Total Eclipse of The Hunt - Mandy M. Roth 2017-12-12

Total Eclipse of The Hunt by NY Times & USA TODAY from Bestselling Author Mandy M. Roth Welcome to Everlasting, Maine, where there's no such thing as normal. As a centaur, Deputy Jake Majoy (Deputy March) is immortal, and has seen and done a lot in his five hundred years. Enough to know that Everlasting feels like home. It's been perfect for him to fade away and blend in; you see, the town is anything but normal—and the locals protect their own. So when a newcomer ends up in their midst, at the same time things go missing around town, it's his duty to step in to restore law and order. But the pull he feels to the woman is anything but part of the job. Kelsey Gibbons has (literally) followed all the signs leading to Everlasting, Maine. There is a great power at work, drawing her to the tiny seaside town. She's hoping Everlasting will be a safe place to ride out the storm engulfing her personal life while she works to unravel the mystery of who sent her a mysterious pendant and a bus ticket. When her arrival coincides with an uptick of crime, it becomes very clear that the chaos has only just begun. And when a hunky man in uniform shows up on the scene, it's all she can do to focus on finding answers. When the truth about Everlasting is revealed, Kelsey learns she's not so alone in the world and she's braver than she thought—not to mention, she's destined for a hot dude who can shift into a horse. Can she and Jake beat the clock...and the evil that has come back to town? Genre: Cozy mystery, cozy pnr, romance, paranormal, shifter, magic, myths, legends,

Once Hunted, Twice Shy - Mandy M. Roth 2017-10-17

Welcome to Everlasting, Maine, where there's no such thing as normal. Wolf-shifter Hugh Lupine simply wants to make it through the month and win the bet he has with his best friend. He's not looking to date anyone, or to solve a murder, but when a breathtaking beauty runs him over (literally), he's left no choice but to take notice of the quirky, sassy newcomer. She'd be perfect if it wasn't for the fact she's the granddaughter of the local supernatural hunter. Even if he can set aside his feelings about her family, Penelope is his complete opposite in all ways. Penelope Messing wanted to get away from the harsh reminder that her boyfriend of two years dumped her. Several pints of ice cream and one plane ticket to Maine later, she's ready to forget her troubles. At least for a bit. When she arrives in the sleepy little fishing town of Everlasting for a surprise visit with her grandfather, she soon learns that outrunning one problem can lead to a whole mess of others. She finds herself the prime suspect in a double homicide. She doesn't even kill spiders, let alone people, but local law enforcement has their eyes on her. The secrets of Everlasting come to light and Penelope has to not only accept that things that go bump in the night are real, but apparently, she's destined for a man who sprouts fur and has a bizarre obsession with fish sticks. Can they clear Penelope's name and set aside their differences to find true love? Genre: paranormal romance, shifter, werewolf, were-wolf, wolf-shifter, fated mates, witches, slayer, small town, second chance, vampire, kraken, mythical creatures, mystery, [A Potion for Your Thoughts](#) - Michelle M. Where the magic of love meets the power of the paranormal, the spell is unbreakable. Jesse Goode has spent the last two years avoiding going to Lucky Valley, Colorado, to claim an inheritance she doesn't want. But when supernatural dangers threaten the only thing she cares about, she

has no choice. Welcome to Lucky Valley where nothing is quite what it seems. This novella was originally published in the *Witching the Night Away* anthology. From NY Times & USA TODAY Bestselling Author, Michelle M. Pillow, a Cozy Mystery Paranormal Romantic Comedy.

The Origin of Consciousness in the Breakdown of the Bicameral Mind - Julian Jaynes 2000-08-15

National Book Award Finalist: "This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century."—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. "Don't be put off by the academic title of Julian Jaynes's *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor."—The New York Times "When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis."—John Updike, *The New Yorker* "He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior."—*American Journal of Psychiatry* *Bad to the Gnome* - Michelle M. Pillow 2022-05-31

A Collection of Four Cozy Paranormal Mystery Romances by Michelle M. Pillow! Welcome to Everlasting, Maine, where there's no such thing as normal, and to Lucky Valley, Colorado, where nothing is quite what it seems. This Collection Includes: *Foiled Around and Spelled in Love* Curses and Cupcakes *Better Haunts and Garden Gnomes Any Witch Way* But Goode A Cozy Mystery Paranormal Romantic Comedy Collection from NY Times & USA TODAY Bestselling Author, Michelle M. Pillow.

