**Chemistry Matters** - H. Adrian Sexton 2007-08

In search of the proverbial good time, Chemistry Matters is a contemporary novel about two charismatic broths who couldn't share more of a bond if they were actually brothers. Anton "MAJAC" Charles is a straight-shooting, Naval submarine officer whose only Achilles heel is wearing his heart on his sleeve. A hopeless romantic, Anton tries to free himself of the lonely life of a bachelor by diving head-first into courting the undeniably sexy Celeste. Jared "Jaz" Stevenson is a smooth-talking baritone, who was content leaving trails of broken hearts behind on his way to the NBA; that was, until he met a hot, spicy little thing from the Mississippi bayou who made him stand up and take notice. These lifelong best friends remained thick as thieves although distanced for several years. When reunited in San Diego, they find themselves intermingling with the sexes and entwined in a web of turbulent relationships. Heart-pumping sensuality and tantalizing dialogue provide an intricate elixir of machismo and naiveté to this emotional rollercoaster of a novel that really makes readers wonder how good real chemistry could be.

Although love is a road worth traveling, MAJAC and Jaz must endure trials, tribulations, and love beautiful women while struggling to find out if ... Chemistry Matters.

This enemies to lovers story by romance author Jami Rogers will hook you from page one! My mug shot didn't turn out as great as I thought it would. I probably should have smiled. Maybe I would have if I had actually committed the crime. Instead, I'm the walking billboard of someone who was in the wrong place at the wrong time. The only bonus of being accused of vandalism is that the owner's mom has taken pity on me and thanks to her I will now have a place to sleep tonight, and well, all the nights until the bookstore that was destroyed is back up and running. Living in a bookstore sounds like a dream, and it would be, if the owner's son wasn't such a jerk. All things considered, I'm a nice person, but this guy \*rolls eyes\* is the absolute worst and working with him day after day is going to be my biggest challenge yet. Or, okay, my biggest struggle might actually be ignoring how attracted I am to him. I mean come on, he is a broody college guy with a smoking body who thinks I'm a criminal. It doesn't exactly scream that I should fall for him, right? And yet ... I really didn't think life could get more complicated than it has been to this point. Wish me luck.
