The Song of Songs and Ancient Tamil Love Poems - Abraham Mariaselvam 1988

Tamil Love Poetry - Martha Ann Selby 2011
Dating from the early decades of the third century C.E., the Ainkurunuru is believed to be the earliest anthology of classical Tamil love poetry and known to be a work of enduring importance. Commissioned by a Cera-dynasty

king and composed by five masterful poets, the anthology renders the five landscapes of reciprocal love distinctive to the genre: jealous quarreling, anxious waiting and lamentation, clandestine love before marriage, elopement and love in separation, and patient waiting after marriage. Despite its centrality to literary and intellectual traditions, the Ainkurunur.

The Right Spouse - Isabelle Clark-Decès

Downloaded from
[legacy.opendemocracy.net](#) on 2019-03-22
by guest

2014-04-30

The Right Spouse is an engaging investigation into Tamil (South Indian) preferential close kin marriages, so-called Dravidian Kinship. This book offers a description and an interpretation of preferential marriages with close kin in South India, as they used to be arranged and experienced in the recent past and as they are increasingly discontinued in the present. Clark-Decès presents readers with a focused anthropology of this waning marriage system: its past, present, and dwindling future. The book takes on the main pillars of Tamil social organization, considers the ways in which Tamil intermarriage establishes kinship and social rank, and argues that past scholars have improperly defined "Dravidian" kinship. Within her critique of past scholarship, Clark-Decès recasts a powerful and vivid image of preferential marriage in Tamil Nadu and how those preferences and marital rules play out in lived reality. What Clark-Decès discovers in her fieldwork are endogamous patterns and familial connections that sometimes result in flawed relationships, contradictory statuses, and confused roles. The book includes a fascinating narration of the complex terrain that Tamil youth currently navigate as they experience the complexities and changing nature of marriage practices and seek to reconcile their established kinship networks to more individually driven marriages and careers.

Masterpieces of Indian Literature:

Manipuri, Marathi, Nepali, Oriya, Punjabi, Sanskrit, Sindhi, Tamil, Telugu & Urdu - K. M. George 1997

Brought out on the occasion of Golden Jubilee celebrations of India's independence the three volumes are an invaluable source towards the understanding and appreciation of Indian literature in its totality.

Tamil Love Poetry - Martha Ann Selby

2011-06-07

Dating from the early decades of the third century C.E., the Ainkurunuru is believed to be the world's earliest anthology of classical Tamil love poetry. Commissioned by a Cera-dynasty king and composed by five masterful poets, the anthology illustrates the five landscapes of reciprocal love: jealous quarreling, anxious waiting and lamentation, clandestine love before

marriage, elopement and love in separation, and patient waiting after marriage. Despite its centrality to literary and intellectual traditions, the Ainkurunuru remains relatively unknown beyond specialists. Martha Ann Selby, well-known translator of classical Indian poetry and literature, takes the bold step of opening this anthology to all readers, presenting crystalline translations of 500 poems dense with natural imagery and early examples of South Indian culture. Because of their form's short length, the anthology's five authors rely on double entendre and sophisticated techniques of suggestion, giving their poems an almost haikulike feel. Groups of verse center on one unique figure, in some cases an object or an animal, in others a line of direct address or a specific conversation or situation. Selby introduces each section with a biographical sketch of the poet and the conventions at work within the landscape. She then incorporates notes explaining shifting contexts. Excerpt: He has gone off all by himself beyond the wastes where tigers used to prowl and the toothbrush trees grow tall, their trunks parched, on the flinty mountains, while the lovely folds of your loins, wide as a chariot's seat, vanish as your circlet worked from gold grows far too large for you.

10th Standard English Guide - Tamil Nadu State Board Syllabus - Mukil E Publishing And Solutions Pvt Ltd 2021-04-03

The Tamil Padam - Matthew Harp Allen 2023-03-31

This book is a study of the Bharata Natyam dance genre "padam" focusing on its patrons and composers and its formal structure, texts, and music. It examines the "rewriting" of South Indian dance and the decades-long debates over the classicization and ownership of South Indian music. The control over the representation of the arts is a subject that should resonate with scholars working in a wide variety of genres and across many countries. The study is diachronic (historical) and also synchronic (examining padams' organizational structure as a system). Importantly, the text includes 30 Tamil language songs, minutely translated and annotated together with a documentation of their

performance history in the 20th century. Classical and modern music composers and performers, ethnomusicologists, librettists, singers, choreographers, art historians, dancers, dance scholars, and dance teachers will find them useful in giving students a deep contextual understanding of Bharata Natyam. The book will find an enthusiastic readership with dance teachers who are actively training Bharata Natyam students. It will also attract a scholarly audience as an anthropological and historical study of an artistic form which has a high profile in South Asia and has become prominent in the growing fields of ethnomusicology, dance ethnography and "world dance."

The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Stigmas of the Tamil Stage - Susan Seizer 2005-03-21

A study of the lives of popular theater artists, Stigmas of the Tamil Stage is the first in-depth analysis of Special Drama, a genre of performance unique to the southernmost Indian state of Tamilnadu. Held in towns and villages throughout the region, Special Drama performances last from 10 p.m. until dawn. There are no theatrical troupes in Special Drama; individual artists are contracted "specially" for each event. The first two hours of each performance are filled with the kind of bawdy, improvisational comedy that is the primary focus of this study; the remaining hours present more markedly staid dramatic treatments of myth and history. Special Drama artists themselves are of all ages, castes, and ethnic and religious affiliations; the one common denominator in their lives is their lower-class status. Artists regularly speak of how poverty compelled their entrance into the field. Special

Drama is looked down upon by the middle- and upper-classes as too popular, too vulgar, and too "mixed." The artists are stigmatized: people insult them in public and landlords refuse to rent to them. Stigma falls most heavily, however, on actresses, who are marked as "public women" by their participation in Special Drama. As Susan Seizer's sensitive study shows, one of the primary ways the performers deal with such stigma is through humor and linguistic play. Their comedic performances in particular directly address questions of class, culture, and gender deviations—the very issues that so stigmatize them. Seizer draws on extensive interviews with performers, sponsors, audience members, and drama agents as well as on careful readings of live Special Drama performances in considering the complexities of performers' lives both on stage and off.

