And it's at that very moment that Marlin can't deny their fate, whether it's forbidden or not. THE SELKIE PRINCE'S SECRET BABY (Book 5): An alpha prince, required to find his fated mate, has already pledged his love to another. But there's a problem... Prince Caol of the North has enjoyed a very active, carefree life. Being the youngest of five alpha-born princes, he hasn't had a lot of responsibilities. As he watched his brothers find their fated mates and produce sons, he knew the time would come when he'd be forced to do the same. However, he's in no rush since he's quite happy with his current lover. While Caol wants to take his beta servant as his mate, the king demands the law be upheld and he find an omega who can give him sons to continue the Selkie race. Beck can't bear the thought of losing his alpha—the prince he not only served for years but loved just as many—to an omega. A male fated to bear his alpha sons. However, Beck's gender makes it impossible for the prince to take him as his mate since betas cannot produce heirs. Galen has lost so much. Trying to mend his broken heart, the omega's thrown into the path of his alpha when he becomes a wet-nurse to the prince's son. A son Caol has no idea even existed. The only problem is his alpha already has a lover. One Caol's been with for years, one he loves. Just when Galen thought he'd never find a mate due to his past circumstances, the omega unexpectedly finds two. Was this what the fates intended? Note: This collection includes both an m/m and m/m/m menage shifter mpreg story. Due to the "knotty" times in these books, they're recommended for mature readers only. While they can be read as standalones, it's recommended to read the series in order. And, like all of my books, each has an HEA.

The Master, The Lover, and Me Denise McDermott-King 2017-11-24 It all began with a letter, found hidden in some old manuscripts, requesting a dispensation for as much karma as possible, to be given in as short a time as possible. As a direct result of replicating this ancient letter, the author's life was drastically changed, and finally culminated in her being taken on a walkabout with a group of Masters residing in the Rocky Mountains. However, after spending just over nine months with these advanced Brothers, the greatest challenge was to be faced upon her return. This is an account, woven like an adult fable based on truth, of how the opportunity to step into an unbelievable life was made available, and is available to any sincere seeker of truth. This journey shows that with courage rather than faith, with the desire to seek ultimate truth rather than know it, one may seize all opportunities, making them the willing servants to enlightenment.
