### **Sex Therapy** - Keith Hawton 1985-02-07

Sexual problems are a major cause of personal distress and marital breakdown, affecting as many as one in ten of the general population. The author, who has had extensive clinical, research, and teaching experience in the field of sexual dysfunction, has written a very practical account of the nature, causes, assessment, and treatment of sexual problems. The various stages of treatment are described in sufficient detail for therapists who are about to start sex therapy. Experienced therapists will also find this book a source of useful advice. The treatment approach includes behavioural, psychotherapeutic, and educational techniques. In

addition to the treatment of couples, the management of sexual problems of individuals without partners, and of the physically disabled, are also described. Practical guidance is backed up by research findings. This book is an up-to-date, straightforward, and practical account which should be of considerable interest to anyone involved in the management of sexual problems.

### **The New Male Sexuality** -

Bernie Zilbergeld 2013-02-27

The New Male Sexuality addresses the most urgent questions of men today--and of the women who love them. Bernie Zilbergeld reports findings from his twenty years as a psychologist specializing in human sexuality, as well as those other experts in the field,

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2022-11-09 by guest

and shares his own and his clients' experiences. the result is the most comprehensive guide ever to enhancing desire and arousal, focusing on pleasure rather than performance, and keeping sex exciting and fulfilling. Clear, comprehensive, witty, and refreshingly realistic, *The New Male Sexuality* is destined to be a classic.

*Becoming Orgasmic* - Julia R. Heiman 2010-08-05

*BECOMING ORGASMIC* is the ideal book for any woman who has inhibitions about sex and wants to enhance the pleasure she gets from it. Whether you're married, or single, divorced or widowed, under 30 or over 60, or somewhere in between, the programme presented in this book will help you feel comfortable with yourself and your ideas about sex. It will help you to:

Evaluate your sexual history and put it in perspective; explore your body through touch; understand the effects of pregnancy, menstruation, and menopause on sexual desire and response; be

comfortable with your body and yourself as a woman; share self-discovery with your partner; overcome the fear of orgasm; explore ways to trigger an orgasm and learn about sex in the modern world - social expectations, personal values, and choosing a partner in the age of AIDS. A personal and sensitively written book, *BECOMING ORGASMIC* is designed to make you feel good about your sexuality and yourself.

*Encyclopedia of Taboos* - Lynn Holden 2000-12

What are the origins of table manners? What are the politics of cannibalism? Why is the left hand thought to be sinister? These apparently unrelated questions all hinge on the fundamental notion of taboo. Far from being peripheral leftovers from distant times and places, taboos are a crucial part of any society, determining how people must and must not behave. The *Encyclopedia of Taboos* is a mine of unusual information from around the world, including a comprehensive

analysis of individual taboos from the ancient world to the present day, covering both well- and lesser-known examples.

### **The Encyclopedia of Unusual Sex Practices -**

Brenda Love 2000-03-12  
"Filled with more sexually related facts and fancies than you could have ever imagined, the Encyclopedia of Unusual Sex Practices contains over 700 entries and more than 150 original illustrations, in one beautifully illustrated, oversized volume. Author Brenda Love provides short, fun-loving descriptions of computer sex, erotic balls, love potions, pubic hair sculpting, Yoni worship, and hundreds of other topics, as well as longer essays and historical surveys on important subjects ranging from adultery and birth control to sexual harassment and transvestism." -- book jacket.

**Sapphistry** - Patrick Califia  
1980

The Book of Lesbian Sexuality, illustrated.

### **Forensic and Medico-legal Aspects of Sexual Crimes**

**and Unusual Sexual Practices** - Anil Aggrawal  
2008-12-22

From sexual abuse and fetishism to necrophilia and sadomasochism, this unique volume identifies fourteen classifications of unusual sexual pathologies.

Emphasizing the physical and psychological aspects of sexuality itself, the book presents detailed comparisons of legal and medical definitions, historical aspects, current incidence, and geographical prevalence of these offenses. It also explores the potential causes, discussing etiological theories and reviewing psychopathology. Highlighting the cross-cultural nature of the forensic aspects of human sexuality, the book examines various case studies in the context of international legislation. It also covers minor aberrant behavior such as coprolalia and troilism.

**Cognitive-Behavioral Therapy for Sexual Dysfunction** - Michael E. Metz  
2017-11-13

Cognitive-Behavioral Therapy

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2022-11-09 by guest

for Sexual Dysfunction provides clinicians and graduate students with a comprehensive biopsychosocial model of useful, practical, empirically-based strategies and techniques to address common sexual dysfunctions. It is the most comprehensive volume describing the couple cognitive-behavioral approach to assessment, treatment, and relapse prevention of sexual dysfunction. The focus is on sexual desire and satisfaction with an emphasis on the Good Enough Sex (GES) model of sharing sexual pleasure rather than an individual perfect intercourse performance test.

