Touch, Sexuality, and Hands in British Literature,

1740-1901 Kimberly Cox 2021-09-05 From Robert Lovelace's uninvited hand-grasps in Samuel Richardson's *Clarissa* to Basil Hallward's first encounter with Dorian Gray, literary depictions of touching hands in British literature from the 1740s to the 1890s communicate emotional dimensions of sexual experience that reflect shifting cultural norms associated with gender roles, sexuality, and sexual expression. But what is the relationship between hands, tactility, and sexuality in Victorian literature? And how do we best interpret what those touches communicate between characters? This volume addresses these questions by asserting a connection between the prevalence of violent, sexually charged touches in eighteenth-century novels such as those by Eliza Haywood, Samuel Richardson, and Frances Burney and growing public concern over handshake etiquette in the nineteenth century evident in works by Jane Austen, the Brontës, George Eliot, Elizabeth Gaskell, Thomas Hardy, Oscar Wilde, and Flora Annie Steel. This book takes an interdisciplinary approach that combines literary analysis with close analyses of paintings, musical compositions, and nonfictional texts, such as etiquette books and scientific treatises, to make a case for the significance

of tactility to eighteenth- and nineteenth-century perceptions of selfhood and sexuality. In doing so, it draws attention to the communicative nature of skin-to-skin contact as represented in literature and traces a trajectory of meaning from the forceful grips that violate female characters in eighteenth-century novels to the consensual embraces common in Victorian and neo-Victorian literature.

THE BANCHORY CONSPIRACY John Israel Bender 2013-09 The Banchory Conspiracy is revealed in the diaries and journals of a catholic priest. It is 19th century England. The Pettarsons are the wealthiest aristocrats in the country. The priest is their pastor and confessor. The Banchory brothers, twins, have insinuated themselves into the good graces of the Pettarson family. eventually becoming the stewards and executors of their vast holdings. They are covert Satanists. Their association is a disaster for the family and the future of Christianity in Western Europe. The journals record the priest's desperate struggle to thwart their catastr-ophic plans. The author found the diaries and journals in a junk shop in Tavistaock, Devon, England They were in a rusty deed-box and in very poor condition. With great difficulty he has assembled them into an acceptable literary form.. The conspiracy is truth-based and until recently the journals could have been inspected at the author's home.. They seemed to have had an unpleasant and life threatening presence which the author felt was affecting his health and so he has destroyed them The author John Bender is a retired professional, now in his 89th year. He has observed the disasters of the 20th century which have followed on relentlessly from The Banchory Conspiracy. The reader must decide whetherThe Conspiracy has achieved its ambitions. In 2011 John Israel Bender published *The Converso*. *The Book About, It* Cynthia Marie 2012-06 A life story about the life struggle for identity, as a child who realizes he/she is not the correct gender and knowing everyone around this child, does not want "it" to have the identity, "it" knows belongs to "it" the life

long struggle to have "it", keep "it" lock "it" up safe, and to be empathetic, knowing that a soul has pain and feeling it from others, hurts more than your own, To be the one they chose, and not the one you were meant to be, and grow in a world you don't belong in, Somewhere in birth you were made as special, I remember my birth, my short time in my womb, safe! a feeling of floating in a warm sea of twinkling stars, in the warm heart of the heavens, and the soft beautiful music surrounds every part of being here, the musical symphonies played on the gold and wooden handmade instruments of the heavens, music from the angels own voices surround and comfort, a tiny new little soul hanging in balance by a small thread of gold. Awaiting it's fall into the chaos of the cold earth below, in search again, for that warm safe feeling that will only come one time in a moment, After a long life of endless emotional violence, storms calm and winds come in a gentle breeze. gives a chance to breathe again, look, feel, and, embrace, and awaken to feel safe and warm, a gentle touch gentle as a kiss to push forward, into love, this time, herself !

Eighteenth-Century Fiction on Screen Robert Mayer 2002-09-26
Eighteenth-Century Fiction on Screen offers an extensive introduction to cinematic representations of the eighteenth century, mostly derived from classic fiction of that period, and sheds light on the process of making prose fiction into film. The contributors provide a variety of theoretical and critical approaches to the process of bringing literary works to the screen. They consider a broad range of film and television adaptations, including several versions of Robinson Crusoe; three films of Moll Flanders; American, British, and French television adaptations of Gulliver's Travels, Clarissa, Tom Jones, and Jacques le fataliste; Wim Wender's film version of Goethe's Wilhelm Meister's Apprentice Years; the controversial film of Diderot's La Religieuse; and French and Anglo-American motion pictures based on Les Liaisons dangereuses among others. This

book will appeal to students and scholars of literature and film alike.

