Their emotions—numbness, excitement, anxiety, ecstasy, love, loathing—clashed all around me.... I stopped at a game, and that's when it all started. I began to know things. It's an unpredictable gift, an ability I can't force to come about. Nor can I stop it once it's begun. I knew that the short-haired brunette at the end of the table would lose. In spite of her

pretty white smile and positive attitude, I could see her defeat.... As for me, it was as if I'd already played my hands and seen their outcome. Tonight I was destined to win.... After seeing her fiancé gunned down at the end of her last investigation, psychic detective Elizabeth Chase is reluctant to go back to detective work. But when an old friend calls in a favor, Elizabeth finds her unique talents pitted against her most brutal and baffling case yet—the pursuit of a vicious murderer wanted in connection with the scalping of a Native American casino owner. Elizabeth soon learns that the tranquil setting of the Temecu reservation belies a dangerous undercurrent of political scheming, racism, and pure human greed. As she struggles to figure out who can be trusted, Elizabeth must call upon all of her resources not only to solve the crime, but to restore her own spirit. The first three Elizabeth Chase mysteries have been widely acclaimed by readers, critics, and other writers alike: "With a refreshingly eccentric style, Martha C. Lawrence makes psychic investigator Elizabeth Chase immensely appealing and totally believable," says Diane Mott Davidson. Or, as Harlan Coben puts it, "You don't have to read the stars to see that Martha Lawrence is up there with the likes of Sue Grafton, Sara Paretsky, and Marcia Muller."

The Cold Heart of Capricorn Martha C. Lawrence Now Elizabeth Chase returns in a case more dangerous than ever: An increasingly violent rapist has been terrorizing San Diego, but the lack of physical evidence at the scenes gives the police very little to go on. Skeptical but desperate as the rapist edges ever closer, the cops turn to Elizabeth for paranormal assistance. Her first step is to hypnotize the victims, hoping to unearth clues buried in their subconscious memories. But when her interpretations have devastating results, she tries to back off the case—only to find herself drawing nearer and nearer to the deadly conclusion.

Chancellor Hartmann has no time for fun and games. He is the CEO of "Fountain Lite," a successful company offering special lighting appliances for pools and irrigation systems. Chancellor wakes up at 4:05 a.m. every morning, goes out for his daybreak jog, then gets ready and drives to work with nothing but business on his mind. The employees fear his no-nonsense approach. His callous way of cutting to the chase, and his failure to mince words have given him quite the reputation. When he leaves his office, often in the wee hours of the morning, he returns to an empty house. Women are delightful creatures to regard from afar, and for short periods of time... Chancellor garners female attention wherever he goes with his distinguished looks and sex appeal. Yet, his aloofness keeps them at arm's length, sending a message to any potential lover not to get attached for he has no qualms whatsoever about breaking hearts. Nothing steers him from this path tailored around a vigorous schedule. That is, nothing until Bailey Hawthorn moves into his neighborhood... Bailey is a hands-on type of woman with an infectious laugh and magnetic personality. Her interesting career gives her a touch of whimsy, but she also carries a wisdom about her that exceeds her age. After a chance meeting, Chancellor learns that Bailey is not only drop dead gorgeous, but also single. Though he hates to admit it, she is now on his radar, and his thoughts are consumed with her.
