Bride to the Beast - Samantha Madisen 2019-02-12

Thanred knows well that there is only one way to keep the lust-driven madness which afflicts every male of his kind from consuming him, and when he catches the scent of a human female who has been chosen as a bride for his tribe he wastes no time in ravaging her, wringing more intense, helpless pleasure from her quivering virgin body than she would have thought possible. Though being rutted by Thanred left her utterly spent and satisfied, the idea of belonging to the huge, fearsome beast-man terrifies Royla nonetheless, and it isn't long before she decides to make a run for it. Despite her best efforts, however, her escape attempt fails and she quickly finds herself held in place over his strong thighs as her bare bottom is thoroughly spanked. Thanred's plans for Royla include much more than merely using her to keep his lust at bay. She will be his mate and bear his children. But to end his exile and take back his place among his people he will need to master his little human completely, claiming her publicly in even the most shameful of ways and leaving every potential rival in no doubt that she is his and his alone. Publisher's Note: Bride to the Beast includes spankings and sexual scenes. If such material offends you, please don't buy this book.

Red Sun - Sudeep Chakravarti 2009-04-17

Spread over fifteen of the country's twenty-eight states, India's Maoist movement is now one of the world's biggest and most sophisticated extreme-left movements. Hardly a week passes without people dying in strikes and counter-strikes by the Maoists—interchangeably known as the Naxalites—and the police and paramilitary forces. In this brilliant and sobering examination of the 'Other India', Sudeep Chakravarti combines reportage, political analysis and individual case histories as he takes us to the heart of Maoist zones in the country—areas of extreme destitution, bad governance and perpetual war.

Backdoor Babysitter (an anal sex virgin deflowering erotica) - Rose Black

When sweet and shy college coed Melanie talks anal sex with her three best friends, she has to admit that she's left feeling more than a little bit curious. The girls make it sound incredible! But is she ready to have her backdoor cherry popped? WARNING! This hot 3800 word story contains: a shy babysitter and a sexy single dad, oral sex, fingering, anal play, an anal deflowering and mind blowing orgasms that will leave you trembling and begging for more... AN EXCERPT: As I'm squirming under Henry, my body growing warm and hungry for him, enjoying the teasing and the buildup, the thought of anal sex pops into my head again. "Henry, what do you—" I begin, but stop myself short. I can't ask him what he thinks about anal sex! We haven't even had normal sex yet. And besides, I don't even know if it's something I really want to do. He stops his incredible licking and props himself up on an elbow, looking down at me. "What do I what?" He asks, raising an eyebrow. "Nothing, never mind." I say weakly. "No, come on. What were you going to ask me?" He prods me gently. "Okay, fine. How do you feel about anal sex?" I ask, saying the words quickly before I can stop myself, and I can feel my cheeks going scarlet red. I can't believe I just asked him that! A look of surprise flashes across Henry's face, but it switches to a reassuring smile very quickly. He brushes my dark hair out of my eyes. "I think it's be great." He says, his gorgeous green eyes studying me. "Why? Is that something that you like?" "I, well," I stumble on my words. I'm trying hard not to be embarrassed by this conversation, but it's really difficult. "I've never

done it before, but I can't stop thinking about it lately. I think it's something I might like. Would you want to?" He leans down and kisses me deeply in response...

Patriarchy Stress Disorder: The Invisible Inner Barrier to Women's Happiness and Fulfillment - Valerie Rein 2019-12-03

Despite checking off the boxes of worldly accomplishments, most high-achieving women are secretly dissatisfied. They feel stuck in lives that look perfect on the outside, yet on the inside, they're unfulfilled, plagued by the nagging feeling that there's got to be more. They feel guilty and ungrateful for feeling trapped in lives that are so good. They disown their pain, or numb it with excessive work, eating, drinking, shopping, social media, or exercising. They search for solutions in books, meditation, yoga, therapy, medication, and workshops, but something is still missing. They wonder: What's wrong with me? Dr. Valerie Rein has worked with hundreds of high-achieving women and discovered that the issues they all struggle with are not just personal—they're rooted in the ancestral and collective trauma experienced by women in the patriarchal world for millennia. In *Patriarchy Stress Disorder*, Dr. Rein describes how this trauma creates an invisible inner prison, that holds them back from stepping into the full power of their authentic presence, unbridled joy, outrageous success, freedom, and fulfillment. In this book, Dr. Valerie explains: - Why you're dissatisfied in spite of your achievements, and why it's not your fault. - What secretly drains 90 percent of your time and energy, and how to reclaim it. - How to upgrade your game of "How much can I bear?" to "How good can it get?"