Gender and Trauma Fatima Festić 2011-11-15 This volume presents eight integrated essays that explore the intersection of the scholarly fields of gender and trauma, combining work that can broadly be located in the subject areas of literary studies, the humanities, and the social sciences. The contributors search for a more comprehensive theoretical ground to analyze the overlapping, inter-agency, and also, the lines that separate the issues of gender and trauma, to establish a more political linking of the materiality of the effects of trauma to the performativity of gender, as well as to examine the ways in which the categories of sex, sexual difference and sexual identity figure within such a relationship. Likewise, our discussion is guided by the increasing awareness of the cross-cultural delineation, dynamics, and translatability of these fields – the awareness that facilitates the understanding of the instances of their interference in the rhetoric of a dominant culture and in dominant societal structures. This specific input which refers to structurally quite comparable identity formations or to their prevention, and also to complex terms of symbolic legitimacy and intelligibility, is the attainment of a joined intercultural and interdisciplinary work on some of the key concerns we are confronting today.

The Mating Challenge Bonnie Vanak 2019-06-20 For a long time alpha werewolf and ranch owner Aiden Mitchell has desired the curvy, vivacious Nikita Blakemore, alpha female of the Blakemore pack. He will have her as his mate and no other. To force her hand, Aiden maneuvers her into hosting a Mating Challenge, the ultimate warrior competition for werewolves,

where males fight for the right to mate and breed with a female alpha. Fiercely protective of his future mate, Aiden will do anything to make her his own, even fight to the death.

Masquerading as her twin sister, Nia Blakemore knows she is the one Aiden wants in his bed. Nia has dreamed of the handsome cowboy sweeping her into his strong arms and consummating the passion consuming them both, even though he thinks she is Nikita, the true alpha female. Nia must try to keep Aiden from discovering the truth to protect her frailer, gentler twin. But Nia and the real Nikita hide a secret far more deadly than the charade they have pulled off for years, one that can kill Aiden and any healthy male who sets foot upon their land...

Masculinity and Sexuality in Modern Mexico Víctor M.

Macías-González 2012-08-31 In *Masculinity and Sexuality in Modern Mexico*, historians and anthropologists explain how evolving notions of the meaning and practice of manhood have shaped Mexican history. In essays that range from Texas to Oaxaca and from the 1880s to the present, contributors write about file clerks and movie stars, wealthy world travelers and ordinary people whose adventures were confined to a bar in the middle of town. The Mexicans we meet in these essays lived out their identities through extraordinary events--committing terrible crimes, writing world-famous songs, and ruling the nation--but also in everyday activities like falling in love, raising families, getting dressed, and going to the movies. Thus, these essays in the history of masculinity connect the major topics of Mexican political history since 1880 to the history of daily life. Part of the *Diálogos Series of Latin American Studies*

Buying His Bride Alison Ashlyn 2016-07-06 Romantic-turned-cynic Sierra Callahan is a broke branding consultant in San Francisco who's gone off men. Desperate to save her home and family business from bankruptcy, she agrees to a marriage of convenience with über-rich, marriage-averse Michael Donovan, who needs a bride fast to satisfy his ailing father. Only thing is,

their business arrangement has to look like the real thing—even to their closest friends! Sierra and Michael fight a sizzling, most unbusiness-like attraction. But attraction isn't nearly as scary as their growing feelings. When a man from Sierra's past surfaces and threatens blackmail, will that destroy the no-strings marriage contract—and any chance of happiness Sierra and Michael have?

New Desires, New Selves Gul Ozyegin 2015-08-21 As Turkey pushes for its place in the global pecking order and embraces neoliberal capitalism, the nation has seen a period of unprecedented shifts in political, religious, and gender and sexual identities for its citizens. In *New Desires, New Selves*, Gul Ozyegin shows how this social transformation in Turkey is felt most strongly among its young people, eager to surrender to the seduction of sexual modernity, but also longing to remain attached to traditional social relations, identities and histories. Engaging a wide array of upwardly-mobile young adults at a major Turkish university, Ozyegin links the biographies of individuals with the biography of a nation, revealing their creation of conflicted identities in a country which has existed uneasily between West and East, modern and traditional, and secular and Islamic. For these young people, sexuality, gender expression, and intimate relationships in particular serve as key sites for reproducing and challenging patriarchy and paternalism that was hallmark of earlier generations. As Ozyegin evocatively shows, the quest for sexual freedom and an escape from patriarchal constructions of selfless femininity and protective masculinity promise both personal transformations and profound sexual guilt and anxiety. A poignant and original study, *New Desires, New Selves* presents a snapshot of cultural change on the eve of rapid globalization in the Muslim world.