_____ *Foiled Around and Spelled in Love* Anna Crawford is well aware her town is filled with supernaturals, but she isn't exactly willing to embrace her paranormal gifts. Her aunt says she's a witch-in-denial. All Anna wants is to live a quiet "normal" life and run her business, *Witch's Brew Coffee Shop and Bakery*. But everything is about to be turned upside down the moment Jackson Argent walks into her life. Jackson isn't sure why he agreed to come back to his boyhood home of Everlasting. It's like a spell was cast and he couldn't say no. Covering the *Cranberry Festival* isn't exactly the hard-hitting news this reporter is used to. But when a local death is ruled an accident, and the police aren't interested in investigating, he takes it upon himself to get to the bottom of the mystery. To do that, he'll need to enlist the help of the beautiful coffee shop owner. It soon becomes apparent things are not what they seem and more than coffee is brewing in Everlasting. _____ *Curses and Cupcakes* Marcy Lewis is cursed (honestly and truly) which makes dating very interesting. With a string of loser boyfriends behind her, she's done looking for love in all the wrong places. That is until the new firefighter arrives in the sleepy seaside town of Everlasting. Nicholas Logan is unlike any other man she's ever had in her life. When someone starts sending her photographs that raise a red flag it soon becomes apparent that she's not just cursed, she's in serious danger.

Nicholas doesn't know what to make of the charismatic young woman managing the local coffee shop. As a string of mysterious fires begin popping up around town, the two unite in search of clues as to who or what is responsible, discovering along the way that things are very rarely what they seem to be. _____ Better Haunts and Garden Gnomes Lily Goode wasn't aware she had an inheritance waiting for her in the form of a huge Victorian house in Lucky Valley, Colorado. Life might finally be coming together for her. That is if you don't count the endless home repairs, dealing with eccentric Aunt Polly who claims they're both witches, and Nolan Dawson the handsome home inspector who seems to have it out for her, then, sure, life is grand. Oh and not to mention the strange hallucinations and garden gnomes who are far more than lawn ornaments. If mysterious accidents don't do her in, then the rebellious gnomes just might. With the help of Aunt Polly, it's up to Lily to discover who's sabotaging her new home and trying to drive the Goodes out of Lucky Valley once and for all. _____ Any Witch Way But Goode The Garden Gnome Bed and Breakfast might be a new kooky weekend getaway spot, but for Lily Goode the inheritance represents the promise of a stable future for her and her siblings. Unfortunately, the house isn't the only thing she inherited. The Bed and Breakfast also comes equipped with witchy Aunt Polly, troublesome garden gnomes, a town that hates her, newfound magical powers that misfire, and a werewolf boyfriend she shouldn't have asked to move in with her. When a guest is found dead during her grand opening, Lily knows she has to solve the mystery of what happened before the B&B is closed forever. Lucky for her Aunt Polly is here to help save the day. _____ Rating: Clean and Wholesome About the (Un)Lucky Valley & Happily Everlasting Series My two books in the Happily Everlasting series are prequels to the (Un)Lucky Valley series. Welcome to Everlasting, Maine, where there's no such thing as normal. Charlotte Fenchurch knows that, which is why she's not that surprised when a very special book of magic falls into her hands at the library where she works. As a fledgling witch, owning her own grimoire is a dream come true. But there's something...mysterious about the book she just can't figure out. Leopard shifter Walker Black knows what's odd about the book. It's full of black magic and so dangerous that it could destroy the world. Good thing the Fraternal Order of Light has sent him to Everlasting to recover it and put it into safe storage. If he has to, he'll even take the witch who owns it into custody. That is until he meets Charlotte and realizes she's not out to watch the world burn. She's sweet and kind and wonderful. Suddenly protecting her is all he wants to do. Well, that and kiss her some more. But dark forces seem determined to get their hands on the book, making Charlotte their target, and Walker worries that he won't be able to protect her from them - or the organization he works for. Can Walker and Charlotte survive the onslaught of danger? Or is that just witchful thinking?