This title reflects the contributions of Mike Metz to the field of couple sex therapy.

**The Deviant's Pocket Guide to the Outlandish Sexual Desires Barely Contained in Your Subconscious** - Dennis DiClaudio 2019-10-01

In tribute to the many splendors of human sexuality, The Deviant's Pocket Guide to the Outlandish Sexual Desires Barely Contained in Your Subconscious profiles over 40

of the wildest and woolliest sexual proclivities you'll ever find, even on the internet. The human race is a species of inventors. In our few millennia of existence, we've created fire, the wheel, the printing press, vaccines, and the internet. But never is our creativity more evident than when it comes time to reproduce. For nature lovers, there's Dendrophilia (you know, tree hugging). For car people, there's the Automotive Fetish. And for those people who love stuffed animals...you'll just have to look inside. Each entry in this one-of-a-kind

encyclopedia explores the psychological underpinnings, important logistics, and typical fantasies associated with the deviance in question. For the aspiring deviant, there's even a list of useful accoutrements. Hysterical and astonishingly thorough, The Deviant's Pocket Guide is the only reference book you'll ever need.

**Strange Sexual Customs & Practices** - Hari Datt Sharma 2007-09

This book is a close-up scrutiny

*Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2022-11-09 by guest*

on strange sexual customs - a peek beyond the realms of anatomy to the deeper insights of psychology. the author describes how attitudes towards sex grew and changed over the centuries, from the ancient cultures to the sexual emancipation in the modern world. He provides authentic and exhilarating information to put the issues relating to it in the right perspective. Also, replete with frank and revealing illustrations, the book features many interesting and uncommon terms customary in various sects, cults, religions and cultures all over the globe. *The Encyclopedia of Aphrodisiacs* - Christian Rätsch  
2013-02-03

The most comprehensive guide to the botany, pharmacology, cultural, ritual, and personal use of erotically stimulating substances from antiquity to the present day • Details the use, preparation, and dosage of more than 400 plant, animal, mineral, and synthetic substances, both common and exotic, as well as their botany, science, and legal status •

Explores the historical and present use of aphrodisiacs and their role in sexual practices, culture, and art • Richly illustrated throughout with more than 800 color photographs The culmination of more than 30 years of cultural, anthropological, and scientific research, this encyclopedia examines the botany, pharmacology, history, preparation, dosage, and practical use of more than 400 erotically stimulating substances from antiquity to the present day. From plants and animals that enhance fertility and virility, like celery, snails, or oysters, to substances that induce arousal, like ephedra, opium, or cannabis, the encyclopedia is richly illustrated with more than 800 color photographs--many of which are from the authors' extensive fieldwork around the world. Exploring individual, medicinal, and ritual use through historic and contemporary artwork, personal accounts, and literature as well as ayurvedic, tantric, shamanic, and

European folklore practices and recent pharmacological research, the authors look at the revolving cycle of acceptance and condemnation of aphrodisiacs, the qualities that incur the label of “aphrodisiac,” the role of mind and setting, and the different ways aphrodisiacs stimulate desire--either physically, through the senses and vital organs, or mentally, through heightened awareness and altered consciousness. This comprehensive guide reveals these “remedies of the love goddess” as holy remedies whose proper use can help reestablish harmony with oneself, one’s partner, and the universe.

*The Encyclopædia of Sexual Behaviour* - Albert Ellis  
2013-09-24

The Encyclopedia of Sexual Behavior, Volume 1 is a comprehensive review of the major aspects of the biology, physiology, and anatomy of sex. This book is divided into 57 chapters that also cover the major facets of the emotional, psychological, sociological,

legal, anthropological, geographical, and historical aspects of sexuality, including the related fields of love, marriage, and the family. This book deals first with the advances in sex research, the issues on abortion, abstinence, adolescent, sexuality, and the link between sex and aging. The subsequent chapters consider the demographic, geographical, and anthropological aspects of sex; life; the physiology, anatomy, and history of sex; the attitude toward sex; the concept of autoerotism; and the religious view of sex. Other sex-related topics covered include chastity and virginity, child sexuality, nakedness, coitus, contraception, courtship, culture, social dancing, and sex education. This book further discusses the emotional aspects of sex, such as divorce, marriage, extramarital sex relations, family, and reproduction. The remaining chapters look into the issues of hermaphroditism, homosexuality, illegitimacy, impotence, and jealousy. This

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2022-11-09 by guest

book is of value to psychologists, psychiatrists, sociologists, medical practitioners, and researchers and workers in the allied fields.

**Deviant Desires** - Katharine Gates 1999

Self-described pervert Katherine Gates takes an anthropological look at the explosion of extreme fetishes and post-modern eroticisms in this lavishly illustrated guide to some of the most obscure and fascinating sexual subcultures. Here are just a few of the strange and convoluted erotic turn-ons included: Pony riding academies, cybersex and its permutations, a man whose fetish is to costume himself as a thanksgiving turkey and get cooked in an oversize oven. Also includes interviews with John Waters, Clive Barker, and Harold Schecter.