Memory of a Vagabond Adam Ross Rapoport 2014-10-17 In 2010, Adam Rapoport experienced a life-changing epiphany. He wanted to travel the world, by any means necessary. But for the twenty-three-year-old son of an middle-upper-class family to do so, he would have to drop out of graduate school. Undaunted, he sold his possessions and hit the road with a backpack and \$700 for the adventure of a lifetime. Adam wanted to experience the freedoms of homeless travel. Over the course of two years, he learned how to get around and survive on the road. He hitchhiked across the United States, he joined the crew of a sailboat and explored the Bahamas with a seemingly cursed captain. He then wound up working under the table in Central America. And

finally, he studied under both wilderness survival experts and a spiritualist guru in Montana. Spiritual, adventurous, humorous, self-reflective, insightful, and even romantic, Memory of a Vagabond shows that following one's dream will bring you to places you never thought possible.

Delmira Agustini, Sexual Seduction, and Vampiric Conquest
Cathy L. Jrade 2012-07-10 Delmira Agustini (1886-1914) has been acclaimed as one of the foremost modernistas and the first major woman poet of twentieth-century Spanish America. Critics and the reading public alike were immediately taken by the originality and power of her verse, especially her daring eroticism, her inventive appropriation of vampirism, and her morbid embrace of death and pain. No work until now, however, has shown how her poetry reflects a search for an alternative, feminized discourse, a discourse that engages in an imaginative dialogue with Rubén Darío's recourse to literary paternity and undertakes an audacious rewriting of social, sexual, and poetic conventions. In the first major exploration of Agustini's life and work, Cathy L. Jrade examines her energizing appropriation and reinvention of modernista verse and the dynamics of her breakthrough poetics, a poetics that became a model for later women writers.

Dirty Calls Sade Rena 2021-02-15 It all started with the wrong number. I never expected he'd have me calling his name. Jessica

New to town and overworked, all she wants is to put herself to sleep but gets more than she bargains for when she answers a misdialed call. Curiosity takes hold and instead of hanging up, she joins in, enjoying herself way too much. Once satisfied and slightly embarrassed, she ends the call, finding comfort in knowing she'll never have to hear from him again. Kade After a long day in the office, he needs a release and is pleasantly surprised when he learns the call to his on again off again fling, is answered by another woman. Intrigued by her boldness and the sensuality of her voice, he rings her line the next day to finish what they started. This is crazy, right? Of course, it is, but against her better judgment, she begins to long for his obsessive nature. An easy choice to make considering they've never seen each other and never will. But just as their connections heat up, Jessica learns shocking news that makes this whole affair of dirty calls somewhat forbidden, yet still sexy as hell. DIRTY CALLS is a steamy BWWM accidental romance novella and is book one in the Dirty Love Duet.

Green Eyes, Black Heart R. W. Doyen 2013-01-16 The road of Sandra Miller's life is strewn with the corpses of those who loved her or simply got in her way. She was born in a small town in Maine on a stormy night with thunder and lightning sent by the devil himself. She was born to be bad, and yet her evil is hidden well beneath bright green eyes and a sexual presence no man can resist. She focuses on the so-called stronger sex, weaving a web of seduction until she catches her prey, and the road of her life has been strewn with the corpses of those who loved her—and those simply got in her way. She continues on her hellish path, even entering into a miserable marriage and having a child of her own. Lust takes control, however, when she meets husband and father Joel Bemis. Joel reminds her of a man she killed years before, a fact that makes him all the more attractive. She must possess Joel at any cost, and yet for once a man sees beyond her green eyes to the darkness within. Sandra resorts to shameless stalking, and soon her behavior turns dangerous. Will Joel become another of her many victims, or will Sandra finally get what she

deserves?

