**Between South and North: Travelogue**02 K.K. Pierscieniak 2013-12-13 After a not-so-brief absence from South America, I returned and picked-up exactly where I had left off, exactly where I'd begun originally: in smoggy Lima. Only this second time, I angled north: for the equator. The north of Peru is strikingly different from the south and yet again, like once before, I struck-up the most interesting acquaintanceships in a Plaza de Armas. Ecuador came next: there I discovered the whole continent in miniature, but nothing except tourist gimmicks to delay me. I crossed the next border with rare trepidation because the land of coffee, cartels, and cocaine -Colombia- was enjoying such an unsavory reputation. But it proved one of the most extraordinary countries that I've ever set-foot-

in. My heart had never felt so heavy as when I took the first step into Venezuela. There I could have lingered longer, visited more places, but a strike paralyzed the cities and it had seemed prudent to leave while I could. Panama: getting in was a lot more exciting than being in. Nicaragua: tiny islands half-lost far-off at sea. Honduras: good roads and donuts. El Salvador: a tragic country whose people have suffered through everything yet refuse to give-in to despair. Guatemala, everybody's favorite corner of Latin America: Antigua, Chichicastenango and El Mirador. Big Mama on Caye Culker, Belize. Mexico: too many kilometers on too many buses in too few days. Travelogue02 swings through every country south of the Rio Grande, eighteen in all, except the Guianas. □ □ □ The author is nobody special — he's just of a new breed of travel writers. And his Travelogues are for a new breed of readers — normal contemporary sorts of people like and my neighbor Tom, feeding their curiosity for curiosity's sake, taking armchair voyages through countries that until a few years ago were virtually unknown to the outside world. While bookshop shelves tend to sag under the weight of stories about places, not journeys, the latter are far more fascinating. Few books today capture the essence of what it is like to travel. Having established himself with the original bold "what's it really like Out There" anthology, the author does exactly that. Each Travelogue offers its reader more than the old tired travel diary. Just like each one of the author's trips turned out most unusual, these books —too— are out of the ordinary. They're collections of short stories, each capturing a particular moment: some are funny, some emotional, some suspenseful, some downright silly... and each one is very different from every other. They are snapshots of people and places and adventures that had been recorded in words rather than by multicolored pixels of a digital point-and-shoot. What makes them unreal is that all these stories are 100% true... Seriously, you couldn't make this stuff up even if you wanted to. None of it is this normal cut-and-dry stuff. Every story offers a fresh insight, a totally different perspective. On the beaten path... and off of it, against the backdrop of the exotic, anything can happen: and it usually does. More often than not, these stories are set in villages kilometers apart, but there's never telling what might happen next. The author doesn't care where the journey might take him — it's all about the experience of being Out There. He's simply following his passion for discovering and exploring. For Travelogues' readers, the books are a jaunt into the unknown. It's the journey and not the destination that matters.

Amora Natalia Borges Polesso 2020-05-19 From an emerging talent comes an exquisite collection of stories exploring the complexity of love between women, each a delicate piece in a mosaic transcending the boundaries of literary romance. Amora dares explore the way women love each other--the atrophy and healing of the female spirit in response to sexual desire and identity. These thirty-three short stories and poems, crafted with a deliberate delicacy, each capture the candid, private moments of women in love. Together, these stories and the women who inhabit them reveal an illuminating portrait of the sacred female romance, with all its nuances, complexities, burdens, and triumphs revealed. Violence, sickness, chaos, tenderness, beauty, and freedom adorn these pages in a mosaic of unforgettable moments, including a lesbian granddaughter discovering unexpected commonalities with her grandmother, a teenager's tryst with her friend after disenchanting sex with a boy, and an old couple's dreamy Sunday-morning ritual. Sweeping nearly every major Brazilian literary prize in 2016--including the Prêmio Jabuti and Prêmio Açorianos de Literatura--Amora has propelled Natalia Borges Polesso to the forefront of the international literary world.

**A True Girl** Mari Poisson 2010-03 The true girl is old, but at the same time she is a teenager, too. She has died, but now she is living her second life. She often dwells on the words "Work as a man, live as a woman", written on the card, which is stuck on the mirror in her bathroom. She lives alone, but she has some sane people around her, who do their best to make her normal. She is trying hard to be normal herself, but at the same time detests being normal, either. She pretends everything is OK, but she is not so calm and self-confident as she seems to be. She has dedicated her life to falsification. Every day she transforms herself from a housewife into a writer. Oh, I have forgotten to mention she likes Nietzsche's saying "Become what you are", which a funny woman Anabelle has engraved on the ordinary wine glasses, though secretly she is fully confident that a basic truth lies in a simple sentence: " To be and to look is one and the same thing". She has a teacher Lora, who is really very old and at the same time very odd. The true girl believes Lora is the devil but she still wants to be as Lora is. What a shame!

