Astrology for Real Relationships Jessica Lanyadoo 2019-12-31 A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, Astrology for Real Relationships includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including: • Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself? • Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner? • Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

LOVE FORTUNE TELLER HAMİDE YEŞİLYURT 2022-04-25 Stars, planets, meteorites and the infinite universe... Can astrology rule our lives? Does the mystery of true love depend on the compatibility between our zodiac signs? How many people believe this? One is a woman who puts astrology at the center of her life and shapes her life accordingly, the other is a man who never believes in astrology, zodiac compatibility, psychics, fortune-tellers and prophecies... Jennifer W. Andre gives information about astrology and horoscopes to her listeners on her radio shows. Because he is an astrologer and a relationship therapist at the same time... While he tells them that real love compatibility depends on the compatibility between the signs and the stars, he also guides them in their relationships. The reason why she hasn't found the right person for herself yet is because of the astrological compatibility she believes in with all her heart. While she is still single with her unusual character, relaxed demeanor and impressive beauty, Mark Thomson, who accidentally stumbled upon his comments about relationships, calls the radio show on the phone and tells her on the live broadcast that she is a ruthless witch who breaks hearts, their lives will change in ways they could never have predicted. When Jennifer and Mark, who don't know each other and have never met, are the focus of the audience's attention as their hilarious, contentious and sweet bickering begins on-air, mystery man Mark is sure it's okay to hide who he really is. Although he had to quit American Football due to his injury and wrote a sports column for a newspaper, Mark is still famous. Although love is the only thing missing in the life of Mark Thomson, whose name is written in football history due to the money and awards he won during the years he played football, it is unnecessary to promise marriage and happiness to someone forever. When he gets to know Jennifer, he begins to question his own truth and his view of love. However, it is not possible to have a serious relationship with him. Because Jennifer has her own rules. The man she is waiting for will not be rich, sportsman, singer, actor, and the horoscope compatibility will definitely hold. But there is something that neither of them know. Only he makes the rules of love. Romantic, funny, impressive,

gripping, magnificent...