The Sexually Dominant Woman

- Lady Green 2012-03-05

Lady Green has taught tens of thousands of women, men and couples the fundamentals of safe, erotic female-dominant play. This friendly, simple, unthreatening book is the

perfect starting point for the woman who has fantasized about erotic power play. It even includes a script to inspire and support her through her first scene! "Lady Green has a good handle on what a beginner needs to know... and she encourages flexibility and openness as well - important aspects of the enjoyment of it all.

Recommended for novices!" -

Sandmutopia Guardian

**Useless Sexual Trivia** - Shane Mooney 2000-02-21

Everything You Always Wanted to Know About Sex, But Never Knew to Ask Did you know that in Middle-Eastern Islamic countries it is not only a sin but also a crime to eat a lamb that you've had sex with? Or that the world vanilla comes from a Latin word meaning "vagina" because of the vanilla pod's resemblance to the female genitalia? Or that Grand Tetons literally means "big tits"?

You've probably never even thought about such things. But here they are, in this unusual compilation of strange facts about the facts of life that will

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2022-11-09 by guest

make you laugh out loud while your hair stands on end.

Highlights include: \* Just the Factoids, Man -- For instance, the number of human ova necessary to repopulate the world could fit into a chicken egg. \* When Sex Goes Horribly Awry -- Don't be caught with your pants down. Learn once and for all the words you didn't find on your SATs, such as "acrotomophilia," "oculolinctus," and "taphophilia." \* Animal Lust -- There is more to sex in the animal kingdom than doing it doggie style. Did you know that a barnacle's penis is 150 percent of its body length? \* They Said What?! -- They said plenty: "I knew her before she was a virgin." (Oscar Levant on Doris Day) \* Sex Styles of the Rich and Famous -- Forget Bill and Monica. Adolf Hitler was a coprophiliac. \* Sex in History -- Catherine the Great did not die under a horse, but she did love to have her feet tickled and her bottom slapped. \* Around the World -- It's good to know, for the next time you're invited to the dinner party of a North-

African Siwa man, that he believes you will find him irresistible if he laces your food with his semen. \* Crimes of Passion -- Did you know that in Harrisburg, Pennsylvania, it is illegal to have sex with a truck driver in a tollbooth?

Wonderfully outrageous and absolutely deadpan, this book is, unbelievably, all true.

**The Lesbian Kama Sutra** -  
Kat Harding 2015-08-04

Using clear, empowering text to celebrate the love between women, The Lesbian Kama Sutra encourages love and sex, pleasure and sensuality, uninhibited erotic indulgence, and play. Visually stunning, it features beautiful historical artworks, erotic illustrations, and sophisticated instructional drawings that offer an illustrated journey through the different sexual positions.

*Arousal* - Michael J. Bader 2003  
Most people know what their sexual fantasies are but few of us have an insight into why they work. In this groundbreaking exploration of the libido, Dr Michael Bader draws on 25 years experience

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2022-11-09 by guest

as a psychotherapist to offer a new theory of sexual desire: that our sexual imaginations are a 'portable first-aid kit for our psyches'. His analysis - that our fantasies are neither kinky nor perverse, but dependent on a need for psychological safety - enables us to understand the complex dynamics that determine our sexual preferences. Dr Bader uses case studies from his own practice to build up a convincing argument that our fantasies - from the conventional to the seemingly bizarre - work as an antidote to the non-sexual fears and anxieties each of us carries over from childhood. Bader's non-judgemental findings are revelatory and empowering, bringing fresh thinking to a subject we smugly thought we had finished analysing. Arousal enables both female and male readers to understand their own and their partner's sexual desires. It offers radical ideas about sexual chemistry and explores the different ways in which men and women get excited. Both accessible and

enlightening, Arousal is an important, jargon-free landmark in sexual psychology that is invaluable to anyone interested in human relationships.

*The Complete Book of Spells, Ceremonies, and Magic* -

Migene González-Wippler 1988  
Theory -- What Is Magic? -- The Evolution of Magic -- The Gods -- The Elements of Magic -- Initiation and Adepthood -- Types of Magic: White versus Black -- Techniques of Magic -- The Four Elements -- The Kabbalah and Its Magical Correspondences -- The Astral Plane -- Ceremonial Magic -- The Sacred and the Profane Books of Magic -- Talismanic Magic -- The Spirit of Sacrifice -- Possession and Exorcism -- Prophets and Magicians -- Witchcraft and Demonology -- Divination -- Practice -- Rituals and Spells -- Fertility Rituals -- Weather Control -- The Rites for Power: Pagans, Witches, Satanists -- The Rites of the Persians and Babylonians -- The Rites of the Egyptians -- The Rites of the Jews -- The Rites of the Arabs -- The Rites
