**Beneath the Dover Sky** - Murray Pura 2013-08-01

For fans of the hugely popular Downton Abbey television series and lovers of British historical sagas, award-winning author Murray Pura continues the enthralling story of the Danforths of Lancashire. The second book in the series (following Ashton Park) transports the reader back in time to 1924 as Sir William—recently named Lord Preston—celebrates his sixtieth birthday at the Danforth summer home in Dover. Although the ravages of World War I are in the past, new threats loom as a man named Adolph Hitler publishes a book called Mein Kampf. Is he a danger to Europe? And what of Lord Preston's growing friendship with an up and coming political leader named Winston Churchill? On the home front, one of the Danforth daughters, the recently widowed Catherine, sells her home in Belfast to spend more time at Dover—where she finds herself annoyed at the impertinent German theologian her father has befriended. The entire Danforth family faces many changes as illness and tragedy strike. Young Edward finally makes his move into the political arena while Michael and Libby welcome a new family member. Readers will be captivated by the upstairs/downstairs interplay as they once again savor this compelling saga of the well-loved Danforth family overcoming obstacles by placing their trust in the God who has always been faithful. Book 2 in The Danforths of Lancashire series

THAT SUMMER NIGHT "I love the Callaways! Heartwarming romance, intriguing suspense and sexy alpha heroes. What more could you want?" - NYT Bestselling Author Bella Andre Reid Becker was the best of the best, an elite soldier whose career ended abruptly in a mission gone awry. Derailed after a decade of intense focus, Reid is spending far too much time in his best friend's bar. Then Shayla Callaway walks into his life with a desperate plea for help. How can he resist a beautiful blonde? The last thing Shayla Callaway was looking for was trouble. After years of medical school, she is months away from finishing her residency when a stint with a research team lands her in the middle of a game of drugs and money, and the only person who can help her is a burned-out ex-soldier with a hot body and a cocky attitude. Reid and Shayla have always put duty and career first. But as the danger heats up, so do the summer nights. Suddenly, it's not just about saving the world but about saving each other and a love they never expected ... WHEN SHADOWS FALL Olivia Bennett is a biographer, a narrator of lives far more interesting than her own. When she volunteers to write down the memories of Eleanor Callaway, an elderly woman suffering from Alzheimer's, she gets caught up in a compelling story of a great love and a terrible secret. Suddenly, she is no longer a spectator but an investigator, and in her quest for the truth, she not only finds herself at odds with Eleanor's sexy and very protective grandson Colton Callaway, but she also discovers a more personal connection to Eleanor's past. Colton is a firefighter, a man used to going after what he wants and getting it. He pushes the limits, takes chances, and is willing to risk everything to save a life, especially if that life belongs to his grandmother. As Olivia and Colton stir up the smoldering embers of the past, they soon come to realize that the greatest danger may not come from those who want to protect their secrets, but from each other. The one thing neither of them has ever been willing to risk is their heart. SOMEWHERE ONLY WE KNOW Firefighter Burke Callaway has been living in the shadows since the tragic death of his fiancée. He had no interest in coming out of the dark, until the beautiful and unpredictable Maddie came back to town. Maddie Heller is the ultimate free spirit, her love of life and cooking taking her all over the globe, and only a few people know that her easy smile covers a personal tragedy. With a new job offer in San Francisco, Maddie thinks it might be time to stay in one place, especially when she runs into Burke again. Burke was the handsome, sexy hero of her youth who could do no wrong. Maddie was the pretty, fun-loving girl of his youth who loved to break the rules. They were opposites in every way, but there was always a connection. It

was just never the right time or the right place—until maybe now. But their budding love story suddenly takes a dangerous turn, and a series of escalating incidents makes them realize that falling in love might not just be terrifying but also deadly.

**A Wife Is Just Another Woman** - Rebecca Hamilton 2005-02

'To be understood by another human being is the greatest gift ' The words strike a chord with Justine, an ambitious international television correspondent who is proud of her independence and success and poised for global media stardom as war looms in Iraq. But the haunting insecurities which lurk beneath her glamorous public image have damaged her relationships and threaten her chances of happiness. And when she falls in love with a man who seems to understand what drives her, she starts to question her values. Then a professional catastrophe blows her world apart. As she is plunged into a battle for survival in the tough world of 24 hour news, her lover's wife discovers the affair and sets out to annihilate her-until Justine reaches for a weapon which will shatter all of them. A Wife Is Just Another Woman is the story of a high-flying celebrity journalist's struggle to overcome her hidden, painful past and understand her own true feelings-and the needs of others.