*You Can Run* Jesse Archer 2013-10-18 From Machu Picchu to a cocaine purchase in a Bolivian jail—and beyond! How do you rough it in extreme South American travels and still dare to be different? *You Can Run: Gay, Glam, and Gritty Travels in South America* follows the intrepid and fantastic—and totally true—adventures of flamboyant gay men through the gritty rough and tough of South America. Author Jesse Archer and his American boyfriend Zane spent nearly two years traveling the continent in search of adventure. And find it they did. Discover incredible individuals like Patricia the pink lady, the Wolfman of Borneo, and Santusa the fanged Chola of a different color. Thrill to the astounding experiences of dodging crocodiles, doing a striptease for a Colombian bathroom bitch, admiring exultant transsexuals caught in a rainstorm, and navigating the most dangerous road in the world. This wild travel chronicle takes you through the real South America with wit, wisdom—and a hot pink wig! An excerpt from *You Can Run*: Gerardo runs off to buy the meat for baiting piranha and then we're in his tin boat out on the choppy Amazon. The humidity and heat on the earth's surface here seems to bounce back into the sky and burst, returning a downpour of rain. Luckily Gerardo's tin can has a roof. Yet for some reason we aren't headed to the jungle, but downriver to a shantytown along the bank. I ask where we are going and Gerardo feebly utters something in Portuguese. I can't make it out. Zane is now convinced I've employed a waterfront gangster. We pull up to a shoddy pier of three planks supported by timbers that rot in the lapping water. "We should have gone with the other one!" Zane decries my flagrant frugality. "See? There's his accomplice." When Gerardo reappears outside the shack with another man Zane announces he hates to be killed with a cheapskate like me. "I'm gonna die, washed up over there with all that trash, my body all white and fat and . . . bloated!" zane has exercised too much in his life to die bloated. Dying bloated has just become the worst of all fates. Zane gasps earnestly to his active imagination. "Oh God, please not bloated!" *You Can Run* is a funny, piercing, and poignant examination of memorable outcasts in the third world. Follow some of travel's most different adventure seekers—extreme travelers with a lot of sparkle!

best friend? That there's not a damn thing you can do about it. Especially if you don't want to blow up your entire relationship. Easton is the guy I turn to when I need...well, just about everything. And what I've learned over the years is that friendship is more difficult to come by than hookups and boyfriends. Plus, it's not like he sees me as anything other than his soccer playing gal pal. The one he used to sneak out of the house with when we were teenagers. But we're not kids any more. At the end of this year, we'll graduate and go our separate ways. Why that thought fills me with sadness, I don't know. Actually, I do. And that's the problem. So, when my roommate suggests going out with her hot, hockey playing cousin, it seems like the perfect opportunity to move on from this crush. According to her—and I quote—the best way to get over one guy is to get under— I'm pretty sure you know how the saying goes. \*Campus Flirt is a short novella (20,000 words) that was originally published in the Let's Play anthology\* ---- "This book is just right when I needed a smile" -Tracy, GoodReads "An amazing ending that will have you wanting to read the story all over again, because it is that incredible" -Brittany, GoodReads "The storyline between Easton and Sasha is a HEA that I needed right now" -Lori, GoodReads "Best friends to lovers... Reshaping Ethnic Relations Judith Goode 1994-05-12 What happens when people from diverse racial and ethnic backgrounds come together to live and work in the same neighborhood? Unlike other examinations of this question that focus on one group, this book looks at the interaction of both old and new immigrant populations in three Philadelphia neighborhoods. In this ethnographic study, which is a result of the Ford Foundation-funded Changing Relations: Newcomers and Established Residents in Philadelphia Project, the authors consider five primary groups—whites, African Americans, Puerto Ricans, Koreans, and Eastern Europeans—in Olney, Kensington, and Port Richmond. Focusing on the interaction of racial, ethnic, and immigrant communities in schools, organized community celebrations and social events, the workplace, shopping areas, and neighborhood politics, the authors show that the contradictions of individual beliefs, actions, and strategies of power are not easily resolved. By examining the local, citywide, and national economy

and government, previous human relations efforts, changing immigration patterns, community-level power structures, real estate turnover, and gentrification, the authors evaluate current strategies to create harmony in communities with an ever-changing mix of established residents and newly arrived immigrants. Through their findings, Judith Goode and Jo Anne Schneider develop better alternatives that will encourage understanding and cooperation among different racial and ethnic groups sharing their lives and neighborhoods.

**Liberty on the Waterfront** Paul A. Gilje 2012-04-17 Through careful research and colorful accounts, historian Paul A. Gilje discovers what liberty meant to an important group of common men in American society, those who lived and worked on the waterfront and aboard ships. In the process he reveals that the idealized vision of liberty associated with the Founding Fathers had a much more immediate and complex meaning than previously thought. In *Liberty on the Waterfront: American Maritime Culture in the Age of Revolution*, life aboard warships, merchantmen, and whalers, as well as the interactions of mariners and others on shore, is recreated in absorbing detail. Describing the important contributions of sailors to the resistance movement against Great Britain and their experiences during the Revolutionary War, Gilje demonstrates that, while sailors recognized the ideals of the Revolution, their idea of liberty was far more individual in nature—often expressed through hard drinking and womanizing or joining a ship of their choice. Gilje continues the story into the post-Revolutionary world highlighted by the Quasi War with France, the confrontation with the Barbary Pirates, and the War of 1812.
