Learning Queer Identity in the Digital Age - Kay Siebler 2016-05-31

This book explores, through specific analysis of media representations, personal interviews, and historical research, how the digital environment perpetuates harmful and limiting stereotypes of queerness. Siebler argues that heteronormativity has co-opted queer representations, largely in order to sell goods, surgeries, and lifestyles, reinforcing instead of disrupting the masculine and feminine heterosexual binaries through capitalist consumption. Learning Queer Identity in the Digital Age focuses on different identity populations (gay, lesbian, transgender) and examines the theories (queer, feminist, and media theories) in conjunction with contemporary representations of each identity group. In the twenty-first century, social media, dating sites, social activist sites, and videos/films, are primary educators of social identity. For gay, lesbian, bisexual, transgendered, and transsexual peoples, these digital interactions help shape queer identities and communities.

The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend - Maddy Court 2021-05-18

This illustrated book of advice on love, dating, and friendship—written by and for queer women and people of marginalized genders—is the new go-to queer relationship handbook. Fix yourself a cup of non-caffeinated herbal tea and prepare to laugh, cry, reminisce, and feel your feelings as you read through these quintessentially queer dating dilemmas. In *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend*, advice columnist Maddy Court (a.k.a. Xena Worrier Princess) answers anonymous queries from lesbian, bisexual, and queer women and people of marginalized genders. Illustrated by comics artist Kelsey Wroten and based on Court's viral zine of the same name, this book features never-before-published letters and responses about first loves, heartbreak, coming out, and queer friendship—all answered with the warmth and honesty of the gay big sister you wish you had. • BY QUEERS, FOR QUEERS: This book was written by and for queer women and people of marginalized genders. The questions reflect real experiences that aren't often represented in the media, and the answers offer an important reminder that loving ourselves takes patience, effort, and the support of our friends and communities. • EXCITING DEBUT AUTHOR: In 2018, Maddy Court made the leap from creating niche lesbian memes on Instagram to writing and distributing a series of zines. Never preachy or dismissive, Court offers advice that is sympathetic and

straightforward—it's equal parts refreshing vulnerability and remarkable wisdom. • GORGEOUS ILLUSTRATION: Kelsey Wroten's art brings the letters to life, immersing the reader in all the joys and disappointments of the contributors who wrote in from all over the world. In addition to the traditional illustrations, each chapter features a paneled mini-comic that speaks to the different themes. • AMAZING GUEST EXPERTS: Because one queer cannot possibly hold all the answers, *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend* also includes advice from an incredible roster of guest experts. Author and comedian Samantha Irby; musicians JD Samson and Ellen Kempner; and writers and activists Tyler Ford, Kalyn Heffernan, Lola Pellegrino, and Mey Rude all tackle questions on long-distance breakups, jealousy, love triangles, making friends, and more. Perfect for: • Lesbian, bisexual, and queer women and people of marginalized genders with questions about dating, friendship, and life • Fans of the *Ex-Girlfriend* zine series and followers of @Xenaworrierprincess • Fans of Kelsey Wroten's graphic novels and art

The Ultimate Guide for Gay Dads - Eric Rosswood 2017-10-24

If you are thinking of becoming a gay dad – or if you are already a gay dad – this book is for you! Are you ready to have kids? More and more gay men are turning to adoption and surrogacy to start their own families. An estimated two million American LGBQT people would like to adopt and an estimated 65,000 adopted children are living with a gay parent. In 2016, *The Chicago Tribune* reported that 10 to 20 percent of donor eggs went to gay men expanding their families via surrogacy, and in many places the numbers were up 50 percent from the previous five years. Gay parenting: Having a kid is like coming out all over again, on a daily basis, especial if you have an infant. Was coming out stressful for you? It's about to get more intense and you will have a child watching your every move and listening to your every word. If you stutter or pause, they may pick up on your discomfort and could start to feel like something is wrong about their family unit. *The Ultimate Guide For Gay Dads* is jam packed with parenting tips and advice to help you build confidence and become the awesome gay dad you were meant to be! How Is This Parenting Guide Different From Others? Unlike other parenting books that have whole chapters focusing on things specifically related to mothers (such as how to get the perfect latch when breastfeeding), this parenting book replaces those sections with things relevant to gay dads. It covers topics like how to find LGBT friendly pediatricians, how to find LGBT friendly schools, how to childproof your home with style, how to answer awkward and prying questions about your family from strangers, examples for what two-dad families can do on Mother's Day, and much more. The book also includes parenting tips and advice from pediatricians, school educators, lawyers, and other same-sex parents. Top LGBT parenting expert: Bestselling author Eric Rosswood covers every aspect of fatherhood for gay men in this essential guide to growing your family in the post-DOMA era. He is a major influencer on social media with over 100,000 followers on Twitter alone, as well as thousands on other platforms. Exploring LGBTQ issues: Rosswood is an in-demand authority and commentator on LGBTQ issues, including civil rights, parenting, marriage and politics. The author has been featured in major media including *The Washington Post*, *Cosmopolitan*, *CBS News*, *The Huffington Post*, *Elite Daily*, *Yahoo! News*, *AOL News*, *NY Daily News*, *IB Times*, and regional LGBTQ press.

