Winning my Best Friend's Girl -

Piper Rayne 2020-07-21

\*\*\*NOW A USA TODAY

BESTSELLER\*\*\* Imagine lying in a hospital bed and the doctor who pulls the curtain back to treat you is the one who got away. Even if you never really had her in the first place. She's not only your high school crush, she's the ex-girlfriend of your ex-best friend. The one girl you've always wanted.

Here's a step-by-step list to finally win her over... Key to win #1: Try not to take offense that she snuck back into town without telling you—six months ago. Key to win #2: Rekindle the friendship to ease the awkwardness. But... DO NOT enter the friend zone. Key to win #3: Ignore the fact that she went speed dating the night before. Take it as good a sign—maybe she's looking for a relationship. Key to win #4:

Attempt to keep the two of you out of the town gossip blog and away from your large family. Make sure you don't let this last one throw you off your mission. Key to win #5: Don't get deterred when you find out the past is about to repeat itself. Because the man she met at the speed dating night is your best buddy from work. Just remember, you sat back and let her slip away once, you won't do it a second time.

Failure is not an option. Author Note: This book does NOT contain cheating.

kidnapped by his murderer, Carter Thomas, and held for ten months. Three years on and Anna is no longer the happy-go-lucky girl that everyone used to know and love; she's now cold, hard and suffers from night terrors. It appears that, during her time with him, Carter broke not only her body, but her spirit too. Carter is currently serving time for the murder of Jack, a conviction that Anna helped secure. But his retrial is coming up because some key evidence appears to have been tampered with. Needing to ensure his daughter's safety, Presidential Candidate, Senator Spencer tasks in Ashton Taylor, a newly qualified SWAT agent, to guard the broken girl and keep her safe until the end of the trial. For three years Anna has refused to feel emotion or pain, but can Ashton help her rebuild her life and finally deal with the grief of losing her childhood sweetheart? Will he be the one to make her see that life is, in fact, worth living and that not all men will hurt her? Author's note: Part 1 and 2

were previously published in 2013 as one novel of epic proportion. Nothing Left to Lose was runaway bestseller that had people all over the world falling in love with Agent Ashton Taylor. Now split into two full-length, more manageable novels and with beautiful new covers, you can fall in love with Anna and Ashton all over again or witness their heart wrenching journey for the first time. Part 2 (Blurring the Lines) is a direct continuation of this novel.

**A Viscount is a Girl's Best Friend** - Gemma Blackwood  
2023-09-20

Lady Edith Balfour has not eloped with her dearest friend, Lord Rotherham. But persuading him, her family, and her own heart to believe

that is proving unexpectedly difficult... The lively, accident-prone Edith has never been the proper young lady her family would like her to be. She would rather travel the world and live a life of adventure than settle down with a suitable gentleman. The only person who truly understand her dreams is Lord Rotherham, her closest friend and confidant. Nathaniel would be everything Edith needed, if only his own dreams were not so firmly rooted in England. As it is, Edith wouldn't risk losing his friendship for anything - no matter what wonderful feelings he stirs inside her. Nathaniel Townsend, the young Viscount Rotherham, has striven for years to escape from his guardian's restrictive influence. Ambitious and determined, he means to become a powerful force in the House of Lords. Edith's friendship is the only thing that has ever soothed his frustrated soul. He knows that one day she'll break free of London society - and he dreads to think how much he'll miss her. When

a family emergency forces Edith to travel north alone, Nathaniel defies his guardian to accompany her. It's an adventure that could cost him dearly, but he is determined to declare his independence at last. Besides, he has never been able to say no to Edith's sparkling eyes or dimpled smile. It's not an elopement. It's simply two good friends

enjoying an adventure together. And, perhaps, indulging in one or two dangerously delicious kisses... This is the third book in the series *The Impossible Balfours*. You do not have to read the other books to enjoy this one, but there are some connections between the books which will reward readers of the whole series.
