Strategies to instantly be clever and witty and sound like a world-class comedian. Patrick King is an internationally bestselling author and sought-after Social Skills and Conversation Coach. He teaches building rapport, and a major part of that is using humor to connect with others – shared moments of laughter are incredible bonding moments, and you'll be able to create them without being "that guy/girl". What techniques will you learn to make people laugh spontaneously? •What makes an impactful comedic delivery and storytelling. •How to use irony and sarcasm conversationally. •How to create and build a banter chain with others. •Injecting role play into any situation. You will also learn the following: •How to play on people's expectations and sense of

He said 'Grandson, watch how far I can kick this bucket.'" "The key to any marriage is spontaneity. You've got to be ready to leave at any time." Bringing together some of the funniest, wittiest, and most cutting jokes the world over, Grant Tucker's volume is the definitive collection of the quips comedians call "one-liners." Short, sweet, and undeniably clever, one-liners hold a special place in the history of comedy, and the rise of Twitter and social media seems to have ushered in a new era of this comedic art form. With most people expressing themselves in 140 characters or less, there seems no better time to celebrate Grant's collection and the immortal one-liner. all trying to become standup comedians, and this isn't a book about ha-ha jokes with setups and punch lines. These are little tips and tactics for you to become noticeably quick and clever. Make a better impression on people, put them at ease, charm them, and make them smile with you. Learn witticisms, quips, retorts, comebacks, and wisecracks without being cheesy or corny. Don't worry if you feel like you've never understood humor or how to be funny. I've done the work for you and analyzed everyone from comedy writers to standup comedians and given you step-by-step, complete guidance to use common joke structures in everyday situations. Adaptable to any premise, topic, or setting! Strategies to instantly be clever and witty and sound like a world-class comedian. Patrick King is an internationally bestselling author and sought-after Social Skills and Conversation Coach. He teaches building rapport, and a major part of that is using humor to connect with

others - shared moments of laughter are incredible bonding moments, and you'll be able to create them without being "that guy/girl". Humor is the highway to the relationships you want in life. •What makes an impactful comedic delivery and storytelling. •How to use irony and sarcasm conversationally. •How to create and build a banter chain with others. •Injecting role play into any situation. •How to play on people's expectations and sense of contrast. •The art of misconstruing. •Why relatability is so darn funny. •The famous "comic triple."

In this collection you will find hundreds of jokes, stories, and one liners that turn that on its head and a few quotes from famous people on the subject as well. titillate you, and make you feel good about who you are, this is the book for you. It also includes a few games girls can play at sleepovers with their friends. Homophobes, bigots, religious persecutors, and most men on the other hand may be slightly offended.