Queer, 2nd Edition - Kathy Belge 2019-10-01

Teen life is hard enough, but for teens who are LGBTQ, it can be even harder. When do you decide to come out? Will your friends accept you? And how do you meet people to date? *Queer* is a humorous, engaging, and honest guide that helps LGBTQ teens come out to friends and family, navigate their social life, figure out if a crush is also queer, and challenge bigotry and homophobia. Personal stories from the authors and sidebars on queer history provide relatable context. This completely revised and updated edition is a must-read for any teen who thinks they might be queer or knows someone who is. "A delightful collection of trustworthy and accurate information that tweens and teens need today, all told in a sort of quirky, sometimes goofy, and always approachable tone...a fun, easy to read, and occasionally hilarious guide that should be available on a shelf in every high school library." —Diane Anderson-Minshall, Editorial Director, *The Advocate* magazine "Not every queer kid has easy access to a family member, teacher, counselor, or

friend who can help them through the coming-out process. Even when they do, NEWSFLASH, most of us don't have all the answers! Queer is a great way for a teen, or someone who is trying to mentor or understand a queer teen, to gain some knowledge from a thoughtful, cute perspective."—Honey Mahogany, Activist, RuPaul's Drag Race Alumnus, Cofounder of the Compton's Transgender Cultural District "I learned more than a few things about our fabulously diverse queer culture, and especially the younger generation, that everyone should know."—Terry Beswick, Executive Director of the GLBT Historical Society Archives and Museum

Rainbow Crush - Foxglove Lee 2014-12-18

Five fun fictions from the author of *Tiffany and Tiger's Eye & Truth and Other Lies!* In *Rainbow Crush*, revisit five favourite short stories featuring gay and lesbian characters: In "I Hate Love," Mila melts Laura-the-Ice-Queen's heart as Jaden learns that dating an older man could have repercussions he hadn't anticipated. Mila and Laura are back with impossibly high expectations in the side-splittingly funny housesitting comedy "Happy Birthday, Klutzface." In "I Know What Gay Is," Jay the teenaged manny and his young charge Sarah, who insists on being called Frank, find an unexpected ally on the soccer field. School is back in session and tempers flare when Mila, Laura and Jaden stumble into a protest where classmates insist a gender-nonconforming new student "Dress Like A Dude." In our final story, aspiring teen chef Noah comes out of the closet in a most surprising way during his first television appearance in "The Secret to a Perfect Latke."

The Suicidal Peanut - Matthew J. Metzger 2015-09-13

Life's not easy when your mum's nuts, your uncle is becoming your aunt, and one of your crushes could -- and probably would -- break your face if he found out how you felt about him. That's Tab's life, though, malevolent gods and all. His text-flirting with Demi, the brother of his best friend, is going nowhere: Demi already has a boyfriend and anyway, who dates their best friend's twin? But then, the pining after Nick is going nowhere either, because Nick probably likes gay-bashing on Friday nights for fun. He's gorgeous, but he's dangerous, and Tab knows better than that. So what's a bit of harmless flirting, when one is taken and the other is straight? It's just a bit of fun. That is until Demi is suddenly single, and Nick is not looking as straight and scary as he was before.