Any Witch Way But Goode - Michelle M. Pillow 2019-06-10 Welcome to Lucky Valley, Colorado, where nothing is quite what it

seems. The Garden Gnome Bed and Breakfast might be a new kooky weekend getaway spot, but for Lily Goode the inheritance represents the promise of a stable future for her and her siblings. Unfortunately, the house isn't the only thing she inherited. The bed-and-breakfast also comes equipped with witchy Aunt Polly, troublesome garden gnomes, a town that hates her, newfound magical powers that misfire, and a werewolf boyfriend she shouldn't have asked to move in with her. When a guest is found dead during her grand opening, Lily knows she has to solve the mystery of what happened before the B&B is closed forever. Lucky for her, Aunt Polly is here to help save the day. I Love Jesus, But I Want to Die - Sarah J. Robinson 2021-05-11

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Past Imperfect - Linda Thayer 2011-11

Jules Mullins is, in all respects, a normal grounded twenty-something—with one exception. Since she was a small child, she's dreamed about a group of people she's never met—a violent bunch who speak barely discernable English, wear peculiar clothing, and completely ignore her. She learned early on not to discuss her dreams. Adults would pat her on the head and tell her she had "quite the imagination," while other children just found her stories creepy. As the years passed, her dreams became more frequent and intense. Jules worried that she might be losing her sanity. Then she met Claire Wilder, a new age bookstore owner with an entirely different viewpoint: Jules wasn't dreaming; she was remembering a life she lived almost 500 years ago. Claire is also an 'old soul.' The quest to discover their identities in centuries past leads

them on a metaphysical mystery tour they never forget! Reviews on Amazon, Barnes and Noble and Westbow Press about *Past Imperfect*: A real page turner, a very well written book - exciting, suspenseful, creative. Was a very GREAT READ. Well worth your time. Engaging - Imaginative! This story captivates you from the first - you care about the characters and miss them between readings. You want to go visit the sites they explore and walk with them through their past memories. I would and have recommended this book to others looking for a good supernatural adventure. Linda Thayer gives such a great descriptive narrative about sixteenth-century England. The characters in this book were people that lived ordinary lives in present-day America, but after taking a trip to England wonder if reincarnation does exist as they remember, through dreams, the parts they played in Henry VIII's court. The story places you right at the heart of it all as these characters ask themselves, "am I who I think I am?" It sure does make one think, and wonder if there was another "me" in another life. Truly Creative Writing - A Startling Story Within the first few pages, I forgot I was reading. This story of a repeating dream, of returning home to where you have never been, the intersection of personalities before words -- this is the fun of *Past Imperfect*. I was scared and delighted. Thayer's story is fresh, a historical and eerie thriller. I hope this book finds more readers. It would make a great movie!

Armed with old legends, Sapphire's ten cats, and a talking ghost, Zoe has to reconcile her feelings for Dane and embrace her destiny before it's too late.

News from the Cubicle - Nathan Dawn 2012-11-30

I am the Man - personified. A Maniac Manipulator locked in an empty shell with all the power in the world and not a clue on how to use it. For the moment, I had the Private Banking Society fooled, but my guts churned every time we touched and I didn't know if I could resist from telling these vampires to stop sucking on each other. Any second now, sharp insults and dull curses might just burst from my lips like so many sticks and stones breaking their bones as the truth rightfully should. At last, this was going to be my time to shine. To explode like a nuclear bomb and melt the lobby with radioactive words. After all these years spent serving their drinks, massaging their skin, dealing and blocking their cards - after all this wasted time, at last revenge was mine.

How do You love ME? - Jewel Moore 2015-01-16

"How do You love ME" is not just a question; it's a journey that you take with the author... but pack light. You'll need to leave space to collect jewels. When we operate under the spirit of rejection, we take people on a trip... forcing them to prove their love for us or admit that they don't. The purpose of this book is to lead the reader to freedom; freedom

from rejection and every accessory that comes along with the spirit of rejection. In order for something to grow, it has to be watered, nurtured and fed. This book is a journey to freedom.