The Tamil Veda - John Carman 1989-05-16

In this multifaceted work, John Carman and Vasudha Narayanan clarify historical developments in South Asian religion and make important contributions to the methodology of textual interpretation and the comparative study of world religions.

Love in Sanskrit and Tamil Literature - Devapoopathy Nadarajah 1994

Triumphant Love - J. Hans Kommers 2020-11-17

"This scientific-historical biography explores the influences that shaped the spirituality of Amy Carmichael of Dohnavur. J. (Hans) Kommers investigates the historical background of Amy's childhood in Millisle and Belfast and provides new and more scholarly information than existing biographies. He researched a variety of Keswick-related literature in order to provide a fuller picture of Amy's connection with the Keswick Convention and their teaching. The descriptions of the life of the millworkers in Belfast, the happenings on the worldwide stage and Victorian missionary work and methods round out the picture to give the reader a greater understanding of Amy Carmichael. These new facts are most enlightening." --Dr Jackuelin Woolcock MB BChir MRCP (Lond), Director Dohnavur Fellowship Corporation, Shoreham by Sea, UK, and Doctor in Dohnavur India 1969-1987 "Triumphant Love: The

Downloaded from

Contextual, Creative and Strategic Missionary Work of Amy Beatrice Carmichael in South India provides the most extensive biography thus far of Amy Carmichael (1867-1951), a major figure on the missionary landscape of the late 19th and the first half of the 20th century. She is seen by some as the Protestant mother Teresa (both women worked in India and devoted all of their time and energy to the poor). The book is very well researched. The author states that the purpose of the extensive research he undertook 'was to get a closer and clearer picture of Amy Carmichael as the founder of the Dohnavur Fellowship.' Also, he wanted 'to give a balanced account of her dealings with people and especially her life with God.' He does this. It provides the most comprehensive picture of this remarkable woman. It is the definitive source of reference. J. (Hans) Kommers's view of the life of Amy Carmichael is that of a fellow evangelical. He explains that not only Amy, but many missionaries of her time were inspired by the ideal that all people should have the opportunity to hear of Christ's salvation. According to him, her inspirational work is still relevant today." -- Prof. Dr Gijbert van den Brink, URC Professor for Theology and Science, Faculty of Theology, Free University Amsterdam, the Netherlands

Notes on Love in a Tamil Family - Margaret Trawick 2023-11-10

Love, as a force in human affairs, is still not given much attention or credence by social scientists. With *Notes on Love in a Tamil Family*, Margaret Trawick places the notion of love prominently in social scientific discourse. Her unforgettable and profusely illustrated study is a significant contribution to anthropology and to South Asian studies. Trawick lived for a time in the midst of one large South Indian family and sought to understand the multiple and mutually shared expressions of anpu--what in English we call love. Often enveloping the author herself, changing her as she inevitably changed her hosts, this family performed before the young anthropologist's eyes the meaning of anpu: through poetry and conversation, through the not always gentle raising of children, through the weaving of kinship tapestries, through erotic exchanges among women, among men, and across the great sexual boundary. She communicates with grace and insight what she

learned from this Tamil family, and we discover that love is no less universal than selfishness and individualism.

All About Dravidas, Tamil Sangams, Kumari Kandam And Tolkappiyam - London Swaminathan 2022-07-31

The topics covered in this book include Dravidas, Three Tamil Academies, Lemuria or Kumari continent, Tolkappiyam and Tribes of Nilgris. They were published in the last 11 years in my two blogs. They are of enormous interest to Tamils. They have created big controversies in the olden days... The debate over those topics are still on. Foreign writers projected Dravidians as primitive and uncultured community... Max Muller said that the Aryans came into India from outside; in the same way Bishop Caldwell said that the Dravidians came from Mediterranean region. Mr. Kanakasabai Pillai who wrote 'Tamils 1800 years Ago', said that Tamils came into India from Mongolia. Some historians proposed that the Three Tamil Sangam are a myth; no two scholars agreed on these topics.

AKASHVANI - Publications Division (India), New Delhi 1962-11-18

"Akashvani" (English) is a programme journal of ALL INDIA RADIO, it was formerly known as The Indian Listener. It used to serve the listener as a bradshaw of broadcasting, and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation. The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in July 16 of 1927. From 22 August, 1937 onwards, it used to be published by All India Radio, New Delhi. From 1950, it was turned into a weekly journal. Later, The Indian listener became "Akashvani" (English) w.e.f. January 5, 1958. It was made a fortnightly journal again w.e.f. July 1, 1983.

Classical Tamil Love Poetry - M Nazir Ali

2013-11-29

Ainkurunuru is a collection of five hundred
poems written by five different poets who lived
two thousand years before. It tells you the story

of the lovers, their sadness, joy, jealousies, and
quarrels in verses of breathtaking sophistication
and indirection. It is about the art and life of a
people almost irretrievably lost, found in palm
script, and restored by scholars in love with the
Tamil language.

Tamil Love Poetry and Poetics - 1991

This indispensable work for Tamil love poetry of
South India deals with the relationship between
the oldest grammar and poetics, "Tolk ppiyam,"
and the ancient literature ("Sangam" literature)
of the 1-3 C. A.D., providing the original
meanings and historical changes of many
technical terms of love poetry.