Brain Development Enterprises - J. C. Beleren 2020-08-28

Are you relaxed? Very good... Now, close your eyes and listen carefully... John Ryan is so tired of disappointing himself. He's 35-years-old, already

on his second wife, with a joyless job and a teenage stepdaughter who seems determined to make his life a living hell. And then the package arrives. It's something John purchased weeks ago: a series of self-hypnosis recordings marketed to improve self-confidence and "transform you into the man you deserve to be..." But when John's recordings start awakening strange abilities -- the power to command total obedience from the women of the house, for starters -- and the man's relationships spiral out of control, he must find courage and confidence he didn't know he possessed to handle abilities he was never taught to utilize. Are these new gifts the solution to all his problems? Or is John in way over his head? This is a high-oxytocin story about adults and their relationships. It is about self-improvement, a man who transforms his life, and the rewards that come when you develop into the most powerful version of yourself. Some of those rewards are money, status, and sex, and John gets a lot of sex. Not everyone will be able to handle it. You have been warned... But, if you're still reading, then at least download the free sample and see if it's hot. ;)

Unbound - Kasia Urbaniak 2021-03-09

Stop being a servant of the life you're living and become a creator of the world you want. Electrifying lessons in power, influence and persuasion to equalise women in an unequal world. Why do so many women feel they're too much yet not enough? How can you feel 'good and mad' yet reluctant to speak up in a meeting or difficult conversation? What causes women to freeze at critical moments? Kasia Urbaniak spent 17 years studying to become a Taoist nun. To foot the bill for her studies, she worked as a high-paid (and extremely successful) dominatrix in dungeons around New York City. What she learned in these two wildly different settings has turned into her life's work. UNBOUND brings Urbaniak's unique teachings for women on speaking power, persuading others and navigating conflict to a mainstream audience for the first time. Part polemic, part practical, it opens women's eyes to why they frequently find it so difficult - personally, professionally and socially - to raise their voices, why they freeze in challenging circumstances and what they can do to change this. Too often women find themselves in the role of 'sub'

when they need to be more 'dom' - in short they are paralysed by their Good Girl Syndrome and a deep-seated need to please everyone and anyone except themselves. UNBOUND offers precise, practical instruction in how to stand in your power, find your voice and use it well. Part manual, part manifesto, it will help you cut through layers of self-censoring and self-doubt to go after what you truly want, and live your wildest, best and most satisfying life.

[The Influences That Moulded Him: People And Books](#) - Zacharias Tanee Fomum 1901

Professor Zacharias Tanee Fomum never claimed to be a self-made man. Self-made people may end up as spiritual men, but not spiritual leaders. Spiritual leaders are a concatenation of kaleidoscopic influences. When God determines to use a man for His glory and for the advance of His kingdom, He moulds him through manifold human, angelic, spiritual and normal life influences. He finally becomes an ordinary man with an extraordinary life. "FROM HIS LIPS: THE INFLUENCES THAT MOULDED HIM" delves into the plethora of influences that moulded Him into the spiritual leader of his generation. From among his own people, he was influenced by his own family, parents, siblings, teachers, university lecturers and colleagues. He was influenced constructively by people across the board from every culture. From the Western World, there were such influential figures in his life like Professor Landor, John Wesley, Charles Finney and Charles Spurgeon, just to name a few. Watchman Nee from the Oriental World was like a spiritual father and main influence to him. He read many of his books from cover to cover on his knees. African and academic influences such as Professor Sundengam, Ruth Sengat Kouo and Bishop Festo Kivengere, among a host of others, made him a citizen of heaven in the world. With such an equilibrium of diverse cultural and spiritual influences, the Lord used him to speak to every manner of culture without fear or favour and without mincing words. These human and printed page influences moulded him and, he, in turn, was used by the Lord to mould and transform the lives of multitudes around the world. Read this book and that transformation will be yours

A hilarious and heart-breaking portrayal of a brave eccentric and sometimes insane film maker.'

Yvain - Chretien de Troyes 1987-09-10

The twelfth-century French poet Chrétien de Troyes is a major figure in European literature. His courtly romances fathered the Arthurian tradition and influenced countless other poets in England as well as on the continent. Yet because of the difficulty of capturing his swift-moving style in translation, English-speaking audiences are largely unfamiliar with the pleasures of reading his poems. Now, for the first time, an experienced translator of medieval verse who is himself a poet provides a translation of Chrétien's major poem, Yvain, in verse that fully and satisfyingly captures the movement, the sense, and the spirit of the Old French original. Yvain is a courtly romance with a moral tenor; it is ironic and sometimes bawdy; the poetry is crisp and vivid. In addition, the psychological and the socio-historical perceptions of the poem are of profound literary and historical importance, for it evokes the emotions and the values of a flourishing, vibrant medieval past.
