Gay Book for Adult Men -

Martin Oregano 2022-12-11

I needed three years to have the courage to engage in sexual activity with a guy. It took me a week to find someone I get along with, and when I did, it was like running into an old buddy. Since I was ten years old, my friends and I have experimented with males by jerking off each other, jerking off each other jointly, and sucking cocks together. However, I didn't have actual gay sex-I assume we're talking about anal intercourse here-with two pals until I was 16 years old. I had at last realized who I was, so it

felt natural to me. First using my penis to top a guy was an amazing experience, and I was aware of how much tighter an anus felt than a vagina. You may also approach the guy closely, spoon him, put your arms around him, and go deep into his ass since you are both facing the same way. I made a guy want to fill me up with his sperm the first time I felt a man's erect penis within my ass, and it felt absolutely amazing. It was an adrenaline surge that was almost overpowering and unquestionably joyful. Yes, I was quite apprehensive and worried it would hurt. The first time he pounded me, it hurt, but as I relaxed, my ass muscles let him in, and after he was in, I had a huge smile on my face as we kissed. He was in command for once, and I let him do as he pleased, so it was an amazing experience that I knew I wanted more and more. It felt very fantastic. It was nice to have a good time with a strong man. Particularly, Kissinger's beard felt great. I was guided through the whole procedure by my body, and it all seemed natural. Waiting for Mr. Right is, in my view, the most important thing. Someone who sympathizes with your anxiety and offers you comfort. I'll contact him again, and maybe this time I'll invite him to go with me to a gay bar with me so we can engage in some foreplay. I've had more sexual encounters since the ones I write about in this book, and they've all been just as pleasant. In light of this, you should purchase a copy right away to use as a reference while you study the essentials and more from this book as a gay man living on Earth. It will show you how to have pleasure in life, have sex, and everything in between.