The Visual and Verbal Sketch in British Romanticism Richard C. Sha 2016-11-11 With their broken lines and hasty brushwork, sketches acquired enormous ideological and aesthetic power during the Romantic period in England. Whether publicly displayed or serving as the basis of a written genre, these rough drawings played a central role in the cultural ferment of the age by persuading audiences that less is more. *The Visual and Verbal Sketch in British Romanticism* investigates the varied implications of sketching in late-eighteenth- and early-nineteenth-century culture. Calling on a wide range of literary and visual genres, Richard C. Sha examines the shifting economic and aesthetic value of the sketch in sources ranging from auction catalogs and sketching manuals to novels that employed scenes of sketching and courtship. He especially shows how sketching became a double-edged accomplishment for women when used to define "proper" femininity. Sha's work offers fresh readings of Austen, Gilpin, Wordsworth, and Byron, as well as less familiar writers, and provides sophisticated interpretations of visual sketches. As the first full-length work about sketching during the Romantic era, this volume is a rich interdisciplinary study of both representation and gender.

The Perverse Gaze of Sympathy Laura Hinton 1999-09-30 Offers a new interpretation of "sympathy" as an instrument for investigating contemporary culture, gender, and visual technique.

EXCERPT: After a few glasses of champagne, I quickly became comfortable, and I also realized that if this is the good life, I didn't want to go back. We spoke about everything from current events and work to family life, before my intrigue took over. "So, Mark. To what pleasure do I owe this meeting?" He took a sip of his champagne and smiled, before speaking. "Well, you were a handpicked hire by me," he said. I smiled, trying to conceal my surprise. "I want you to enjoy your job and get what you need out of it, so I won't interfere with that. You just seemed interesting and look amazing, so what better way to spend a Sunday afternoon, than with a beautiful woman?" Wow. This, I could totally get used to. I had dated enough losers in the past, that I wasn't opposed at all to mixing and mingling with a winner. Before I could say a word, Mark leaned in and planted his lips against mine. I loved the way his lips felt pressed against my plush, pink lips, and I reached up and touched my hand to his smoothly shaven face, while massaging

his tongue with my own. Chick on the Side Vanessa is a sex kitten that is caught up in a spicy affair with Trevor, a married business man. While his wife is a nagging prude who treats him like a child, Vanessa is a professional herself, and a sexually liberated free thinker who still knows how to tap into a man's desires. She just got out of a relationship, so isn't looking for anything serious. Their affair is taken to the next level when Vanessa gets an e-mail from Trevor, letting her know that he purchased a flight and a hotel in Hawaii. Vanessa jumps at the chance, and checks in early to surprise Tyler in Hawaii with her sexiest lingerie. They taste and sex each other up in the most passionate positions, and enjoy each other's bodies, far away from the monotony and stress of the real world. EXCERPT: My flight landed shortly ahead of schedule. Trevor told me I could call him when I touched down, but I decided to grab a cab instead. The resort wasn't far from the airport, and I made my own money anyway, so it was no big deal for me to drop some cash to look out for myself. The process of checking in was pretty easy. The room was already in Trevor's name, so all I had to do was tell them who I was and they handed me a key. He had given them a heads up and even told them my flight information, so it was smooth sailing. The receptionist told me that the conference being held here, so Travis would be tied up for a while, but the room had been cleaned for the day and I was also welcome to enjoy the resort for a bit. Perfect. I was glad that I got here early, so that I can take a shower and change in to another set of lingerie that I had purchased. When I got up to the room, I dropped out of my clothes, lit an incense stick and began getting into the island mood. Distracted Subjects Carol Thomas Neely 2018-08-06 In the first book to provide a feminist analysis of early modern madness, Carol Thomas Neely reveals the mobility and heterogeneity of discourses of "distraction," the most common term for the condition in late-sixteenth- and early seventeenth-century

England. *Distracted Subjects* shows how changing ideas of madness that circulated through medical, dramatic, and political texts transformed and gendered subjectivities. Supernatural causation is denied, new diagnoses appear, and stage representations proliferate. Drama sometimes leads and sometimes follows other cultural discourses—or forges its own prophetic figures of distraction. The Spanish Tragedy first links madness to masculine tragic self-representation, and Hamlet invents a language to dramatize feminine somatic illness. Innovative women's melancholy is theorized in medical and witchcraft treatises and then elaborated in the extended portrait of the Jailer's Daughter's distraction in *The Two Noble Kinsmen*. Lovesickness, newly diagnosed in women, demands novel cures, and allows expressions of transgressive sexual desire in treatises and in plays such as *As You Like It*. The rituals of possession and exorcism, intensely debated off stage, are mocked and exploited on stage in reiterated comic scenes of confinement that madden men to enhance women's power. Neely's final chapter provides a startling challenge to the critically alluring analogy between Bedlam and the early modern stage by documenting that Bethlem hospital offered care, not spectacle, whereas stage Bedlamites served metatheatrical and prophylactic, not mimetic, ends. An epilogue places this particular historical moment within the longer history of madness and shows how our own attitudes toward distraction are haunted by those earlier debates and representations.

