[Lia Anderson Dog Park Mysteries](#) - C. A. Newsome 2018-12-01
 Murder. Romance. Dog slobber. Join starving artist Lia Anderson and her friends at Cincinnati's Mount Airy Dog Park as they unravel mysteries in a series that "...continues to deliver for readers who enjoy thoughtfully crafted mysteries that combine elegant plot twists with characters, both human and canine, you'd love to have as friends." —Stephen Campbell, CrimeFiction.FM This bundle contains the first four Lia Anderson Dog Park Mysteries, written by C. A. Newsome, hailed by Kirkus Reviews as "a true talent of the

genre." Book 1: A Shot in the Bark A grieving artist, a smitten detective, a devious killer: You never know who you'll meet at the dog park. Would you recognize a killer if you talked to one every day? Artist Lia Anderson doesn't. Neither do her friends at the Mount Airy Dog Park. When the apparent suicide of Lia's deadbeat boyfriend draws the attention of Detective Peter Dourson, he decides to adopt the dead man's dog to infiltrate the tight group he's certain conceals Luthor Morrissey's killer. As his investigation uncovers secrets, a grieving Lia fights her growing attraction to the laid-back detective. Meanwhile, Luthor's killer

lurks, desperate to stay ahead of the investigation—no matter who has to die... Book 2: Drool Baby Who can you trust when everything you believe is wrong? Artist Lia Anderson survived the murder of her boyfriend and betrayal by a friend, emerging from trauma with a hunky new detective beau, an exciting commission, and a straight-talking therapist to help her sort everything out. When a disturbing message raises questions about Luthor's death, Detective Peter Dourson launches a clandestine investigation into the closed case. Lia copes by refusing to accept that her world is still not safe. Neither of them realize digging for the truth will place her in the crosshairs of a killer increasingly out of control. Book 3: Maximum Security Lia's loyalties are tested when Peter arrests the wrong woman for murder. Lia Anderson's escape-artist foster dog shows up with a human femur, sending Detective Peter Dourson on a hunt for the man's identity that ends with an ironclad case against the man's former high school sweetheart. Lia shouldn't have skin in this game, but she helped Peter apprehend Kitty and now she feels responsible. Worse, she believes Kitty may be innocent. When Lia's best patron takes up Kitty's cause, the pressure is on for the dog park gang to uncover the truth. Book 4: Sneak Thief Lia's kindness to an orphaned beagle draws the attention of an obsessed killer. Lia's new friend Desiree has a secret admirer, one who leaves her tiny figurines sculpted from twisted aluminum foil. Lia worries about the man's intentions but the pint-sized sex pot brushes off Lia's concerns. When Desiree is murdered, Lia not only winds up with the woman's kleptomaniac beagle, she also inherits her stalker. On the outs with Peter and with the police on the wrong track, Lia will have to rely on her wits and her friends if she wants to stay alive.

She's rich, she's gorgeous, and she's the queen bee of Harrison High. But it turns out Blake's life is not so perfect—just talk to her dad, who constantly reminds her that she's not up to par, or to her ex-bff, Audrey, who doesn't even look her in the eye. Then every high school in America becomes obsessed with posting selfies on the ubiquitous Pretty App. Next: Leo, an adorable transfer student, arrives at Harrison and begins to show Blake that maybe being a queen bee doesn't mean being a queen b*tch. And though Audrey suspects somebody's playing foul, Blake finds herself catapulted to internet fame after being voted one of the prettiest girls in the country. She's whisked away to star in a reality show—in Hollywood, on live TV. But she doesn't know who to trust. Because everybody on the show wants to win. And nobody is there to make friends.

[Such a Pretty Girl](#) - Nadina LaSpina 2019-07-19

A memoir by a disability rights activist Such a Pretty Girl is Nadina La Spina's story—from her early years in her native Sicily, where still a baby she contracts polio, a fact that makes her the object of well-meaning pity and the target of messages of hopelessness; to her adolescence and youth in America, spent almost entirely in hospitals, where she is tortured in the quest for a cure and made to feel that her body no longer belongs to her; to her rebellion and her activism in the disability rights movement. LaSpina's personal growth parallels the movement's political development—from coming together, organizing, and fighting against exclusion from public and social life, to the forging of a common identity, the blossoming of disability arts and culture, and the embracing of disability pride. While unique, the author's journey is also one with which many disabled people can identify. It is the journey to find one's place in an ableist world—a world not made for disabled people, where disability is only seen in negative terms. La Spina refutes all stereotypical narratives of disability. Through the telling of her life's story, without editorializing, she shows

the harm that the overwhelming focus on pity and on a cure that remains elusive has done to disabled people. Her story exposes the disability prejudice ingrained in our sociopolitical system and denounces the oppressive standards of normalcy in a society that devalues those who are different and denies them basic rights. Written as continuous narrative and in a subtle and intimate voice, *Such a Pretty Girl* is a memoir as captivating as a novel. It is one of the few disability memoirs to focus on activism, and one of the first by an immigrant.

Such a Pretty, Pretty Girl - Winston Groom 1999

The phenomenally successful creator of "Forrest Gump" turns to the suspenseful tale of a beautiful woman threatened by blackmail because of her sexual past.

I Found God in Hollywood - Cliff Brodsky 2009-11

"I Found God In Hollywood", is a collection of 98% true stories, that are charged, and intended to be humorous. However, if the lucky reader finds that they learn something about themselves, or have a spiritual epiphany, then I guess that would be a good thing. This is an autobiographical book of funny stories, from the perspective of a musician, and pot head who goes to Hollywood to find fame and fortune and ends up with a spiritual awakening. Go figure. Sometimes God has a better plan than we do. The book is organized into four sections. The first is a collection of 8 stories from High School. You know High School

was, a lot of stress, and fun, and trouble, and big changes. My time in High School was during 1978 through 1982. The end of the 70's and the beginning of the 80's. What's so great about High School stories? Nothing really, if you had a boring, safe life. Everything, if you were me. Read on and see for yourself. The next obvious section is about college life. Boston was a great time to go to school in the 80's. Lots of good material there. But don't take my word for it. Read it and find out for yourself! After college came, you guessed it: Hollywood! Wouldn't that be a logical choice if you were a musician and pot head? Yup. Hollywood had hot chicks, great music scene, and good weed. Little did our humble here know what would happen next. Lastly, the fourth section is about Hollywood AFTER, Cliff gets sober. A much different reality, let me tell you. If you think Hollywood was psychedelic ON drugs, just imagine what its like SOBER! Much more trippy of a scene. Trust me on that one. So, this book is a collection of whacky, funny, rock n roll, stoner stories that have meaning, depth and dare I say profound spiritual implications. You don't have to go to Tibet and sit with the Dali Lama to find the mysteries of the Universe. Because quite frankly, NO ONE knows the mysteries of the Universe, including me. But, the bottom line is this: if you are interested in truth, honesty, integrity, virtue, prudence, humility...then, you can find that where ever you are. It just strikes me as a little odd, and interesting, that I just happened to have found God In Hollywood! One more thing, the illustrations in the book are really funny too. I think the illustrations are sort of a cross between Salvador Dali, Picasso, and Mad Magazine.