The Gift of Shamanism Itzhak Beery 2015-03-13 Discover the shamanic powers within each of us • Explores ayahuasca rituals in the Amazon, messages from power animals and plant spirits, intuitive dreams, soul retrieval, and holograms of past lives and spirits • Explains the shamanic way of “seeing” to diagnose spiritual, emotional, and physical ailments via candle readings, remote viewing, and shamanic journeys • Details how the author has helped individuals communicate with loved ones who have passed on and release themselves from negative spirits Each and every one of us has shamanic powers. Glimpses of them can arise at any age in the form of intuitive dreams, déjà vu, spontaneous visions, and out-of-body experiences. Most people dismiss these experiences. However, by embracing these gifts, we can unlock our shamanic potential to change ourselves and the world around us. Revealing his transformation from skeptic to respected shamanic healer, Itzhak Beery explains how, after countless prescient dreams and visions throughout his life that he brushed off, a series of synchronistic events led to his first shamanism workshop with Michael Harner, renowned shamanism scholar and teacher. This, in turn, led to a trip to South America with John Perkins to work with indigenous shamanic healers. Beery shares his experiences with ayahuasca rituals in the Amazon, messages from power animals and plant spirits, dreams that foretold future events, and holographic sightings of past lives and spiritual entities, both evil and benign. He details his shamanic way of “seeing” to diagnose spiritual, emotional, and physical ailments via candle readings and remote viewing. Explaining how we are always surrounded by spirits, he recounts helping people communicate with loved ones who have passed on and shares powerful stories of soul retrieval during shamanic journeys to other worlds. Through his true stories of visions that manifested

in reality, Beery reveals that we are all shamans. By igniting our natural intuition and developing trust for our inner powers, we can each connect to the oneness of nature where all knowledge is found.

The Trinity of Trauma: Ignorance, Fragility, and Control Ellert Nijenhuis 2017-04-03 Enactive trauma therapy is grounded in so-called enactivism, which holds that, like anyone else, traumatized individuals are (1) embrained, embodied, and environmentally embedded; (2) constitute biopsychological organism-environment systems that are essentially interested in preserving their existence; (3) are primarily affective and oriented toward making sense of things. Individuals exhibit a phenomenal self, world, and self-of-the-world through self- and world-oriented actions. They do not act on the basis of knowledge, but possess knowledge on the basis of world-engaged sensorimotor, affect-laden, and goal-oriented actions. Whenever interpersonal traumatization by significant others occurs, individuals may get caught up in affective and relational conflicts they cannot resolve on their own. Their generation and maintenance of a trauma-related dissociation of the personality involves a kind of sense-making that supports their continued existence when their capacity to integrate traumatic experiences is still too low. However, what starts as a courageous effort to navigate a traumatizing life may at some point in time become a serious problem. Enactive trauma therapy comprises the collaboration of two organism-environment systems: the patient and the therapist. Together they spawn new meaning and adequate actions - an interaction that resembles dancing: It takes pacing, mutual attunement, good timing, a sensitivity to balance, movement and rhythm, courage, as well as the ability and willingness to follow and lead.

The Bed I Lie On: A Novel Art Lester 2015-03-30 You can run... Luke has never stopped running. He fled a quarter of a century ago when the body of his best friend's wife was found on Christmas Eve, bludgeoned to death in her kitchen. The crime has

never been solved. It wrecked the sleepy pattern of life in the Southern college town of Old Wells and, when Luke finally returns, he comes to realise that he is responsible. ...But you can't hide Now someone wants him dead. But who? And why? Surrounded by the sometimes surreal characters that populate this corner of Dixie, Luke can't decide whom to trust. It takes the renewal of an old love to teach him that real survival means not just solving the murder, but also the crazy jigsaw puzzle of his life.
